EXPEDITED MOTION FOR ORDERS UNDER 11 U.S.C. §§ 363, 365, AND 1146 AND FED. R. BANKR. P. 2002, 6004, 6006, AND 9014 (A) (I) APPROVING BIDDING PROCEDURES, (II) GRANTING CERTAIN BID PROTECTIONS, (III) APPROVING FORM AND MANNER OF SALE NOTICES, AND (IV) SETTING SALE HEARING DATE AND (B) AUTHORIZING AND APPROVING (I) SALE OF DEBTORS' ASSETS PRIMARILY USED IN DEBTORS' BEARINGS BUSINESS FREE AND CLEAR OF LIENS, CLAIMS, AND ENCUMBRANCES, (II) ASSUMPTION AND ASSIGNMENT OF CERTAIN EXECUTORY CONTRACTS AND UNEXPIRED LEASES, AND (III) ASSUMPTION OF CERTAIN LIABILITIES

("BEARINGS BUSINESS SALE MOTION")

Delphi Corporation ("Delphi") and certain of its subsidiaries and affiliates, debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors"), hereby submit this expedited motion (the "Motion") for orders under 11 U.S.C. §§ 363, 365, and 1146 and Fed. R. Bankr. P. 2002, 6004, 6006, and 9014 (a) (i) approving the bidding procedures set forth herein and attached hereto as Exhibit A (the "Bidding Procedures"), (ii) granting certain bid protections, (iii) approving the form and manner of sale notices (the "Notice Procedures"), and (iv) setting a date for the sale hearing (the "Sale Hearing") and (b) authorizing and approving (i) the sale (the "Sale") of the Selling Debtor Entities' (defined below) assets (the "Acquired Assets") primarily used in the Selling Debtor Entities' global bearings business (the "Bearings Business") to the Buyer or the Successful Bidder (both as hereinafter defined) submitting a higher or otherwise better bid, as the case may be, (ii) the assumption and assignment of certain prepetition executory contracts and unexpired leases (the "Assumed Contracts") and the assignment of certain postpetition executory contracts and unexpired leases (the "Postpetition Contracts," and collectively with the Assumed Contracts, the "Assigned Contracts") to the Buyer or the Successful Bidder, as the case may be, and (iii) the assumption of certain liabilities (the "Assumed Liabilities") by the Buyer or the Successful Bidder, as the case may be. In support of this Motion, the Selling Debtor Entities (as defined below) respectfully represent as follows:

Background

A. The Chapter 11 Filings

1. On October 8 and 14, 2005, the Debtors filed voluntary petitions in this Court for reorganization relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1330, as then amended (the "Bankruptcy Code"). The Debtors continue to operate their businesses and manage their properties as debtors-in-possession under Bankruptcy Code sections 1107(a) and 1108. This Court has ordered joint administration of these cases.

2. No trustee or examiner has been appointed in these cases. On October 17, 2005, the Office of the United States Trustee (the "U.S. Trustee") appointed an official committee of unsecured creditors (the "Creditors' Committee"). On April 28, 2006, the U.S. Trustee appointed an official committee of equity holders (the "Equity Committee," and together with the Creditors' Committee, the "Statutory Committees").

3. On September 6, 2007, the Debtors filed the Joint Plan Of Reorganization Of Delphi Corporation And Certain Affiliates, Debtors And Debtors-In Possession (Docket No. 9263) and the Disclosure Statement With Respect To Joint Plan Of Reorganization Of Delphi Corporation And Certain Affiliates, Debtors And Debtors-In Possession (Docket No. 9264). Subsequently, on December 10, 2007, the Debtors filed the First Amended Joint Plan Of Reorganization Of Delphi Corporation And Certain Affiliates, Debtors And Debtors-In-Possession (the "Plan") (Docket No. 11386) and the First Amended Disclosure Statement with respect to the Plan (the "Disclosure Statement") (Docket No. 11388). The Court entered an order approving the adequacy of the Disclosure Statement and granting the related solicitation procedures motion on December 10, 2007 (Docket No. 11389) (the "Solicitation Procedures Order").

4. This Court has jurisdiction over this motion pursuant to 28 U.S.C. §§ 157 and 1334. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding under 28 U.S.C. § 157(b)(2).

5. The statutory predicates for the relief requested herein are sections 363, 365, and 1146 of the Bankruptcy Code and rules 2002, 6004, 6006, and 9014 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

B. Current Business Operations Of The Debtors

6. Delphi and its subsidiaries and affiliates (collectively, the "Company") as of December 31, 2006 had global net sales of \$26.4 billion and global assets of approximately \$15.4 billion.¹ At the time of its chapter 11 filing, Delphi ranked as the fifth largest public company business reorganization in terms of revenues and the thirteenth largest public company business reorganization in terms of assets. Delphi's non-U.S. subsidiaries are not chapter 11 debtors and have continued their business operations without supervision from the Court.²

7. The Company is a leading global technology innovator with significant engineering resources and technical competencies in a variety of disciplines, and is one of the largest global suppliers of vehicle electronics, transportation components, integrated systems

¹ The aggregated financial data used in this Motion generally consists of consolidated information from Delphi and its worldwide subsidiaries and affiliates as disclosed in the Company's Form 10-K filed on February 27, 2007.

² On March 20, 2007, Delphi Automotive Systems Espana S.L. ("DASE"), whose sole operation is a non-core automotive component plant in Cadiz, Spain, filed a "Concurso" application for a Spanish insolvency proceeding, which was approved by the Spanish court on April 13, 2007. On July 4, 2007, DASE, its Concurso receivers, and the Cadiz workers councils and unions reached a settlement on a social plan, the funding of which was approved by this Court on July 19, 2007. The Spanish court approved the social plan on July 31, 2007. The Concurso proceeding is consistent with Delphi's transformation plan to optimize its manufacturing footprint and to lower its overall cost structure.

and modules, and other electronic technology. The Company supplies products to nearly every major global automotive original equipment manufacturer ("OEM").

8. Delphi was incorporated in Delaware in 1998 as a wholly owned subsidiary of General Motors Corporation ("GM"). Prior to January 1, 1999, GM conducted the Company's business through various divisions and subsidiaries. Effective January 1, 1999, the assets and liabilities of these divisions and subsidiaries were transferred to the Company in accordance with the terms of a Master Separation Agreement between Delphi and GM. In connection with these transactions, Delphi accelerated its evolution from a North American-based, captive automotive supplier to a global supplier of components, integrated systems, and modules for a wide range of customers and applications. Although GM is still the Company's single largest customer, today more than half of Delphi's revenue is generated from non-GM sources.

C. Events Leading To The Chapter 11 Filing

9. In the first two years following Delphi's separation from GM, the Company generated approximately \$2 billion in net income. Every year thereafter, however, with the exception of 2002, the Company has suffered losses. In calendar year 2004, the Company reported a net loss of approximately \$4.8 billion on \$28.6 billion in net sales.³ Reflective of a continued downturn in the marketplace, in 2005 Delphi incurred net losses of approximately \$2.4 billion on net sales of \$26.9 billion. Moreover, in 2006 the Debtors incurred a net loss of \$5.5 billion, \$3.0 billion of which comprised charges related to the U.S. employee special attrition programs.

³ Reported net losses in calendar year 2004 reflect a \$4.1 billion tax charge, primarily related to the recording of a valuation allowance on U.S. deferred tax assets as of December 31, 2004. The Company's net operating loss in calendar year 2004 was \$482 million.

10. The Debtors believe that the Company's financial performance deteriorated because of (i) increasingly unsustainable U.S. legacy liabilities and operational restrictions preventing the Debtors from exiting non-profitable, non-core operations, all of which have the effect of creating largely fixed labor costs, (ii) a competitive U.S. vehicle production environment for domestic OEMs resulting in the reduced number of motor vehicles that GM produces annually in the United States and related pricing pressures, and (iii) increasing commodity prices.

11. In light of these factors, the Company determined that it would be imprudent and irresponsible to defer addressing and resolving its U.S. legacy liabilities, product portfolio, operational issues, and forward-looking revenue requirements. Because discussions with its major stakeholders had not progressed sufficiently by the end of the third quarter of 2005, the Company commenced these chapter 11 cases for its U.S. businesses to complete its transformation plan and preserve value for its stakeholders.

D. The Debtors' Transformation Plan

12. On March 31, 2006, the Company outlined the key tenets of a transformation plan that it believed would enable it to return to stable, profitable business operations. The Debtors stated that they needed to focus on five key areas:⁴ first, modifying

⁴ In furtherance of the Debtors' transformation plan, on December 18, 2006, the Debtors announced their execution of an equity purchase and commitment agreement with certain investors and a plan framework support agreement with those investors and GM. On July 9, 2007, Delphi confirmed that it had formally terminated the equity purchase and commitment agreement and related plan framework support agreement. On July 18, 2007, Delphi announced that it had accepted a new proposal for an equity purchase and commitment agreement (the "Delphi-Appaloosa EPCA") submitted by a group comprising a number of the original plan investors (affiliates of Appaloosa Management L.P., Harbinger Capital Partners Master Fund I, Ltd., Merrill Lynch, Pierce, Fenner & Smith Inc., and UBS Securities LLC) as well as Goldman Sachs & Co. and an affiliate of Pardus Capital Management, L.P. Under the Delphi-Appaloosa EPCA, the new plan investors agreed to invest up to \$2.55 billion in preferred and common equity in the reorganized Delphi to support the Company's transformation plan and plan of reorganization. This Court approved the Delphi-Appaloosa EPCA on August 2, 2007. On October 29, 2007, the Debtors filed a motion requesting this Court's approval of certain proposed amendments to the Delphi-Appaloosa EPCA (Docket No. 10760). In

addition, on November 14, 2007, December 3, 2007, and December 5, 2007, the Debtors filed certain additional proposed amendments to the Delphi-Appaloosa EPCA. On December 10, 2007, this Court entered an order granting the motion and approving the proposed amendments (Docket No. 11382).

- ⁵ As of August 29, 2007, this Court had entered the following orders approving settlements between Delphi and each of its U.S. labor unions:
- International Union, United Automobile, Aerospace, and Agricultural Implement Workers of America (the "UAW") (Docket No. 8693);
 - International Union of Electronic, Electrical, Salaried, Machine and Furniture Workers-Communication Workers of America (Docket No. 9106);
 - International Association of Machinists and Aerospace Workers and its District 10 and Tool and Die Makers Lodge 78, the International Brotherhood of Electrical Workers and its Local 663, and Locals 832S, 18S, and 101S of the International Union of Operating Engineers (Docket No. 9107); and
 - United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union and USW Local 87L (Docket No. 9169).
- On September 4, 2007, at Delphi's request, this Court entered an order withdrawing without prejudice Delphi's motion for an order under sections 1113(c) and 1114(g) of the Bankruptcy Code authorizing rejection of collective bargaining agreements and modification of retiree welfare benefits (Docket No. 9221).
- ⁶ On September 6, 2007, Delphi announced that it had entered into agreements with GM consisting of a Global Settlement Agreement (the "GSA") and a Master Restructuring Agreement (the "MRA"). Delphi's comprehensive settlement with GM resolves all outstanding disputes between Delphi and GM other than as may arise out of their ordinary course customer-supplier relationship. The GSA and MRA were filed as Exhibits 7.20(a) and 7.20(b) to the Plan, respectively. See Docket No. 9263. On October 29, November 14, December 3, December 5, and December 10, 2007, the Debtors filed certain proposed amendments to the GSA and MRA. The approval of such amendments will be considered in connection with the confirmation of the Plan.
- ⁷ In connection with their March 31, 2006 announced transformation plan, the Debtors classified "core" and "non-core" product lines and plants. The Debtors have been working to divest non-core assets so as to maximize the value of their estates for stakeholders. During the 2006 and 2007 calendar years, for example, the Debtors have sold substantially all of the assets related to MobileAria, Inc., their chapter 11 affiliate, their brake hose and catalyst businesses, and their Sault Ste. Marie, Mexico brake plant business, as well as their manufacturing equipment and test development equipment at the chassis facility in Saginaw, Michigan. The Debtors also received court approval to sell substantially all of the assets used in their interiors and closures businesses (subject to certain cure disputes) and for bid procedures related to the upcoming sale of substantially all assets used in their steering and halfshaft business.

cost structure is competitive and aligned with its product portfolio and manufacturing footprint;⁸ and fifth, devising a workable solution to their current pension situation.⁹

E. The Debtors' Plan Of Reorganization

13. By filing the Plan and related Disclosure Statement, the Debtors reached another key milestone in their chapter 11 cases. The Plan is based upon a series of global settlements and compromises that involve nearly every major constituency in the Debtors' reorganization cases, including GM. Attached as exhibits to the Plan are two agreements, the GSA and the MRA, which provide for a comprehensive settlement with GM. Both agreements are subject to this Court's approval as part of the confirmation process. This Court has scheduled a hearing to consider confirmation of the Plan to commence on January 17, 2008. Currently, the Debtors continue to expect that they will emerge from chapter 11 during the first quarter of 2008.

⁸ As part of this effort, effective July 1, 2006, the Company realigned its business operations to focus its product portfolio on core technologies for which the Company believes it has significant competitive and technological advantages. The Company's revised operating structure consists of its four core business segments: Electronics and Safety, Thermal Systems, Powertrain Systems, and Electrical/Electronic Architecture. The Company also has two additional segments, which will be transitioned as part of the Company's transformation plan: Steering (for which bidding procedures were approved on December 20, 2007) and Automotive Holdings Group. To ensure that their organizational and cost structure is competitive, the Debtors obtained an Order Under 11 U.S.C. § 363(b) And Fed. R. Bankr. P. 6004 Authorizing Debtors To Enter Into Finance Outsourcing Agreement on April 23, 2007 (Docket No. 7773) (the "Finance Outsourcing Order"). The Finance Outsourcing Order authorized the Debtors to outsource certain of the Debtors' accounts receivable, accounts payable, fixed assets, travel and expense reporting, general ledger, and contract administration processes and significantly reduce SG&A expenses as part of their transformation plan.

⁹ To that end, on May 31, 2007, this Court granted the Debtors' motion for authority to perform under the terms of those certain September 30, 2006 pension plan year funding waivers, which were approved by the IRS on May 1, 2007, for both the Delphi Hourly-Rate Employees Plan and the Delphi Retirement Program for Salaried Employees (collectively, the "Pension Plans"). On July 13, 2007, the IRS modified the conditional funding waivers granted to Delphi related to the Pension Plans, extending the dates by which Delphi is required to file a plan of reorganization and emerge from chapter 11 to December 31, 2007 and February 29, 2008, respectively. On September 28, 2007, the IRS approved a similar waiver with respect to the Delphi Hourly-Rate Employees Plan for the September 30, 2007 pension plan year. On October 25, 2007, this Court granted the Debtors' motion for authority to perform under the terms of that waiver. On October 4, 2007, the IRS, at Delphi's request, further modified the conditions to the initial waivers so that they are generally consistent with the conditions to the most recent waiver.

14. Upon the conclusion of the reorganization process, the Debtors expect to emerge as a stronger, more financially sound business with viable U.S. operations that are well-positioned to advance global enterprise objectives. In the meantime, Delphi will marshal all of its resources to continue to deliver high-quality products to its customers globally. Additionally, the Company will preserve and continue the strategic growth of its non-U.S. operations and maintain its prominence as the world's premier auto supplier.

Relief Requested

15. By this Motion, Delphi and the selling Debtor entities described in the Agreement (as defined below) (the "Selling Debtor Entities")¹⁰ seek approval for the sale of the Bearings Business to ND Acquisition Corp. (the "Buyer"),¹¹ subject to additional competitive bidding pursuant to the proposed Bidding Procedures. To effect the Sale, the Selling Debtor Entities seek two types of relief. First, at the omnibus hearing to be held on January 25, 2008, the Selling Debtor Entities will seek entry of an order substantially in the form attached hereto as Exhibit B (the "Bidding Procedures Order") approving the Bidding Procedures, Notice Procedures, and certain bid protections to be provided to the Buyer pursuant to the Agreement (as defined below) and as described more fully herein. Second, subject to the terms of the Bidding Procedures Order, at the omnibus hearing to be held on February 21, 2008, the Selling Debtor Entities will seek entry of an order substantially in the form attached hereto as Exhibit C (the "Sale Approval Order") authorizing and approving the Sale to the Buyer or the Successful Bidder, as the case may be, including, without limitation, the assumption and

¹⁰ Under the Agreement, the Selling Debtor Entities include Delphi Automotive Systems LLC ("DAS LLC") and Delphi Technologies, Inc. For convenience, use of the term "Selling Debtor Entities" means, as the context requires, the specific Debtor entity undertaking the transaction referenced to the extent such transaction affects the assets of such entity.

¹¹ This Motion will refer to ND Acquisition Corp., together with any affiliates it identifies in Schedule 1 of the Agreement, as the "Buyer," which, as the context requires, means the specific Buyer entity undertaking the transaction.

assignment of the Assumed Contracts to the Buyer, and the assumption by the Buyer of the Assumed Liabilities.

Basis For Relief

16. The Company has stated that to achieve the necessary cost savings and operational effectiveness envisioned in its transformation plan, it must streamline its product portfolio to capitalize on its world-class technology and market strengths and make the necessary manufacturing realignment consistent with its new focus. As part of the Company's transformation plan, the Company identified the Bearings Business as a non-core business subject to disposition.

17. Accordingly, following extensive marketing efforts, on January 15, 2008, the Selling Debtor Entities and the Buyer entered into a Sale and Purchase Agreement, a copy of which is attached hereto as Exhibit D (the "Agreement"). The Agreement contemplates a global divestiture of the Bearings Business to the Buyer for a purchase price (the "Purchase Price") of up to \$44.2 million, subject to certain adjustments.¹²

F. The Bearings Business

18. The Bearings Business produces both wheel bearings and roller clutch product lines. As the inventor of the Gen III wheel bearing technology in 1979, the Bearings Business is a recognized and trusted market leader. It is the leading producer of Gen III wheel bearings in North America and the primary North American supplier of such parts to GM. The Bearings Business occupies a 1.3 million square foot plant set on 133 acres in Sandusky, Ohio. The plant houses integrated design, engineering, and manufacturing teams. The Company has

¹² It should be noted that the Agreement provides that the Purchase Price may be adjusted to \$18.2 million, subject to certain further adjustments, if, prior to the closing, (a) a competitive operating agreement (the "Competitive Operating Agreement") between the Selling Debtor Entities and the local UAW has not yet been executed or become effective or (b) the Selling Debtor Entities have failed to achieve certain labor-related cost savings.

invested more than \$140 million in new tooling and refurbishment for older equipment and new state-of-the-art machinery and equipment since 2000. Two distinct manufacturing processes are used in the plant: flexible product focused cells, which can be shifted from one model of wheel bearings to another with relative ease, and high volume manufacturing, which provides a highly automated and efficient high volume output.

19. The Bearings Business employs approximately 1,000 people, including approximately 775 Hourly Employees. The hourly workforce is represented by the UAW.

G. Factors Leading To The Sale

20. Although the Company believes that the Bearings Business is fundamentally strong, the Bearings Business does not fit within the Company's anticipated product portfolio under its transformation plan. In particular, the Company has determined, after an intensive product portfolio review, that the Bearings Business is outside the primary focus of the Company's growth and long-term strategic goals.

21. The Company believes, however, that as a standalone business, the Bearings Business could become more profitable and competitive. The Company has therefore determined that the value of the Bearings Business would be maximized through its divestiture. To achieve that goal, while balancing the needs of its customers, the Company is seeking to sell the Bearings Business. The Company, including its Selling Debtor Entities, will carefully manage the transition of the Bearings Business and the Sale will be completed in coordination with the Company's customers, employees, unions, and other stakeholders.

22. The Company has actively marketed the Bearings Business since February 2007. As part of this process, the Company identified several potential purchasers for the Bearings Business and provided those parties with access to information about the Bearings Business.

23. The Selling Debtor Entities evaluated the terms and benefits of the proposals, as well as the benefits of other alternatives to divesting the Bearings Business. In their business judgment the Selling Debtor Entities concluded that the proposal from the Buyer, which formed the basis of the Agreement, offered the most advantageous terms and the greatest economic benefit. This decision was based in part on the Selling Debtor Entities' ability to maximize the value of the business line as a going concern and their belief that the Buyer would continue to provide quality products to the Company's customers, many of whom buy other products from Delphi. The Buyer is a wholly owned subsidiary of Resilience Capital Partners LLC ("Resilience Capital"). Resilience Capital is a private equity investment firm focused on investing in underperforming and turnaround situations, typically investing in companies with revenues of between \$25 million and \$250 million. Resilience Capital typically acquires lower middle market companies that have solid fundamental business prospects, but have suffered from a cyclical industry downturn. Since its inception in 2001, Resilience Capital has acquired approximately 16 companies with combined revenues in excess of \$1 billion.

H. The Agreement

24. Pursuant to the Agreement, (a) the Selling Debtor Entities would (i) sell the Acquired Assets owned by the Selling Debtor Entities free and clear of any Interests and/or Claims,¹³ except for Permitted Encumbrances as defined in the Agreement, in consideration for

¹³ "Interests and/or Claims" means any and all liens, claims, interests, and encumbrances of any type whatsoever (whether known or unknown, choate or inchoate, filed or unfiled, scheduled or unscheduled, noticed or unnoticed, recorded or unrecorded, perfected or unperfected, allowed or disallowed, contingent or non-contingent, liquidated or unliquidated, matured or unmatured, material or non-material, disputed or undisputed, whether arising prior to or subsequent to the Petition Date, and whether imposed by agreement, understanding, law, equity, or otherwise, including claims otherwise arising under doctrines of successor liability), including but not limited to those (i) that purport to give to any party a right or option to effect any forfeiture, modification, right of first refusal, or termination of the Selling Debtor Entities' or the Buyer's

the Purchase Price, subject to adjustments and other consideration, and (ii) assume (if applicable) and assign the Assigned Contracts to the Buyer and (b) the Buyer will assume the Assumed Liabilities.

25. The significant terms of the Agreement are as follows:¹⁴

(a) General Terms. The Buyer would acquire the Acquired Assets, which comprise all of the non-cash assets primarily used by the Bearings Business (other than the certain assets expected to be excluded), including certain real property, personal property, inventory, contracts, administrative assets, permits, consents, environmental permits, certain purchased intellectual property, and certain documented technical information pertaining to the design or manufacture of the Bearings Business' products, through an asset sale.

(b) Bankruptcy Court Approval. The Sale of the Acquired Assets would be subject to approval by this Court and competitive bidding pursuant to the Bidding Procedures.

(c) Documentation. The Sale would be effected pursuant to the Agreement and related documentation.¹⁵ At the closing, certain of the Selling Debtor Entities and the Buyer would enter into, among others, the following ancillary agreements (collectively, the "Ancillary Agreements"):¹⁶ (i) the Patent Assignment, (ii) the Trademark Assignment, (iii) the Deposit Escrow Agreement, (iv) the Transition Services Agreement, (v) the Bills of Sale, (vi) the Assignment and Assumption Agreements, (vii) the Indemnity Escrow Agreement, (viii) the Inventory Adjustment Escrow Agreement, and (ix) the Sensor Supply Agreement. The Ancillary Agreements would be delivered to the Selling Debtor Entities on terms reasonably satisfactory to the Selling Debtor Entities on or before the closing and would be performed in all material respects.

(d) Purchase Price. The Purchase Price to be paid by the Buyer to the Selling Debtor Entities would be up to \$44.2 million, subject to certain adjustments. Among other adjustments, the Purchase Price may be reduced by \$26 million, if, prior to the closing,

interest in the Acquired Assets, or any similar rights, and (ii) relating to taxes arising under or out of, in connection with, or in any way relating to the operation of the Bearings Business prior to the Closing Date, including the transfer of the Acquired Assets to the Buyer.

¹⁴ In the event of any discrepancy between the Agreement and this summary, the provisions of the Agreement control.

¹⁵ Copies of the schedules to the Agreement and the Ancillary Agreements (as defined above) are available upon request to parties-in-interest who execute a confidentiality agreement acceptable to the Debtors and who show that they would be affected by the relief requested in this Motion.

¹⁶ Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Agreement.

- (a) the Competitive Operating Agreement has not yet been executed or become effective or
- (b) the Selling Debtor Entities have failed to achieve certain labor-related cost savings.

(e) Deposit Amount. On or before 3:00 (prevailing Eastern time), January 16, 2008, the Buyer will deliver to an escrow agent pursuant to the Deposit Escrow Agreement the sum of \$750,000.00 to be held as an earnest money deposit (such amount, together with the interest accrued thereon prior to closing, the "Deposit Amount"). Upon closing, the Selling Debtor Entities would receive the Deposit Amount. Upon a material breach by the Buyer of the Agreement or the Bidding Procedures which results in termination of the Agreement, the Selling Debtor Entities would receive the Deposit Amount. If the Agreement is terminated for any reason other than a breach by the Buyer, then, on: (i) the date which would be 15 days after such termination or (ii) in the event that an Alternative Transaction (defined below) is completed, the Return Date (defined below) (whichever would be earlier), the Deposit Amount would be returned to the Buyer.

(f) Escrow. Provided the closing is on or after the effective date of the Selling Debtor Entities' confirmed plan of reorganization (the "Effective Date"), the Buyer would deliver to the Selling Debtor Entities the Purchase Price in accordance with the Agreement. If, however, the closing is before the Effective Date, (i) the Buyer would deliver to an indemnity escrow agent \$2,000,000.00 of the Purchase Price (the "Indemnity Escrow Amount") to be held, in an interest bearing account, as collateral to secure the rights of the Buyer under certain indemnity provisions of the Agreement, and (ii) the Buyer would deliver to an inventory adjustment escrow agent \$500,000.00 of the Purchase Price (the "Inventory Adjustment Escrow Amount") to be held, in an interest bearing account, as collateral to secure the rights of the Buyer under certain inventory adjustment provisions of the Agreement. The Indemnity Escrow Amount would be held by the indemnity escrow agent from the closing until the third anniversary of the closing (the "Escrow Period"); except that if the Effective Date occurs during the Escrow Period, the indemnity escrow agent would immediately deliver the Indemnity Escrow Amount to the Selling Debtor Entities. Thereafter, the Selling Debtor Entities' indemnification obligations under the Agreement, if any, would be the sole responsibility of Delphi and then post-reorganization Delphi though the applicable periods set forth in the Agreement. The Inventory Adjustment Escrow Amount would be held by the inventory adjustment escrow agent from the closing until the earlier of (y) 150 days after the closing or (z) the date of any payment provided for in the inventory adjustment provision of the Agreement.

(g) Representations And Warranties. Pursuant to the Agreement, the Selling Debtor Entities would provide representations and warranties relating to the Sale generally standard in a transaction of this type and the Acquired Assets and the Buyer would provide representations and warranties generally standard in a transaction of this type. The representations and warranties of the Selling Debtor Entities would survive for a period of one year following the closing, other than certain warranties related to environmental matters and warranty claims, which would survive for three years following the closing.

(h) Covenants. Between the date of signing the Agreement and the closing, the Selling Debtor Entities would be required to refrain from doing any of the following, among other things, without prior written consent of the Buyer (which consent would not be unreasonably withheld): (i) sell or otherwise dispose of Acquired Assets, excluding sales of tooling to customers, sales of inventory, and sales of receivables to financial institutions or credit collection agencies, in each case in the ordinary course of business, (ii) incur, assume, or guarantee any debt obligation that would become an Assumed Liability, (iii) incur any encumbrance on any material Acquired Assets, in each case other than the Permitted Encumbrances as defined in the Agreement, (iv) increase the cash compensation of any of the Selling Debtor Entities' employees accepting employment with the Buyer (the "Transferred Employees") other than (A) in the ordinary course of business or (B) as required by any agreement in effect as of the date of the Agreement or as required by law, (v) make any material change in the accounting methods or practices followed by the Bearings Business (other than such changes that are required by law, made in conformance with GAAP, or required in connection with the preparation of certain financial statements), (vi) terminate or make any material amendment to a Material Contract, (vii) terminate or make any material amendment to a collective bargaining agreement, (viii) fail to maintain insurance in a manner consistent with the Selling Debtor Entities' past practice, or (ix) agree or commit to do any of the foregoing.

(i) Indemnity. Under the Agreement, the Buyer would be obligated to indemnify the Selling Debtor Entities on account of certain losses resulting from or arising out of any (i) Assumed Liability, (ii) certain future liabilities set forth in the Agreement, (iii) employment rights of any Transferred Employees or any other person employed by the Buyer on or after the closing for any claims relating to or arising from events occurring on or after the closing, and (iv) the Buyer's failure to comply with certain obligations related to employees. The Selling Debtor Entities would be obligated to indemnify the Buyer on account of (i) retained liabilities, (ii) any employment rights of any Transferred Employees or any other person employed by the Selling Debtor Entities prior to the closing for any claims relating to or arising from events occurring prior to the closing, or (iii) the Selling Debtor Entities' breach of certain representations, warranties, or covenants provided in the Agreement. However, the Selling Debtor Entities' indemnification obligations would be limited to indemnification claims that are notified to the Selling Debtor Entities on or before the first anniversary of the closing, except for indemnification claims made with respect to certain environmental matters, which claims would have to be notified to a Seller on or before the third anniversary of the closing. Further, the Selling Debtor Entities would not be obligated to the Buyer for indemnifiable losses until (y) an individual claim exceeds \$10,000.00 and (z) the aggregate amount of indemnifiable losses exceeds \$200,000.00. If the aggregate amount of indemnifiable losses indemnified by the Selling Debtor Entities reaches 7.5% of the Purchase Price, the Selling Debtor Entities would have no further obligations with respect to indemnifiable losses. With respect to environmental matters, (i) the Selling Debtor Entities would indemnify the Buyer for environmental damages arising from pre-closing environmental contamination and pre-closing environmental compliance matters except to the extent exacerbated by the negligent actions of the Buyer, and (ii) the Buyer would indemnify the Selling Debtor Entities for environmental damages arising from post-closing environmental contamination and post-closing environmental compliance matters

except to the extent exacerbated by the negligent actions of the Selling Debtor Entities. With respect to environmental damages arising from circumstances that may be considered both pre- and post-closing, the damages would be allocated between the parties in proportion to the extent that the releases of, or noncompliance underlying, such damages arose pre- or post-closing.

(j) Closing Conditions. In addition to certain other customary closing conditions relating to bankruptcy court approvals and regulatory matters (including certain competition filings), the respective obligations of each party to effect the transactions contemplated by the Agreement would be subject to the satisfaction or waiver of the following conditions: (i) the Buyer's assumption of obligations of existing UAW-Delphi collective bargaining agreements applicable to the Manufacturing Facility, as modified, and (ii) no material adverse effect occurring from the date of the Agreement and be continuing at closing. In addition, the obligation of the Buyer to consummate the transactions contemplated by the Agreement would be subject to the satisfaction, or waiver by the Buyer, at or prior to the closing, of the following conditions: (a) the performance and compliance by the Selling Debtor Entities in all material respects with all agreements and obligations required by the Agreement to be performed or complied with by the Selling Debtor Entities at or prior to the closing, (b) the delivery by the Selling Debtor Entities of duly executed copies of each of the Ancillary Agreements, (c) the Buyer and GM having entered into definitive documentation, including a supply agreement, which meets certain conditions, (d) the Buyer having obtained financing to fund the Purchase Price, the terms of which would be satisfactory to the Buyer in its sole discretion, (e) no material adverse effect occurring and continuing at the closing affecting the Bearings Business, (f) contracts with the top four aftermarket customers of the Bearings Business must contain, as of the closing, terms and conditions consistent with the terms and conditions of such contracts, and (g) all permits, including environmental permits, and other authorizations necessary for the lawful conduct of the Bearings Business having been transferred or reissued, as applicable, to the Buyer if legally required to enable the Buyer to continue the permitted activity, unless the same may be transferred or reissued, as applicable, under applicable law after closing. Finally, the obligation of the Selling Debtor Entities to consummate the transactions contemplated by the Agreement would be subject to the fulfillment at or prior to the closing of the following conditions, which can be waived by the Selling Debtor Entities: (i) the truth and correctness, as of the closing date, of certain representations and warranties of the Buyer contained in the Agreement except where the failure of such representations and warranties to be true and correct would not have a material adverse effect on the Buyer's ability to consummate the transactions contemplated by the Agreement, (ii) the performance and compliance by the Buyer in all material respects with all agreements and obligations required by the Agreement to be performed or complied with at or prior to the closing, and (iii) the delivery by the Buyer of duly executed copies of each of the Ancillary Agreements.

(k) Termination. The Agreement could be terminated prior to closing in the following circumstances: (i) upon mutual written consent of the Selling Debtor Entities and the Buyer, (ii) by either party, provided the terminating party is not in material breach of its obligations under the Agreement, if closing does not occur within 45 days after entry of the

Sale Approval Order for any reason other than failure to obtain regulatory approvals; provided, however, that this period would be automatically extended for an additional 30 days if a Competitive Operating Agreement has been executed by either or both the Buyer and Selling Debtor Entities and the UAW, but has not been fully implemented, (iii) by either party, if the Selling Debtor Entities consummate an Alternative Transaction (defined below), (iv) by either party, provided the terminating party is not in material breach of its obligations under the Agreement, if consummation of the Sale would violate any final non-appealable order of any regulatory governmental entity (other than this Court), (v) by either party, provided the terminating party is not in material breach of its obligations under the Agreement, if this Court has not entered the Sale Approval Order on or before 90 days after the date of the Agreement, or if such Sale Approval Order, as of the date that is 90 days after the date of the Agreement, is subject to a stay or injunction, (vi) by the Buyer upon written notice to the Selling Debtor Entities, provided the Buyer is not in material breach of any of its obligations under the Agreement, if (A) the Selling Debtor Entities have breached or failed to perform any of their obligations under the Agreement or (B) a material adverse effect has occurred, so long as such event is continuing at the time of any such termination and is not reasonably capable of being cured within 45 days after entry of the Sale Approval Order or the date of the Agreement, whichever is earlier, and (vii) by the Selling Debtor Entities, upon written notice to the Buyer and provided that the Selling Debtor Entities are not in material breach of any of their obligations under the Agreement, if the Buyer has breached or failed to perform in any material respect any of its obligations contained in the Agreement, which breach is not cured within 30 days after written notice thereof, or is incapable of being cured by the Buyer.

(l) Break-Up Fee. If the Agreement is terminated under certain circumstances and the Selling Debtor Entities consummate an alternative transaction for the sale of the Bearings Business and the Selling Debtor Entities sell, transfer, lease, or otherwise dispose of all or substantially all of the Bearings Business or the Acquired Assets in a transaction or a series of related transactions with a party other than the Buyer (an "Alternative Transaction"), then the Selling Debtor Entities would, upon consummation of the Alternative Transaction, pay the Buyer \$1.5 million (the "Break-Up Fee"), which is approximately 3.4% of the Purchase Price and the Expense Reimbursements (defined below). Notwithstanding the foregoing, if the Agreement is terminated pursuant to the rights described in paragraph 25(k)(ii) above, and the Selling Debtor Entities enter into an Alternative Transaction with GM pursuant to the UAW-Delphi-GM Memorandum of Understanding – Delphi Restructuring, dated June 22, 2007, then in certain circumstances, the Selling Debtor Entities would pay the Buyer the Break-Up Fee and Expense Reimbursement (as defined below). The Break-Up Fee, however, would not be paid if closing does not occur because the Buyer fails to secure financing.

(m) Expense Reimbursement. If the Agreement is terminated for any reason other than (i) by mutual consent or (ii) consummation would violate competition or other government regulations then, subject to certain exceptions, the Selling Debtor Entities would be required to reimburse the Buyer's reasonable, actual out-of-pocket fees and expenses incurred in connection with the investigation or negotiation of the transactions contemplated

by the Agreement (the "Expense Reimbursement"), provided that the Buyer is not then in breach of the Agreement or the Bidding Procedures. The Expense Reimbursement would be immediately earned upon termination and payable promptly after invoiced by the Buyer, except that if the Selling Debtor Entities in good faith believed that the amount of the Expense Reimbursement sought was not reasonable, then the Selling Debtor Entities would have the right to seek the review of this Court before paying such amount. If the Buyer would become entitled to the Break-Up Fee and/or the Expense Reimbursement, then the Break-Up Fee and/or the Expense Reimbursement would be the sole remedy of the Buyer for the breach by the Selling Debtor Entities of the terms of the Agreement or the Deposit Escrow Agreement.

(n) Transfer Taxes. The Selling Debtor Entities and the Buyer would use commercially reasonable efforts and cooperate in good faith to exempt the Sale from any sales taxes, documentary and stamp taxes, transfer, documentary, sales, use, registration, recording, stamp, use, gross receipts, excise, value-added, and other such taxes and related fees ("Transfer Taxes") as may be payable in connection with the Sale. In the event that an exemption(s) is unavailable, the Buyer would be liable for and pay all Transfer Taxes arising out of or incurred in connection with the Agreement.

I. Workforce Provisions

26. As of the closing, the Buyer would offer employment to all of the Selling Debtor Entities' active employees related to the Bearings Business, including both hourly and salaried employees. Salaried employees would be offered compensation and benefits that are substantially comparable in the aggregate to the compensation and benefits offered prior to closing. Prior to tendering such offers to salaried employees, the Buyer would provide the Selling Debtors Entities information to satisfy the Selling Debtor Entities that this "substantially comparable in the aggregate" requirement is met, which satisfaction would not be unreasonably withheld. If not met, the Buyer would have the opportunity to cure any deficiency. The Buyer would maintain this requisite level of compensation and benefits for a minimum of one year from the closing.

27. The significant terms of the Agreement, with respect to hourly or salaried employees, as applicable, are as follows:¹⁷

(a) Collective Bargaining Agreements. Unless the Buyer is otherwise able to negotiate a new collective bargaining agreement with the UAW prior to closing, the Buyer would assume the terms and conditions of all of the UAW-Delphi collective bargaining agreements applicable at the Manufacturing Facility, as the same may be modified by (i) proceedings in this Court, (ii) agreement between the Selling Debtor Entities and the UAW or an approved plan of reorganization in these chapter 11 cases, and (iii) a memorandum of understanding between Delphi and the UAW regarding the effects of the sale upon bargain unit members (the "Effects MOU"). The parties would agree that the Agreement would be, to the extent possible, interpreted in a manner consistent with the Effects MOU and that, to the extent the Effects MOU is inconsistent with the Agreement, the terms of the MOU would control. The Buyer would recognize the seniority status of employees employed in accordance with a collective bargaining agreement for all purposes of continued employment with the Buyer.

(b) Inactive Employees. Employees not active as of the closing due to disability, family medical leave, or other approved leaves of absence (the "Inactive Employees") would remain the Selling Debtor Entities' responsibility until the Inactive Employees returned to active employment in accordance with the Selling Debtor Entities' leave policies or collective bargaining agreement, as applicable. When an Inactive Employee is ready to return to work, the Buyer would offer employment to such Inactive Employee.

(c) Employee Benefit Plans. All employees transferred to the Buyer as of the closing, and such employees' dependents and beneficiaries, would cease to participate in and be eligible for benefits under the Selling Debtor Entities' benefit plans, but would commence participation in and become eligible for benefits under the Buyer's employee benefits plans. Inactive Employees who would become employees of the Buyer, and their dependents and beneficiaries, would cease to participate in and be eligible for benefits under the Selling Debtor Entities' benefit plans as of the date on which such Inactive Employee became an employee of the Buyer. The Buyer would recognize an employee's pre-closing credit service with the Selling Debtor Entities for eligibility and vesting purposes but not benefit accrual purposes with respect to the Buyer's employee benefit plans. In no case would credited service be recognized if such recognition would cause a duplication of compensation or benefits as between the Selling Debtor Entities and the Buyer.

(d) COBRA. The Selling Debtor Entities would retain responsibility for all liabilities for claims of employees transferred to the Buyer related to compliance with the requirements of continuation coverage under certain sections of the Internal Revenue Code and ERISA.

¹⁷ Potential bidders should note that Section 6.7 of the Agreement addresses, among other things, the terms and conditions of employment of UAW-represented employees, and these issues remain subject to the parties' rights and obligations related to bargaining with the UAW.

(e) Workers' Compensation. The Selling Debtor Entities would retain responsibility for all liabilities for workers' compensation related to injuries or illnesses incurred prior to the closing and the Buyer would assume such responsibility related to injuries or illnesses incurred on or after the closing.

J. Bidding Procedures

28. The Sale of the Bearings Business would be subject to higher or otherwise better offers pursuant to the Bidding Procedures. The Selling Debtor Entities believe that the proposed structure of the Bidding Procedures is the one most likely to maximize the realizable value of the Bearings Business for the benefit of the Selling Debtor Entities, their estates, their stakeholders, and other interested parties. Accordingly, the Selling Debtor Entities seek approval of the Bidding Procedures for the Sale of the Bearings Business.

29. The Bidding Procedures describe, among other things, the assets available for sale, the manner in which bidders and bids become "qualified," the coordination of diligence efforts among bidders, the receipt and negotiation of bids received, the conduct of any subsequent Auction (as defined below), the ultimate selection of the Successful Bidder(s), and this Court's approval thereof (collectively, the "Bidding Process").

30. The proposed Bidding Procedures attached hereto as Exhibit A provide, in relevant part, as follows:¹⁸

(a) Participation Requirements: To ensure that only bidders with financial ability and a serious interest in the purchase of the Acquired Assets participate in the Bidding Process, the Bidding Procedures provide for certain requirements for a potential bidder to become a "Qualified Bidder": (i) executing a confidentiality agreement in form and substance satisfactory to the Selling Debtor Entities, (ii) providing the Selling Debtor Entities with certain financial assurances, including current audited financial statements or such other form of financial disclosure and credit-quality support or enhancement acceptable to the Selling Debtor Entities and their financial advisors as to such bidder's ability to close, and (iii) submitting a preliminary (non-binding) written proposal reflecting (A) the purchase price

¹⁸ In the event of any conflict between the Bidding Procedures and this summary of the Bidding Procedures, the provisions of the Bidding Procedures control. Capitalized terms used but not otherwise defined in this summary have the meanings ascribed to them in the Bidding Procedures.

range, (B) any assets and/or equity interests expected to be excluded, (C) the structure and financing of the transaction, (D) any anticipated regulatory approvals, (E) the anticipated time frame and any anticipated impediments to obtaining such approvals, (F) any additional conditions to closing the qualified bidder may wish to impose, and (G) the nature and extent of any due diligence the qualified bidder may wish to conduct and the date by which such due diligence would be completed.

(b) Due Diligence: All Qualified Bidders would be afforded an opportunity to participate in the diligence process. The Selling Debtor Entities would coordinate the diligence process and provide due diligence access and additional information as reasonably requested by any Qualified Bidders. Except as otherwise stated in the Agreement, due diligence would not continue after the Bid Deadline (defined below).

(c) Bid Deadline: All bids would have to be received not later than 11:00 a.m. (prevailing Eastern time) by February 11, 2008 (the "Bid Deadline"). The Selling Debtor Entities could extend the Bid Deadline once or successively, but would not be obligated to do so. The Selling Debtor Entities would also provide the UAW with notice of all Qualified Bidders and their contact information.

(d) Bid Requirements: All bids would be required to include the following documents: (i) a letter stating that the bidder's offer would be irrevocable for the period set forth in the Bidding Procedures, (ii) an executed copy of the Agreement, together with all schedules, marked to show amendments and modifications to the agreement, purchase price, and proposed schedules, (iii) a good faith deposit in the amount of \$750,000, and (iv) satisfactory written evidence of a commitment for financing or other ability to consummate the proposed transaction.

(e) Qualified Bids: To be deemed a "Qualified Bid," a bid would be required to be received by the Bid Deadline and, among other things, would be required to (i) be on terms and conditions (other than the amount of the consideration and the particular liabilities being assumed) that are substantially similar to, and are not materially more burdensome or conditional to the Selling Debtor Entities than, those contained in the Agreement, (ii) have a value of the Purchase Price plus the amount of the Break-Up Fee and the Expense Reimbursement, plus \$500,000 in the case of an initial Qualified Bid, plus \$250,000 in the case of any subsequent Qualified Bids over the immediately preceding highest Qualified Bid, (iii) not be contingent on obtaining financing or the outcome of unperformed due diligence, (iv) not be conditioned on bid protections, other than the bidding increments contemplated in the Bidding Procedures, (v) contain acknowledgements and representations that the bidder (A) has had an opportunity to conduct any and all due diligence regarding the Acquired Assets prior to making its offer, (B) has relied solely upon its own independent review, investigation, and/or inspection of any documents and/or the Acquired Assets in making its bid, and (C) did not rely upon any written or oral statements, representations, promises, warranties, or guaranties whatsoever, whether express, implied, by operation of law, or otherwise, regarding the Acquired Assets, or the completeness of any information provided in connection therewith or the Auction, except as expressly stated in the Agreement or the marked agreement, (vi) include a commitment to consummate the purchase of the Acquired Assets within not more than 15 days after entry of the Sale

Approval Order, subject to the receipt of any governmental approvals, which would have to be obtained 60 days after entry of such order, and (vii) be received by the Bid Deadline. The Selling Debtor Entities would retain the sole right to deem a bid a Qualified Bid even if such bid does not conform to one or more of the bid requirements described herein.

Notwithstanding the foregoing, the Buyer would be deemed a Qualified Bidder, and the Agreement would be deemed a Qualified Bid, for all purposes in connection with the bidding process, the Auction, and the Sale. A Qualified Bid would be valued based upon factors such as the net value provided by such bid and the likelihood and timing of consummating such transaction. Each Qualified Bid other than the Agreement would be referred to as a "Subsequent Bid."

(f) Conduct Of Auction: If the Selling Debtor Entities receive at least one Qualified Bid in addition to that of the Buyer, they would conduct an auction (the "Auction") of the Acquired Assets at 10:00 a.m. (prevailing Eastern time) on February 13, 2008 or such later time as the Selling Debtor Entities notify all Qualified Bidders who have submitted Qualified Bids in accordance with the procedures outlined in the Bidding Procedures, which include: (i) attendance at the Auction would be limited to specified parties as outlined in the Bidding Procedures, (ii) at least one Business Days prior to the Auction, each Qualified Bidder with a Qualified Bid would inform the Selling Debtor Entities whether it intends to participate in the Auction and at least one Business Day prior to the Auction, the Selling Debtor Entities would provide such bidders with copies of the Qualified Bid which the Selling Debtor Entities then believe would be the highest or otherwise best offer for the Acquired Assets, (iii) all Qualified Bidders would be entitled to be present for all Subsequent Bids, (iv) the Selling Debtor Entities would be able to employ and announce at the Auction additional procedural rules that are reasonable under the circumstances (e.g., the amount of time allotted to make Subsequent Bids) for conducting the Auction, provided that such rules are not inconsistent with the Bidding Procedures, the Bankruptcy Code, or any order of this Court entered in connection with the Sale, and (v) bidding at the Auction would begin with the highest or otherwise best Qualified Bid, continue in minimum increments of at least \$250,000 higher than the previous bid or bids, and conclude after each participating bidder has had the opportunity to submit one or more additional Subsequent Bids.

(g) Selection Of Successful Bid: As soon as practicable after the conclusion of the Auction, the Selling Debtor Entities, in consultation with their advisors, would review each Qualified Bid and identify the highest or otherwise best offer for the Acquired Assets (the "Successful Bid") and the bidder making such bid (the "Successful Bidder"). The Selling Debtor Entities would sell the Acquired Assets for the highest or otherwise best Qualified Bid to the Successful Bidder upon the approval of such Qualified Bid by this Court after the Sale Hearing.

(h) Sale Hearing: The Selling Debtor Entities request that the Sale Hearing be scheduled for February 21, 2008 at 10:00 a.m. (prevailing Eastern time) and that the Sale Hearing could be adjourned or rescheduled in the Selling Debtor Entities' sole discretion, subject to this Court's approval as necessary, without notice other than by an

announcement of the adjourned date at the Sale Hearing.¹⁹ If no Qualified Bid other than that of the Buyer is received, the Selling Debtor Entities would proceed with the sale of the Acquired Assets to the Buyer following entry of the Sale Approval Order. If the Selling Debtor Entities receive additional Qualified Bids, then at the Sale Hearing, the Selling Debtor Entities could seek approval of the Successful Bid, as well as the second highest or best Qualified Bid (the "Alternate Bid," and such bidder, the "Alternate Bidder"). A bid would not be deemed accepted by the Selling Debtor Entities unless and until approved by this Court. Following approval of the sale to the Successful Bidder, if the Successful Bidder fails to consummate the sale for specified reasons, then the Alternate Bid would be deemed to be the Successful Bid and the Selling Debtor Entities would be permitted to effectuate a sale to the Alternate Bidder without further order of this Court.

(i) Return Of Good Faith Deposits: Good faith deposits of all Qualified Bidders (except for the Successful Bidder) would be held in an interest-bearing escrow account and all Qualified Bids would remain open until two business days following the closing of the Sale (the "Return Date"). Notwithstanding the foregoing, the good faith deposit submitted by the Successful Bidder, together with interest thereon, would be applied against the payment of the purchase price upon closing of the Sale to the Successful Bidder. If a Successful Bidder breaches its obligations under the Bidding Procedures Order or any agreement entered into with respect to its Successful Bid or fails to consummate a sale because of a breach or failure to perform on the part of such Successful Bidder, the Selling Debtor Entities would not have any obligation to return the Good Faith Deposit deposited by such Successful Bidder, and such Good Faith Deposit would irrevocably become property of the Selling Debtor Entities. On the Return Date, the Selling Debtor Entities would return the Good Faith Deposits of all other Qualified Bidders, together with the accrued interest thereon.

(j) Reservation Of Rights: The Selling Debtor Entities, after consultation with the agents for its secured lenders' and the Creditors' Committee, would be permitted to (i) determine which Qualified Bid, if any, is the highest or otherwise best offer and (ii) reject, at any time, any bid (other than the Buyer's initial bid) that is (A) inadequate or insufficient, (B) not in conformity with the requirements of the Bankruptcy Code, the Bidding Procedures, or the terms and conditions of the Sale, or (C) contrary to the best interests of the Selling Debtor Entities, their estates, and their stakeholders as determined by the Selling Debtor Entities in their sole discretion.

K. Bid Protections

31. At various times over the course of the last seven months, the Buyer has expended, and likely would continue to expend, considerable time, money, and energy pursuing the purchase of the Bearings Business. Moreover, the Buyer has engaged in extended

¹⁹ The Sale Hearing would be set for a date at least six business days after the Auction. The Selling Debtor Entities will notify parties-in-interest of the Sale Hearing Date under the Notice Procedures described herein.

arm's length and good faith negotiations regarding a possible sale. The Buyer is not an "insider" of any of the Debtors as that term is defined in section 101(31) of the Bankruptcy Code. The Agreement is the culmination of these efforts.

32. In recognition of this expenditure of time, energy, and resources, the Selling Debtor Entities have agreed to provide certain bid protections to the Buyer (the "Bid Protections"). Specifically, the Agreement provides for, and the Selling Debtor Entities respectfully request that this Court approve, a Break-Up Fee payable by the Selling Debtor Entities to the Buyer in the amount of \$1.5 million (which is approximately 3.4% of the Purchase Price) if (i) the Selling Debtor Entities terminate the Agreement to consummate an Alternative Transaction or consummate such Alternative Transaction or (ii) in certain circumstances, the Agreement is terminated pursuant to the rights described in paragraph 25(k)(ii) above, and the Selling Debtor Entities enter into an Alternative Transaction with GM pursuant to the UAW-Delphi-GM Memorandum of Understanding – Delphi Restructuring, dated June 22, 2007.

33. In addition, the Selling Debtor Entities respectfully request this Court's approval of the term in the Agreement providing for reimbursement of the Buyer's reasonable, actual out-of-pocket fees and expenses incurred in connection with the transactions contemplated by the Agreement under certain circumstances.

34. If the Buyer becomes entitled to receive any Break-Up Fee and/or Expense Reimbursement, then such Break-Up Fee and/or Expense Reimbursement would be the sole and exclusive remedy of the Buyer, whether at law or in equity, for any breach by Delphi or any of its affiliates of the terms and conditions of the Agreement or the Deposit Escrow Agreement.

35. The Bid Protections were a material inducement for, and a condition of, the Buyer's entry into the Agreement. The Selling Debtor Entities believe that the Bid Protections are fair and reasonable in view of (a) the intensive analysis, due diligence investigation, and negotiation undertaken by the Buyer in connection with the Sale and (b) the fact that the Buyer's efforts have increased the chances that the Selling Debtor Entities would receive the highest or otherwise best offer for the Acquired Assets.

36. The Buyer is unwilling to commit to hold open its offer to purchase the Acquired Assets under the terms of the Agreement without the approval of the Bid Protections and the Bidding Procedures Order. Thus, absent entry of the Bidding Procedures Order and approval of the Bid Protections, the Selling Debtor Entities would lose the opportunity to obtain what they believe to be the highest and best offer for the Acquired Assets.

37. Moreover, payment of the Break-Up Fee would not diminish the Selling Debtor Entities' estates. The Selling Debtor Entities would not expect to pay the Break-Up Fee unless they do so to accept an alternative Successful Bid, which must exceed the price offered by the Buyer by an amount sufficient to pay the Break-Up Fee. The Expense Reimbursement is a necessary cost of obtaining a binding commitment from the Buyer for the sale of the Bearings Business. The Selling Debtor Entities thus request that this Court authorize payment of the Bid Protections pursuant to the terms and conditions of the Agreement.

L. Assumption And Assignment Of Contracts

38. The Selling Debtor Entities seek authority under section 365 of the Bankruptcy Code to assume and assign the Assumed Contracts to the Buyer or the Successful Bidder, as the case may be. The approximate cost to cure the Assumed Contracts related to the Bearings Business is \$4.43 million. Pursuant to the Solicitation Procedures Order, each non-Debtor part to an Assumed Contract already has received a cure notice (the "Plan Cure

Notice"). The Plan Cure Notice stated, with respect to the Assumed Contract, the cure amount that the Debtors believe is necessary to assume such contract or lease pursuant to section 365 of the Bankruptcy Code (the "Cure Amount"). The Plan Cure Notice provided parties to the Assumed Contracts an opportunity to object to the Cure Amount, and notified each party that such party's lease or contract will be assumed under the Plan. Thus, unless the Selling Debtor Entities and the non-Debtor party to an Assumed Contract agree otherwise to the Cure Amount or the Cure Amount is otherwise resolved in accordance with the Solicitation Procedures Order, the Cure Amounts listed on the Plan Cure Notices control the amounts required to cure all defaults under the Assumed Contracts in connection with the Sale. In connection with the proposed Sale, the Selling Debtor Entities also seek authority under section 363 of the Bankruptcy Code to assign the Postpetition Contracts to the Buyer or the Successful Bidder, as the case may be. There are no past due obligations under the Postpetition Contracts.

39. In addition, at least 20 days prior to the Sale Hearing, the Selling Debtor Entities propose to file with this Court and serve on each non-Debtor party to an Assigned Contract a notice substantially in the form attached hereto as Exhibit E (the "Purchaser Assumption/Assignment Notice"). The Purchaser Assumption/Assignment Notice would identify the Buyer as the party that would be assigned all of the Selling Debtor Entities' right, title, and interest in the Assigned Contracts, subject to completion of the bidding process provided under the Bidding Procedures.²⁰ Non-Debtor parties to any Assumed Contract would be required to file an objection to the assumption and/or assignment of the Assumed Contract within ten days of service of the Purchaser Assumption/Assignment Notice, and such parties

²⁰ The Selling Debtor Entities propose to serve the Purchaser Assumption/Assignment Notice and the Qualified Bidder Assumption/Assignment Notice (as defined below) upon each non-Debtor counterparty to the Postpetition Contracts as a means of fulfilling any requirement under the applicable contract to provide notice of assignment.

would be required to state, with specificity, the legal and factual basis of their objection, unless otherwise ordered by this Court.

40. At least 20 days prior to the Sale Hearing or on the business day following the Bid Deadline, whichever is later, the Selling Debtor Entities propose to send a notice (the "Qualified Bidder Assumption/Assignment Notice"), substantially in the form attached hereto as Exhibit F, to each non-Debtor party to an Assigned Contract identifying any Qualified Bidders as potential parties to which the Assigned Contracts would be assigned. The Qualified Bidder Assumption/Assignment Notice would give the Selling Debtor Entities the ability to address promptly any adequate assurance issues that contract parties may have with any of the Qualified Bidders. Non-Debtor counterparties to any Assumed Contract would be required to file an objection to the assumption and/or assignment of the Assumed Contract within ten days from the service of the Qualified Bidder Assumption/Assignment Notice, and such parties would be required to state, with specificity, the legal and factual basis of its objection, unless otherwise ordered by this Court.

M. Notice Of Sale Hearing

41. Within five days after entry of the Bidding Procedures Order (the "Mailing Date"), the Selling Debtor Entities (or their agent) propose to serve the Motion, the Agreement, the proposed Sale Approval Order, the Bidding Procedures, and a copy of the Bidding Procedures Order by first-class mail, postage prepaid, upon (i) the U.S. Trustee, (ii) counsel for the Buyer, (iii) counsel for the Creditors' Committee, (iv) counsel for the Equity Committee, (v) all entities known to have expressed an interest in a transaction with respect to

the Acquired Assets during the past six months,²¹ (vi) all entities known to have asserted any lien, claim, interest, or encumbrance in or upon the Acquired Assets, (vii) all federal, state, and local regulatory or taxing authorities or recording offices, including but not limited to environmental regulatory authorities, which have a reasonably known interest in the relief requested by the Motion, (viii) all parties to Assigned Contracts, (ix) the United States Attorney's office, (x) the United States Department of Justice, (xi) the Securities and Exchange Commission, (xii) the Internal Revenue Service, (xiii) all entities on the Master Service List (as defined by the Supplemental Order Under 11 U.S.C. §§ 102(1) And 105 And Fed. R. Bankr. P. 2002(m), 9006, 9007, And 9014 Establishing Omnibus Hearing Dates And Certain Notice, Case Management, And Administrative Procedures (Docket No. 2883) (the "Supplemental Case Management Order")), and (xiv) such other entities as are required to be served with notices under the Supplemental Case Management Order.

N. Publication Notice

42. The Selling Debtor Entities also propose, pursuant to Fed. R. Bankr. P. 2002(l) and 2002(d), that publication of a notice of the Sale in a form substantially similar to the form annexed hereto as Exhibit G in the Wall Street Journal, the New York Times, and the Sandusky Register by the Mailing Date or as soon as practicable thereafter, be deemed proper notice to any other interested parties whose identities are unknown to the Selling Debtor Entities.

²¹ All such entities would be served by electronic mail, in addition to overnight mail, to the extent the Debtors have electronic mail addresses for such parties.

Applicable Authority

O. Approval Of Bidding Procedures

43. Bankruptcy Code section 363(b)(1) permits a debtor-in-possession to use property of the estate "other than in the ordinary course of business" after notice and a hearing. 11 U.S.C. § 363(b)(1). Uses of estate property outside the ordinary course of business may be authorized if the debtor demonstrates a sound business justification for it. See Comm. of Equity Sec. Holders v. Lionel Corp. (In re Lionel Corp.), 722 F.2d 1063, 1071 (2d Cir. 1983) (business judgment rule requires finding that good business reason exists to grant debtor's application under section 363(b)); see also In re Delaware & Hudson Ry. Co., 124 B.R. 169, 178-179 (D. Del. 1991).

44. The Second Circuit has held that, although the bankruptcy court sits as an "overseer of the wisdom with which the bankruptcy estate's property is being managed by the . . . debtor-in-possession," it must nevertheless resist becoming "arbiter of disputes between creditors and the estate." Orion Pictures Corp. v. Showtime Networks, Inc. (In re Orion Pictures Corp.), 4 F.3d 1095, 1099 (2d Cir. 1993). This Court's consideration of a debtor's section 363(b) motion is a "summary proceeding," intended merely as a means "to efficiently review the . . . debtor's decision[s] . . . in the course of the swift administration of the bankruptcy estate. It is not the time or place for prolonged discovery or a lengthy trial with disputed issues." Id. at 1098-99.

45. Once the debtor articulates a valid business justification, a presumption arises that "in making a business decision the directors of a corporation acted on an informed basis, in good faith and in the honest belief that the action taken was in the best interests of the company." Official Comm. of Subordinated Bondholders v. Integrated Res., Inc. (In re Integrated Res.), 147 B.R. 650, 656 (S.D.N.Y. 1992)(citations omitted). Thereafter, "[p]arties

opposing the proposed exercise of a debtor's business judgment have the burden of rebutting the presumption of validity." Id. To satisfy its burden, it is not enough for an objector simply to raise and argue an objection. Rather, an objector "is required to produce some evidence respecting its objections." Lionel Corp., 722 F.2d at 1071.

46. As a rule, the debtor's business judgment "should be approved by the court unless it is shown to be "so manifestly unreasonable that it could not be based upon sound business judgment, but only on bad faith, or whim or caprice." In re Aerovox, Inc., 269 B.R. 74, 80 (Bankr. D. Mass. 2001) (citations omitted).

47. As set forth above, the Selling Debtor Entities have sound business justifications for pursuing a sale process at this time. Although the Selling Debtor Entities believe that the Bearings Business is fundamentally strong, the Bearings Business does not fit the Debtors' anticipated product portfolio under their transformation plan. Thus, the Selling Debtor Entities have determined that the Bearings Business' value would be maximized through its divestiture. Moreover, delaying the sale of the Acquired Assets may result in the erosion of the Bearings Business' value. Accordingly, there is a sound business purpose for pursuing the sale process promptly and in accordance with the Bidding Procedures.

48. Moreover, a prospective purchaser of assets from a chapter 11 debtor may be reluctant to make an offer because it knows that even if it reaches agreement with the debtor, its offer will be subject to a higher bid by another party. Pre-approved bidding procedures address these concerns by assuring initial bidders that any auction procedure would be reasonable. Thus, the Selling Debtor Entities submit that the use of the Bidding Procedures also reflects sound business judgment.

P. Approval Of The Bid Protections

49. Bidding incentives encourage potential bidders to invest the requisite time, money, and effort to negotiate with a debtor and perform the necessary due diligence attendant to the acquisition of a debtor's assets, despite the inherent risks and uncertainties of the chapter 11 process. See, e.g., In re 995 Fifth Ave. Assocs., L.P., 96 B.R. 24, 28 (Bankr. S.D.N.Y. 1989) (bidding incentives may "be legitimately necessary to convince a white knight to enter the bidding by providing some form of compensation for the risks it is undertaking") (citation omitted). Bankruptcy courts often approve bidding incentives under the business judgment rule. See In re Global Crossing Ltd., 295 B.R. 726, 744 (Bankr. S.D.N.Y. 2003) ("[N]o litigant has seriously argued the inapplicability of the business judgment test, and if any such argument had been made, the Court would be compelled . . . to reject it."); United States Trustee v. Bethlehem Steel Corp. (In re Bethlehem Steel Corp.), No. 02 Civ. 2854, 2003 WL 21738964, at *8 n.13 (S.D.N.Y. July 28, 2003) (the court should approve agreements providing bidding incentives "unless they are unreasonable or appear more likely to chill the bidding process than to enhance it"). One court, explaining the force of the business judgment rule in this context, stated that "the business judgment rule does not become inapplicable simply because a court decides a break-up fee is too large." Integrated Resources, 147 B.R. at 660.

50. This district has established a three-part test for determining when to permit bidding incentives. Id. at 657-58. The three questions for a court to consider when assessing a break-up fee are: "(1) is the relationship of the parties who negotiated the break-up fee tainted by self-dealing or manipulation; (2) does the fee hamper, rather than encourage, bidding; and (3) is the amount of the fee unreasonable relative to the proposed purchase price." Id. at 657.

51. Here, the Selling Debtor Entities seek authority to utilize the Bidding Process and Bid Protections in the event that the Buyer is not ultimately the Successful Bidder or must increase the Buyer's bid price to become the Successful Bidder. The Bid Protections are fair and reasonable in amount, particularly in view of the efforts previously made and to be made by the Buyer and the risk to the Buyer of being used as a stalking horse. Moreover, the maximum payment under the proposed Bid Protections – the \$1.5 million Break-Up Fee (approximately 3.4% of the Preliminary Purchase Price) – not only constitutes a fair and reasonable percentage of a proposed purchase price, but is within the range that is customary for similar transactions of this type in the bankruptcy context. See, e.g., In re Allegiance Telecom, Inc., Case No. 03-13057 (RDD) (Bankr. S.D.N.Y. 2004) (allowing 2.8% break-up fee and expense reimbursement provision in asset sale agreement); In re Enron Corp., Case No. 01-16034 (AJG) (Bankr. S.D.N.Y. 2004) (approving 3% break-up fee if debtor closed superior transaction); In re Genuity Inc., Case No. 02-43558 (PCB)(Bankr. S.D.N.Y. 2002) (allowing 4.13% break-up fee if court approved alternative transaction); In re PSINet, Inc., Case No. 01-13213 (REG) (Bankr. S.D.N.Y. 2001) (permitting 4.28% break-up fee in the event that seller consummated transaction with alternative bidder); In re Teligent, Inc., Case No. 01-12974 (SMB) (Bankr. S.D.N.Y. 2001) (allowing break up fee ranging from 1.3% to 4.25% depending on value of alternative transaction). In addition, the payment of the Break-Up Fee or the Expense Reimbursement, as the case may be, is reasonable in light of the significant investment in time and resources that the Buyer would have contributed as the stalking horse bidder.

52. The Selling Debtor Entities submit that the Bidding Procedures and the Bid Protections have encouraged competitive bidding because the Buyer would not have

entered into the Agreement without such provisions. The Bidding Procedures and the Bid Protections have thus induced a bid that otherwise would not have been made. Finally, the mere existence of the Bidding Procedures and Bid Protections permits the Selling Debtor Entities to insist that competing bids be materially higher or otherwise better than the Agreement, which would produce a clear benefit to the Selling Debtor Entities, their estates, and their stakeholders.

Q. Sale Of The Acquired Assets Free And Clear Of Liens, Claims, Encumbrances, And Interests

53. Under section 363(f) of the Bankruptcy Code, a debtor-in-possession may sell property free and clear of any lien, claim, or interest in such property if, among other things:

- (1) applicable nonbankruptcy law permits sale of such property free and clear of such interest;
- (2) such entity consents;
- (3) such interest is a lien and the price at which such property is sold is greater than the aggregate value of all liens on such property;
- (4) such interest is in bona fide dispute; or
- (5) such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.

11 U.S.C. § 363(f).

54. Here, section 363(f) of the Bankruptcy Code permits the Selling Debtor Entities to sell the Acquired Assets free and clear of all liens, claims (including successor liability claims), and encumbrances, other than the Permitted Encumbrances. See, e.g., In re Trans World Airlines, Inc., No. 01-0056, 2001 WL 1820325, at *5 (Bankr. D. Del. Mar. 27, 2001) ("Authorizing the sale [of debtor's assets] free and clear of . . . successor liability claims achieves the purpose of [Bankruptcy Code] section 363 intended by Congress."), aff'd, 332

F.3d 283 (3d Cir. 2003). This Court and other courts in the Second Circuit have approved sale approval orders authorizing the sale of assets free and clear of all interests and claims, including successor liability claims. See In re Refco, Inc., Case No. 05-60006 (Nov. 15, 2006) (authorizing certain debtors to sell customer lists free and clear of interests and claims, including successor liability claims); In re Refco, Inc., Case No. 05-60006 (Nov. 14, 2005) (authorizing debtors to sell the regulated commodities futures merchant business free and clear of interests and claims, including successor liability claims); In re PSINet Inc., Case No. 01-13213 (Jan. 15, 2002) (authorizing debtors to sell certain shares free and clear of liens and claims, including claims otherwise arising under doctrines of successor liability). Because the Buyer is not a successor to the Selling Debtor Entities, successor liability claims should not follow the Purchased Assets.

55. Excluding Permitted Encumbrances, each lien, claim, or encumbrance that is not the result of an assumed liability satisfies at least one of the five conditions of section 363(f), and the Selling Debtor Entities submit that any such lien, claim, or encumbrance would be adequately protected by attachment to the net proceeds of the Sale, subject to any claims and defenses that the Selling Debtor Entities may possess with respect thereto. Accordingly, except for the liens resulting from the Assumed Liabilities or the Permitted Encumbrances, the Selling Debtor Entities request that the Acquired Assets be transferred to the Successful Bidder(s) free and clear of all liens, claims, and encumbrances, with such liens, claims, and encumbrances to attach to the proceeds of the Sale of the Acquired Assets.

R. The Buyer Is A Good Faith Purchasers Pursuant To
Section 363(m) Of The Bankruptcy Code And The Transaction
Contemplated By The Agreement Should Carry The
Protections Of Section 363(n) Of The Bankruptcy Code

56. Section 363(m) of the Bankruptcy Code provides:

The reversal or modification on appeal of an authorization under subsection (b) or (c) of this section of a sale or lease of property does not affect the validity of a sale or lease under such authorization to an entity that purchased or leased such property in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and such sale or lease were stayed pending appeal.

11 U.S.C. § 363(m). Although the Bankruptcy Code does not define "good faith," the Second Circuit Court of Appeals in In re Gucci has held that the:

good faith of a purchaser is shown by the integrity of his conduct during the course of the sale proceedings; where there is a lack of such integrity, a good faith finding may not be made. A purchaser's good faith is lost by "fraud, collusion between the purchaser and other bidders or the trustee, or an attempt to take grossly unfair advantage of other bidders."

Licensing by Paolo, Inc. v. Sinatra (In re Gucci), 126 F.3d 380, 390 (2d. Cir. 1997) (quoting In re Rock Indus. Mach. Corp., 572 F.2d 1195, 1198 (7th Cir. 1978) (interpreting former Bankruptcy Rule 805, the precursor of section 363(m))); see also Evergreen Int'l Airlines Inc. v. Pan Am Corp. (In re Pan Am Corp.), No. 91 Civ. 8319, 1992 WL 154200, at *4 (S.D.N.Y. June 18, 1992); In re Sasson Jeans, Inc., 90 B.R. 608, 610 (S.D.N.Y. 1988).

57. Section 363(n) of the Bankruptcy Code further provides, in relevant part, that:

The trustee may avoid a sale under this section if the sale price was controlled by an agreement among potential bidders at such sale, or may recover from a party to such agreement any amount by which the value of the property sold exceeds the price at which such sale was consummated, and may recover any costs, attorneys' fees, or expenses incurred in avoiding such sale or recovering such amount.

11 U.S.C. § 363(n).

58. The Selling Debtor Entities submit, and will present evidence at the Sale Hearing, that the Agreement reflects an intensely negotiated, arm's length transaction. Throughout the negotiations, the Buyer has at all times acted in good faith. Moreover, to the extent that the Acquired Assets are sold to a Successful Bidder, it will be because of a well planned competitive process and intense negotiations at arm's length to be conducted at an Auction. As a result of the foregoing, the Selling Debtor Entities request that the court make a finding that the Purchase Price to be paid by the Buyer constitutes reasonably equivalent value and fair consideration under any applicable law and that the Buyer or the Successful Bidder, as the case may be, has purchased the Acquired Assets and assumed the Assigned Contracts and Assumed Liabilities in good faith within the meaning of section 363(m) of the Bankruptcy Code. Because a key element of a good faith finding is that the Buyer's successful bid is not the product of fraud or collusion between the purchaser and other bidders or the trustee, or an attempt to take grossly unfair advantage of other bidders, the Selling Debtor Entities further request that this Court make a finding that the transactions contemplated by the Agreement are not avoidable under section 363(n) of the Bankruptcy Code.

S. Relief From Transfer Taxes Under Section 1146(c) Of the Bankruptcy Code

59. Bankruptcy Code section 1146(c) provides that "[t]he issuance, transfer, or exchange of a security, or the making or delivery of an instrument of transfer under a plan confirmed under section 1129 of this title, may not be taxed under any law imposing a stamp tax or similar tax." 11 U.S.C. § 1146(c). This language has been construed to include transfers pursuant to a sale outside of, but in furtherance of effectuating, a reorganization plan. See City of New York v. Jacoby-Bender, Inc. (In re Jacoby-Bender, Inc.), 758 F.2d 840, 842 (2d Cir. 1985) (holding that when transfer is necessary to consummation of plan, transfer is "under a plan" within meaning of section 1146(c)); In re United Press Int'l, Inc., No. 91 B 13955, 1992

Bankr. LEXIS 842, at *4 (Bankr. S.D.N.Y. May 18, 1992) (holding that section 1146(c) exemption applied to section 363 sale in instance in which it found "the value of the Debtor's assets . . . likely to deteriorate [during] time necessary to . . . confirm a plan"); In re Beulah Church of God In Christ Jesus, Inc., 316 B.R. 41, 50-51 (Bankr. S.D.N.Y. 2004) (stating that determination of applicability of section 1146(c) exemption depends on whether transfers are in view of, and integral to, a Chapter 11 plan that is subsequently confirmed); City of New York v. Smoss Enters. Corp. (In re Smoss Enters. Corp.), 54 B.R. 950, 951 (E.D.N.Y. 1985) (stating that section 1146(c) was designed to reach transfer of assets, on which "plan hinged and which the court had to approve prior to the confirmation").

60. As set forth above, as part of their transformation plan, the Selling Debtor Entities have identified non-core product lines, including the Bearings Business, that do not fit into the company's future strategic framework, and have planned to sell or wind-down these product lines. As mentioned above, on December 10, 2007, the Debtors filed the Plan, and a hearing on confirmation of the Plan is scheduled to commence in two days. Section 7.30 of the Plan contemplates the Debtors selling assets outside the Plan, but obtaining relief as if such divestitures were part of the Plan. Thus, this sale process may continue after a Plan has already been filed, which would squarely satisfy Beulah Church. See Beulah Church, 316 B.R. at 50-51. In light of the foregoing, the Selling Debtor Entities submit that the Sale should be exempt under section 1146(c) of the Bankruptcy Code from any stamp, transfer, sales, recording, or similar taxes.

T. The Assumption And Assignment Of The Assumed Contracts

61. Section 365(f)(2) of the Bankruptcy Code provides that:

The trustee may assign an executory contract or unexpired lease of the debtor only if –

(A) the trustee assumes such contract or lease in accordance with the provisions of this section; and

(B) adequate assurance of future performance by the assignee of such contract or lease is provided, whether or not there has been a default in such contract or lease.

11 U.S.C. § 365(f)(2).

62. Under section 365(a) of the Bankruptcy Code a debtor, "subject to the court's approval, may assume or reject any executory contract or unexpired lease of the debtor." 11 U.S.C. § 365(a). Section 365(b)(1) of the Bankruptcy Code, in turn, codifies the requirements for assuming an unexpired lease or executory contract of a debtor. It provides:

(b)(1) If there has been a default in an executory contract or unexpired lease of the debtor, the trustee may not assume such contract or lease unless, at the time of the assumption of such contract or lease, the trustee –

(A) cures, or provides adequate assurance that the trustee will promptly cure, such default;

(B) compensates, or provides adequate assurance that the trustee will promptly compensate, a party other than the debtor to such contract or lease, for any actual pecuniary loss to such party resulting from such default; and

(C) provides adequate assurance of future performance under such contract or lease.

11 U.S.C. § 365(b)(1).

63. Courts give the phrase "adequate assurance of future performance" a "practical, pragmatic construction." EBG Midtown S. Corp. v. Mcharen/Hart Env'tl. Eng'g Corp. (In re Sanshoe Worldwide Corp.), 139 B.R. 585, 592 (S.D.N.Y. 1992), aff'd, 993 F.2d 300 (2d Cir. 1993) (presence of adequate assurance should be "determined under the facts of each particular case"); see also In re Fifth Ave. Originals, 32 B.R. 648, 652 (Bankr. S.D.N.Y. 1983) (holding that adequate assurance was furnished on two separate grounds). Courts have consistently held that the phrase does not require total assurances. See In re Natco Indus., Inc.,

54 B.R. 436, 440 (Bankr. S.D.N.Y. 1985) ("[I]t does not mean absolute insurance that the debtor will thrive and make a profit."); In re Prime Motor Inns, Inc., 166 B.R. 993, 997 (Bankr. S.D. Fla. 1994) (although no single solution will satisfy every case, the required assurance will fall "considerably short of an absolute guaranty of performance"). In fact, adequate assurance has been provided by demonstrating the Buyer's financial health and experience in managing the type of enterprise or property assigned. See In re Bygaph, Inc., 56 B.R. 596, 605-06 (Bankr. S.D.N.Y. 1986) (adequate assurance of future performance existed when prospective assignee of lease from debtor had financial resources and had expressed willingness to devote sufficient funding to business to give it strong likelihood of succeeding).

64. To the extent that any defaults exist under any prepetition executory contract or unexpired lease that is to be assumed and assigned in connection with the sale of the Acquired Assets or any portion thereof, the Selling Debtor Entities would cure any such default. The Buyer has the financial resources to perform under the Assumed Contracts and are contractually required under the Agreement to provide adequate assurance of future performance under each Assumed Contract. Moreover, if necessary, the Selling Debtor Entities will adduce facts at the Sale Hearing demonstrating the financial wherewithal of the Buyer or the Successful Bidder, as the case may be, their experience in the industry, and their willingness and ability to perform under the contracts to be assumed and assigned to them.

65. The Sale Hearing therefore will provide this Court and other parties-in-interest ample opportunity to evaluate and, if necessary, challenge the ability of the Buyer or the Successful Bidder(s) to provide adequate assurance of future performance under the contracts to be assumed. This Court therefore should have a sufficient basis to authorize the

Selling Debtor Entities to assume and assign the Assumed Contracts as set forth in the Agreement.

U. Waiver Of The Ten-Day Stays Provided By Bankruptcy Rule 6004

66. Bankruptcy Rule 6004(g) provides: "An order authorizing the use, sale, or lease of property other than cash collateral is stayed until the expiration of 10 days after entry of the order, unless the court orders otherwise."

67. Courts in this district have waived these ten-day stays upon a showing of business need. See In re Adelpia Commc'ns Corp., 327 B.R. 143, 175 (Bankr. S.D.N.Y. 2005) ("As I find that the required business need for a waiver has been shown, the order may provide for a waiver of the 10-day waiting period under Fed. R. Bankr. P. 6004(g)."); In re PSINet Inc., 268 B.R. 358, 379 (Bankr. S.D.N.Y. 2001) (requiring demonstration of "a business exigency" for waiver of ten-day stays under Bankruptcy Rules 6004(g) and 6006(d)). In general, courts will grant waivers when doing so is important to the Debtor's financial health. See In re Second Grand Traverse School, 100 Fed.Appx. 430, 434-35 (6th Cir. 2004) (affirming decision waiving ten-day stay because "time was of the essence"); In re Decora Industries, Inc., No. 00-4459, 2002 WL 32332749, at *9 (D. Del. May 20, 2002) ("[T]he Court understands that an immediate closing is required to remedy Debtors' precarious financial and business position. Accordingly, the Court will waive the Rules 6004(g) and 6006(d), allowing the parties to close.").

68. The Selling Debtor Entities expect to continue to market the Bearings Business to prospective buyers immediately after the Court enters the Bidding Procedures Order. During this time, however, Bankruptcy Rule 6004(g) would preclude the Buyer from receiving the protections afforded by the Bidding Protections. In recognition of the time and effort expended by the Buyer in connection the Sale and to reduce the Buyer's risk that the

Selling Debtor Entities might obtain a higher and better offer for the Bearings Business during those ten days, the Buyer should receive the protections afforded by the Bid Protections. The Selling Debtor Entities, therefore respectfully request that the Bidding Procedures Order include a waiver of the ten-day stay provided under Bankruptcy Rule 6004(g).

69. Because the Selling Debtor Entities have demonstrated a need requiring the immediate effectiveness of the Bidding Procedures Order, this Court should exercise its authority under Bankruptcy Rule 6004(g) and waive the ten-day stay as it otherwise would apply to the Bidding Procedures Order.

V. Conclusion

70. The Selling Debtor Entities submit that the granting of the Bidding Procedures, Bid Protections, and Notice Procedures, the setting of a Sale Hearing, and the entry of an order approving the Sale of the Acquired Assets free and clear of liens, claims, and encumbrances, the assumption and/or assignment of the Assigned Contracts, and the assumption of the Assumed Liabilities by the Buyer or the Successful Bidder (as the case may be) are in the best interests of the Selling Debtor Entities' estates and will maximize value for all stakeholders.

As set forth below in this Section 3.2.4, the Buyer and Seller will each bear a portion of the cost of reductions to the Hourly Workforce following the Closing Date. The Purchase Price will be adjusted downward to the extent that the average cost to Permanently Terminate Hourly Employees in the 365-day period following the Closing incurred by Buyer exceeds \$25,000 (the “**Headcount Reduction Cost Adjustment**”). The Headcount Reduction Cost Adjustment for the 180-day period immediately following the Closing (the “**180-Day Post-Closing Period**”) will be calculated by subtracting (i) the product of (w) \$25,000 and (x) the total number of Hourly Employees agreed to be Permanently Terminated pursuant to agreement reached during the 180-day Post-Closing Period from (ii) the Total Termination Cost with respect to the Hourly Employees to be Permanently Terminated pursuant to agreement reached in the 180-Day Post-Closing Period (the “**180-Day Termination Cost**”). The Headcount Reduction Cost Adjustment for the period occurring on and between the 181st day after the Closing and the 365th day after the Closing (the “**365-Day Post-Closing Period**”) will be calculated by subtracting (iii) the product of (y) \$25,000 and (z) the total number of Hourly Employees to be Permanently Terminated pursuant to agreement reached during the 365-Day Post-Closing Period from (iv) the Total Termination Cost with respect to Hourly Employees to be Permanently Terminated pursuant to agreement reached during the 365-Day Post-Closing Period (the “**365-Day Termination Cost**”).

3.2.5 The Headcount Price Adjustment and Headcount Reduction Cost Adjustment, if any, will be paid as follows:

(i) At the Closing, the Purchase Price will be adjusted upward by the product of (a) \$100,000.00 and (b) the difference between 768 and the Hourly Workforce on the Closing Date provided the Hourly Workforce is less than 748 employees.

(ii) On the date that is eighteen (18) months after Closing Date or as soon as practicable thereafter, the Buyer will pay to the Sellers (a) the product of (x) \$75,000 and (y) the difference between the Hourly Workforce on the Closing Date and the Hourly Workforce on the day that is 180 days after the Closing Date, provided the Hourly Workforce is less than 748 employees, less (b) the 180-Day Termination Cost; and

(iii) On the second anniversary of Closing Date or as soon as practicable thereafter, the Buyer will pay to the Sellers (a) the product of (x)

\$70,000 and (y) the difference between the Hourly Workforce on the day that is 180 days after the Closing Date and the Hourly Workforce on the day that is 365 days after the Closing Date, provided the Hourly Workforce is less than 748 employees, less (b) the 365-Day Termination Cost.

3.3 Inventory Adjustment. If the value of Inventory reflected in the Final Inventory Statement is less than the Estimated Inventory Amount, Delphi will pay to Buyer an amount equal to such deficiency. If the value of Inventory reflected in the Final Inventory Statement is greater than the Estimated Inventory Amount, Buyer will pay to Delphi an amount equal to such excess. Such deficiency or excess payment will be paid in immediately available funds within three (3) Business Days after the ultimate determination of the Final Inventory Statement as provided in this Section 3.3.

3.3.1 Preparation of Closing Inventory Statement.

A. Within sixty (60) days after the Closing Date, Buyer will prepare and deliver to Delphi a Closing Inventory Statement. The Closing Inventory Statement will be based on a physical inventory of the Inventory of the Business, and utilizing a methodology, and accounting therefore, in accordance with GAAP, to be taken by the Buyer, at its sole cost and expense, and the Seller shall be given opportunity to observe such physical inventory, within fifteen (15) Business Days after the Closing Date, consistent with past practice, except that, with respect to Productive Inventory, any such Inventory reasonably expected not to be used within one (1) year after Closing will be deemed to have no value. Buyer will, after Closing and pending agreement or final determination of the Closing Inventory Statement, allow Delphi and its Affiliates and their accountants, agents and advisers such access to the Business, all relevant employees and all relevant records, information and other documentation (and will, upon request, provide copies thereof) as is reasonably necessary to enable, confirm and verify the Closing Inventory Statement and to settle the Final Inventory Statement, including access to and the services of key personnel.

B. Delphi will, within thirty (30) days after the delivery by Buyer of the Closing Inventory Statement, complete its review of such statement. If Delphi disagrees with the Closing Inventory Statement, Delphi will, on or before the last day of such thirty (30) day period, inform Buyer in writing (the "**Objection**") of disagreements which on an item by item basis (individually) or in relation to a series of related items in the aggregate, exceed \$100,000 (collectively, "**Relevant Items**"). Any Objection will specify in reasonable detail the nature of any disagreement so asserted, and include all supporting schedules, analyses, working papers and other documentation. If: (i) no such Objection has been timely provided to Buyer; or (ii) the sum of all Relevant Items fails to exceed \$100,000, then: (a) the Closing Inventory Statement will be deemed to be the Final Inventory Statement; and (b) Buyer's calculations will be final and binding on the Parties of all items therein.

C. Buyer will then have thirty (30) days following the date it receives the Objection to review and respond to the Objection. If Delphi and Buyer are unable to resolve all of their disagreements with respect to the determination of the foregoing items by the fifteenth (15th) day following Buyer's response thereto, after having used their good faith efforts to reach a resolution, they will refer their

remaining differences to a mutually agreed upon independent third party certified public accounting firm (the “**CPA Firm**”), who will, acting as experts in accounting and not as arbitrators, determine on a basis consistent with the requirements of Section 3.3, and only with respect to the specific Relevant Items remaining disputed, whether and to what extent, if any, the Closing Inventory Statement requires adjustment. Delphi and Buyer will request the CPA Firm to use its commercially reasonable efforts to render its determination within thirty (30) days. In resolving any disputed item, the CPA Firm: (i) will be bound by the principles set forth in this Section 3.3 and Schedule 3.3.1.C; (ii) will limit its review to matters specifically set forth in the Objection that remain disputed; and (iii) will not assign a value to any item greater than the greatest value for such item claimed by either Party or less than the smallest value for such item claimed by either Party. The CPA Firm’s determination will be conclusive and binding upon Delphi and Buyer. Delphi and Buyer will make reasonably available to the CPA Firm all relevant books and records, any work papers (including those of the Parties’ respective accountants subject to any conditions such accountants may impose) and supporting documentation relating to the Closing Inventory Statement, and all other items reasonably requested by the CPA Firm. The “**Final Inventory Statement**” will be: (i) the Closing Inventory Statement if the Parties so agree or if so determined in accordance with Section 3.3.2; or (ii) if an Objection is made under Section 3.3.2, the Closing Inventory Statement, as adjusted pursuant to the agreement of the Parties, or as adjusted by the CPA Firm. The fees, costs and expenses of the CPA Firm under this Section 3.3.1: (i) will be borne by Delphi in the proportion that the aggregate dollar amount of such disputed items so submitted that are unsuccessfully disputed by Delphi (as finally determined by the CPA Firm) bears to the aggregate dollar amount of such items so submitted; and (ii) will be borne by Buyer in the proportion that the aggregate dollar amount of such disputed items so submitted that are successfully disputed by Delphi (as finally determined by the CPA Firm) bears to the aggregate dollar amount of such items so submitted. Whether any dispute is resolved by agreement among the Parties or by the CPA Firm, changes to the Closing Inventory Statement may be made only for items as to which Delphi have taken exception in the Objection. Each Party will bear its own expenses incurred in this dispute resolution process, including fees of its accountants, attorneys and other agents.

3.3.2 Preparation of the Estimated Inventory Amount. No more than twenty-one days prior to the Closing, Seller will conduct a physical inventory of the Inventory of the Business (in which Buyer and its advisors shall be permitted to observe and participate) and utilizing a methodology, and accounting therefore, in accordance with GAAP, prepare an statement of such Inventory. The value of the Inventory as set forth in such statement, which value shall be reasonably acceptable to Buyer, shall be the “**Estimated Inventory Amount**.” In the event the Seller and Buyer cannot agree prior to the Closing on the Estimated Inventory Amount, notwithstanding their good faith efforts to do so, the Estimated Inventory Amount shall be the mid-point between Seller’s proposed Estimated Inventory Amount and Buyer’s proposed Estimated Inventory Amount. The Purchase Price will be (i) adjusted downward to the extent the Benchmark Inventory Amount exceeds the Estimated Inventory Amount or (ii) adjusted upward to the extent the Estimated Inventory Amount exceeds the Benchmark Inventory Amount. Such upward or downward adjustment is the “**Estimated Inventory Adjustment**.”

3.4 Facilities and Non-Billable Tooling Adjustment. If the value of Facilities and Non-Billable Tooling reflected in the Facilities and Non-Billable Tooling Statement is less than the Facilities and Non-Billable Tooling Peg Amount, Delphi will pay to Buyer an amount equal to such deficiency. If the value of Facilities and Non-Billable Tooling reflected in the Facilities and Non-Billable Tooling Statement is greater than the Facilities and Non-Billable Tooling Peg Amount, Buyer will pay to Delphi an amount equal to such excess. Such deficiency or excess payment will be paid in immediately available funds within three (3) Business Days after the ultimate determination of the Facilities and Non-Billable Tooling Statement.

3.4.1 Preparation of Facilities and Non-Rebillable Tooling Statement. Within forty-five (45) calendar days of the Closing Date, Delphi will prepare and deliver to Buyer a Facilities and Non-Rebillable Tooling Statement. The Facilities and Non-Rebillable Tooling Statement will set forth the Facilities and Non-Rebillable Tooling and will provide a listing of such payments, with vendor name, receipt number, and dollar amount as of Closing Date. If requested, Buyer will be provided a copy of specific receipt for each vendor payment and evidence of presentment and acceptance of payment. Within forty-five (45) calendar days after receipt of the Facilities and Non-Rebillable Tooling Statement, Buyer will identify in writing to Delphi any disputes with the Facilities and Non-Rebillable Tooling Statement. If no such correspondence takes place, the Facilities and Non-Rebillable Tooling Statement will be deemed final and the deficiency or excess payment described in Section 3.4 will be due. If there are any irreconcilable differences, the Parties will utilize the Dispute Resolution as the method to resolve any such difference.

3.5 Escrow. Provided the Closing is on or after the effective date of the Filing Affiliates' confirmed plan of reorganization (the "**Emergence Date**"), Buyer shall deliver to Sellers the Purchase Price in accordance with Section 3.2.1 of this Agreement. If, however, the Closing is before the Emergence Date, (i) Buyer shall deliver to the Indemnity Escrow Agent pursuant to the Indemnity Escrow Agreement Two Million Dollars (\$2,000,000.00) of the Purchase Price (the "**Indemnity Escrow Amount**") to be held by the Indemnity Escrow Agent, in an interest bearing account, as collateral to secure the rights of the Buyer under Article 11 hereof, and (ii) Buyer shall deliver to the Inventory Adjustment Escrow Agent pursuant to the Inventory Adjustment Escrow Agreement Five Hundred Thousand (\$500,000.00) of the Purchase Price (the "**Inventory Adjustment Escrow Amount**") to be held by the Inventory Adjustment Escrow Agent in an interest bearing account, as collateral to secure the rights of the Buyer under Section 3.3. The Indemnity Escrow Amount and the Inventory Adjustment Escrow Amount shall be held pursuant to the provisions of the Indemnity Escrow Agreement and the Inventory Adjustment Escrow Agreement, respectively. The Indemnity Escrow Amount will be held by the Indemnity Escrow Agent from the Closing Date until the third anniversary of the Closing Date (the "**Escrow Period**"); provided, however, that in the event the Emergence Date occurs during the Escrow period, the Indemnity Escrow Agent shall immediately deliver the Indemnity Escrow Amount to the Sellers and thereafter, the Sellers' obligations under Article 11, if any, shall be the sole responsibility of post-reorganization Delphi through the applicable periods set forth in Article 11. The Inventory Adjustment Escrow Amount shall be held pursuant to the provisions of the Inventory Adjustment Escrow Agreement by the Inventory Adjustment Escrow Agent from the Closing Date until the earlier of (y) the date which is one hundred fifty (150) days after the Closing Date (less any disputed Relevant Items, which will be retained by the Inventory Adjustment Escrow Agent until resolution of such Relevant Items), or (z) the date of any payment provided for in Section 3.3 of this Agreement. The

costs and expenses of each of the Indemnity Escrow Agent and Inventory Adjustment Escrow Agent, will be paid from and borne solely by the Indemnity Escrow Amount and Inventory Adjustment Escrow Amount, respectively.

3.6 Allocation of Purchase Price.

3.6.1 The Parties agree to allocate the Purchase Price (i.e., both the Purchase Price and any adjustments thereto) among the Business and the agreements provided herein for transfer of the Business to Buyer and its Affiliates, for all purposes (including financial, accounting and tax purposes) (the "**Allocation**") in a manner consistent with the Allocation Schedule attached as Schedule 3.6.1; and

3.6.2 Buyer and Sellers will each report the federal, state and local income and other Tax consequences of the purchase and sale contemplated hereby in a manner consistent with the Allocation, including, if applicable, the preparation and filing of Forms 8594 under Section 1060 of the Internal Revenue Code (or any successor form or successor provision of any future tax law) with their respective federal income Tax Returns for the taxable year which includes the Closing Date, and neither will take any position inconsistent with the Allocation unless otherwise required under applicable law. Delphi will provide Buyer and Buyer will provide Delphi with a copy of any information required to be furnished to the Secretary of the Treasury under Internal Revenue Code Section 1060.

For all such Transferred Salaried Employees, Buyer will maintain such level of compensation and benefits for a minimum of twelve (12) months following the Closing Date.

C. If Sellers and Buyer do not agree as to an individual's fitness for active employment, the issue will be submitted to a mutually agreed upon independent medical evaluator, whose determination will be final and binding on the Parties. The cost of such independent medical evaluation will be shared equally by the Parties.

Inactive Employees who become Transferred Employees pursuant to Section 6.7.3 and their dependents and beneficiaries will commence participation in and eligibility for benefits under the Buyer Employee Benefit Plans as of the date on which such inactive Employees become Transferred Employees.

D. Buyer will recognize a Transferred Employee's pre-Closing credited service with Seller for eligibility and vesting purposes but not benefit accrual purposes with respect to any Buyer Employee Benefit Plans. Subject to the terms outlined in this Section 6.7.9, Buyer agrees to administer Grievances filed prior to the Closing and/or involving claims based upon acts or omissions occurring prior to Closing provided that Seller will be responsible for any monetary Liabilities for such grievances. To the extent the administration or resolution of any Grievances requires both the Buyer's and Sellers' participation, the following apply:

If either party withholds consent to a settlement or processing of a Grievance recommended by the other party or elects to continue to defend the Grievance, then such party will be liable for the portion of the Liabilities resulting from the ultimate disposition of such Grievance (or subsequent settlement) which is in excess of the liability that would have resulted from the settlement recommended and rejected.

6.7.10 Vacation; Profit Sharing. Regardless of the vesting date, Sellers will be responsible for the amount of all accrued and unutilized vacation pay and any profit sharing or incentive compensation of Transferred Employees due for the calendar year in which the Closing occurs on a pro rata basis using the number of days worked by the Transferred Employees for Seller in that calendar year.

6.7.11 Cooperation. Sellers and Buyer will provide each other with such records and information as may be reasonably necessary, appropriate and permitted under applicable Law to carry out their obligations under this Section 6.7.

6.7.12 Union Notifications. Sellers and Buyer will reasonably cooperate in connection with any notification required by Law to, or any required consultation with, or the provision of documents and information to, the employees, unions and relevant government agencies and governmental officials concerning the transactions contemplated by this Agreement.

6.7.13 Effect of Section 6.7. Notwithstanding anything in this Section 6.8 to the contrary, Buyer is not required to seek Delphi's consent before contacting or communicating with GM or the UAW with respect to any matter related to Buyer's potential operation of the Business.

6.9 Technical Documentation. Sellers have delivered, or will deliver on or before the Closing, to the Buyer, a copy of all Technical Documentation included in the Acquired Assets. For a period of not less than ten (10) years commencing at the Closing, Buyer will use reasonable efforts to maintain all Technical Documentation applicable to Product design, test, release and validation at a location at which it will be reasonably accessible to Delphi upon request. During such ten (10) year period, Buyer will not destroy or give up possession of the final copy of such Technical Documentation without offering Delphi the opportunity to obtain a copy of such documentation at Delphi's expense but without any payment to Buyer.

6.10 Books and Records and Litigation Assistance From and After Closing.

6.10.1 Buyer will preserve and keep all books, records, computer files, software programs and any data processing files delivered to Buyer by Seller and its Affiliates pursuant to the provisions of this Agreement for a period of not less than five (5) years from the Closing Date, or for any longer period as may be required by any Law, Governmental Order or in connection with any ongoing litigation, audit or appeal of Taxes, or Tax examination, at Buyer's sole cost and expense. During such period, Buyer will: (i) provide Seller with such documents and information as necessary, consistent with past practice, to complete the accounting books and records of each facility included within the Business; and (ii) make such books and records available to Seller and its Affiliates as may be reasonably required by Seller and its Affiliates in connection with any legal proceedings against or governmental investigations of Seller and its Affiliates or in connection with any Tax examination, audit or appeal of Taxes of Seller and its Affiliates, the Business or the Acquired Assets. Seller or its Affiliates will reimburse Buyer for the reasonable out-of-pocket expenses incurred in connection with any request by Seller to make available records pursuant to the foregoing sentence. In the event Buyer wishes to destroy or dispose of such books and records after five (5) years from the Closing Date, it will first give not less than ninety (90) days' prior written notice to Seller, and Seller will have the right, at its option, upon prior written notice given to Buyer within sixty (60) days of receipt of Buyer's notice, to take possession of said records within ninety (90) days after the date of Buyer's notice to Seller hereunder.

6.10.2 Buyer will, from time to time, at the reasonable request of Sellers, cooperate fully with Sellers in providing Sellers and their Affiliates (as appropriate) (to the extent possible through Transferred Employees) with technical assistance and information in respect to any claims brought against Sellers and their Affiliates involving the conduct of the Business prior to Closing, including consultation and/or the appearance(s) of such persons on a reasonable basis as expert or fact witnesses in trials or administrative proceedings. Sellers will reimburse Buyer and its Affiliates for their reasonable, actual direct out-of-pocket costs (travel, employee time (other than for clerical services), hotels, etc.) of providing such services. In particular, Buyer, for itself

and on behalf of its Affiliates, agrees to: (i) retain all documents required to be maintained by Law and all documents that may be reasonably required to establish due care or to otherwise assist Sellers and their Affiliates in pursuing, contesting or defending such claims; (ii) make available their documents and records in connection with any pursuit, contest or defense, including documents that may be considered to be "confidential" or subject to trade secret protection (except that: (a) no documents or records protected by the attorney client privilege in favor of Buyer and its Affiliates must be made available if making these documents or records available would cause the loss of this privilege (in any case, however, Buyer must notify Sellers of the existence of such privileged documents); and (b) Sellers and their Affiliates will agree to keep confidential documents and records that are confidential or are subject to trade secret protection); (iii) promptly respond to discovery requests in connection with such claim, understanding and acknowledging that the requirements of discovery in connection with litigation require timely responses to interrogatories, requests to produce and depositions and also understanding and acknowledging that any delays in connection with responses to discovery may result in sanctions; (iv) make available, as may be reasonably necessary and upon reasonable advance notice and for reasonable periods so as not to interfere materially with Buyer's business, mutually acceptable engineers, technicians or other knowledgeable individuals to assist Sellers and their Affiliates in connection with such claim, including investigation into claims and occurrences described in this section and preparing for and giving factual and expert testimony at depositions, court proceedings, inquiries, hearings and trial; and (v) make available facilities and exemplar parts for the sole and limited use of assisting Sellers and their Affiliates in the contest or defense.

6.10.3 Seller will use commercially reasonable efforts to preserve and keep all books, records, computer files, software programs and any data processing files not delivered to Buyer pursuant to the provisions of this Agreement for a period of not less than five (5) years from the Closing Date, or for any longer period as may be required by any Law, Governmental Order or in connection with any ongoing litigation, audit or appeal of Taxes, or Tax examination, at Seller's sole cost and expense. During such period, Seller will: (i) provide Buyer with such documents and information as necessary, consistent with past practice, to complete the accounting books and records of each facility included within the Business; and (ii) make such books and records available to Buyer and its Affiliates as may be reasonably required by Buyer and its Affiliates in connection with any legal proceedings against or governmental investigations of Buyer or its Affiliates or in connection with any Tax examination, audit or appeal of Taxes of Buyer and its Affiliates, the Business or the Acquired Assets. Buyer or its Affiliates will reimburse Seller for the reasonable out-of-pocket expenses incurred in connection with any request by Buyer to make available records pursuant to the foregoing sentence. In the event Seller wishes to destroy or dispose of such books and records after five (5) years from the Closing Date, it will first give not less than ninety (90) days' prior written notice to Buyer, and Buyer will have the right, at its option, upon prior written notice given to Seller within sixty (60) days of receipt of Seller's notice, to take possession of said records within ninety (90) days after the date of Seller's notice to Buyer hereunder.

6.11.3 Each of the Parties acknowledges and agrees that the remedy at Law for any breach of the requirements of this Section 6.11 would be inadequate, and agrees and consents that without intending to limit any additional remedies that may be available, temporary and permanent injunctive and other equitable relief may be granted without proof of actual damage or inadequacy of legal remedy in any Proceeding which may be brought to enforce any of the provisions of this Section 6.11.

required by this Agreement to be performed or complied with by it at or prior to the Closing.

9. TERMINATION.

9.1 **Termination.** This Agreement may be terminated at any time prior to the Closing:

9.1.1 By the mutual written consent of Delphi and Buyer.

9.1.2 By either Party:

A. Provided the terminating Party is not in material breach of its obligations under this Agreement, if the Closing will not have occurred within forty-five (45) days after entry of the Sale Approval Order for any reason other than a failure of the conditions set forth in Sections 7.1.2 or 7.1.3, provided, however, this period shall be automatically extended for and additional thirty (30) days if a Competitive Operating Agreement has been executed by either or both of the Parties and the UAW, but has not been fully implemented.

B. If Seller consummates an Alternative Transaction.

C. Provided the terminating Party is not in material breach of its obligations under this Agreement, if any Governmental Authority of competent jurisdiction (other than the Bankruptcy Court) has issued a Governmental Order or taken any other action restraining, enjoining or otherwise prohibiting the transactions contemplated hereby and such Governmental Order or other action has become final and nonappealable, or in the reasonable opinion of the terminating Party is likely to become final and nonappealable.

D. Provided the terminating Party is not in material breach of its obligations under this Agreement, if the Bankruptcy Court has not entered the Sale Approval Order, on or before the date that is ninety (90) days after the date of this Agreement, or if such Sale Approval Order, as of the date that is ninety (90) days after the date of this Agreement, is subject to a stay or injunction on such date.

9.1.3 By Buyer, upon written notice to Delphi and provided that Buyer is not then in material breach of any representation, warranty, covenant or other agreement contained in this Agreement, if:

A. Delphi has breached or failed to perform in any respect any of its representations, warranties, covenants or other agreements contained in this Agreement or

B. If a Material Adverse Effect has occurred, so long as such event is continuing at the time of any such termination and not reasonably capable of being cured within forty-five (45) days after entry of the Sale Approval Order or the date of this Agreement, whichever is earlier.

9.1.4 By Delphi, upon written notice to Buyer and provided that Delphi is not then in material breach of any representation, warranty, covenant or other agreement contained in this Agreement, if Buyer has breached or failed to perform in any material respect any of its obligations or covenants contained in this Agreement, and such breach or failure to perform: (i) is not cured within thirty (30) days after written notice thereof or, in the case where the date or period of time specified for performance has lapsed, promptly following written notice thereof from the non-breaching party; or (ii) is incapable of being cured by Buyer.

9.2 Break-Up Fee; Expense Reimbursement.

9.2.1 Subject to Section 9.2.3, in the event that this Agreement is terminated pursuant to Sections 9.1.2.A, 9.1.2.B or 9.1.2.D and Delphi sells, transfers, leases or otherwise disposes, directly or indirectly, including through an asset sale, stock sale, merger, or other similar transaction, of all or substantially all of the Business or the Acquired Assets in a transaction or a series of related transactions with one or more parties other than Buyer (such event being an "**Alternative Transaction**"); then, Delphi will, upon the consummation of the Alternative Transaction(s), pay to Buyer an amount equal to One Million Five Hundred Thousand Dollars (\$1,500,000.00) (the "**Break-Up Fee**") and the Expense Reimbursement provided for in Section 9.2.2.

Notwithstanding anything in Section 9.2.1 to the contrary, if this Agreement is terminated pursuant to Section 9.1.2.A, 9.1.2.B or 9.1.2.D and Delphi sells or otherwise transfers the Business or all or substantially all of the assets of the Business to GM, including pursuant to the UAW-Delphi-GM Memorandum of Understanding – Delphi Restructuring, dated June 22, 2007, then Delphi will, upon consummation of such transaction, pay to the Buyer the Break-Up Fee and Expense Reimbursement.

9.2.2 In the event this Agreement is terminated pursuant to Sections 9.1.2.A, 9.1.2.B, 9.1.2.D, 9.1.3, or 9.1.4 and provided that Buyer is not then in breach of this Agreement or the Bidding Procedures, then Delphi will be obligated to pay Buyer an

amount equal to Buyer's reasonable, actual, out-of-pocket fees and expenses (including, without limitation, reasonable attorneys' fees expenses of its financial advisors, and expenses of other consultants) incurred in connection with the investigation or negotiation of the transactions contemplated by this Agreement (the "**Expense Reimbursement**"). Any Expense Reimbursement payable upon termination of this Agreement will be immediately earned upon such termination and payable by Delphi to Buyer promptly upon the delivery of an invoice related to such Expense Reimbursement to Delphi by Buyer to be delivered to Delphi within ten (10) Business Days of termination of this Agreement; provided, however, that if Delphi believes, in good faith, that the amount of the Expense Reimbursement sought by Buyer is not reasonable then Delphi will have the right to seek Bankruptcy Court review thereof prior to paying the disputed portion of the Expense Reimbursement. For the avoidance of doubt, in the event Delphi disputes a portion of the Expense Reimbursement as presented by Buyer, it will pay to Buyer the undisputed portion of the Expense Reimbursement promptly upon delivery of the invoice described in the preceding sentence. For purposes of this paragraph, the Parties acknowledge that the reasonableness standard of Sections 328 and 330 of the Bankruptcy Code do not apply to such fees and expenses.

9.2.3 Buyer acknowledges and agrees that if Buyer becomes entitled to receive any Break-Up Fee and/or Expense Reimbursement, then such Break-Up Fee and/or Expense Reimbursement will be the sole and exclusive remedy of Buyer, whether at law or in equity, for any breach by Delphi or any of its Affiliates of the terms and conditions of this Agreement or the Deposit Escrow Agreement.

9.2.4 Notwithstanding anything to the contrary in this Agreement, if the Closing does not occur solely for a reason referred to in Section 7.2.5 (unless financing is precluded due to a Material Adverse Effect precluding financing), in no event will Buyer be entitled to any Break-Up Fee or Expense Reimbursement.

9.2.5 In addition to the amounts set forth in the preceding paragraphs, in the event this Agreement is terminated pursuant to Sections 9.1.1, 9.1.2 or 9.1.3, Buyer shall be entitled to a return of the Deposit Amount.

9.2.6 After entry of the Bidding Procedures Order, obligations of the Seller to pay the Expense Reimbursement and the Break-Up Fee under this Agreement shall be entitled to superpriority administrative expense claim status in the Bankruptcy Cases and payable without further order of the Bankruptcy Court pursuant to the terms of this Agreement and the Bidding Procedures Order, and the obligation to pay the Expense Reimbursement and Break-Up Fee in full in cash when due shall not be discharged, modified, or otherwise affected by any plan of reorganization or liquidation for any Seller.

9.2.7 The forfeiture of a portion of the Deposit or the entire Deposit, if so required by this Agreement, shall be the sole and exclusive remedy of the Sellers or their bankruptcy estates, whether at law or in equity, for any breach by Buyer or any of their Affiliates of the terms and conditions of this Agreement. The Parties agree that the amounts payable pursuant to this Section shall be in the nature of liquidated damages.

9.3 Procedure and Effect of Termination. In the event of the termination of this Agreement and the abandonment of the transactions contemplated hereby pursuant to

Section 9.1, written notice thereof will forthwith be given to all other Parties. If this Agreement is terminated and the transactions contemplated by this Agreement are abandoned as provided herein:

9.3.1 Buyer will redeliver to Sellers all documents, work papers and other material of any of Sellers relating to the transactions contemplated hereby, whether so obtained before or after the execution hereof;

9.3.2 The provisions of the Confidentiality Agreement will continue in full force and effect;

9.3.3 The following sections of this Agreement will survive any termination of this Agreement and remain in full force and effect: (i) Article 9 (Termination); and (ii) Sections 3.1 (Deposit Amount), 12.1 (Fees and Expenses), 12.5 (Assignment), 12.6 (Waiver), 12.7 (Notices), 12.8 (Entire Agreement), 12.10 (Publicity), 12.14 (Governing Law) and 12.15 (Venue and Retention of Jurisdiction); and

No Party to this Agreement will have any Liability under this Agreement to any other Party except: (i) that nothing herein will relieve any party from any Liability for any breach of any of the representations, warranties, covenants and agreements set forth in this Agreement occurring before such termination, (ii) as provided in Section 9.2, and (iii) as contemplated by Section 9.3.3 above.

10. BIDDING PROCEDURES.

10.1 Delphi Initial Bankruptcy Actions. This Article 10 sets forth the bidding procedures (the "**Bidding Procedures**") to be employed with respect to the Agreement and the Sale of the Acquired Assets. The Sale is subject to competitive bidding as set forth herein and approval by the Bankruptcy Court in the Sale Approval Order. The following overbid provisions and related bid protections are designed to compensate Buyer for their efforts and agreements to date and to facilitate a full and fair process (the "**Bidding Process**") designed to maximize the value of the Acquired Assets for the benefit of Sellers' and their Affiliates' creditors, shareholders and bankruptcy estate.

10.2 Qualified Bidder. Unless otherwise ordered by the Bankruptcy Court, for cause shown, or as otherwise determined by Sellers, in order to participate in the bidding process, each person (a "**Potential Bidder**"), other than Buyer or Buyer Parent, must deliver (unless previously delivered) to Delphi, its counsel, its in-house counsel, and its financial advisors at the addresses provided in Section 10.3:

10.2.1 An executed confidentiality agreement in form and substance satisfactory to Delphi.

10.2.2 Current audited financial statements of the Potential Bidder, or, if the Potential Bidder is an entity formed for the purpose of acquiring the Acquired Assets and the Business, current audited financial statements of the equity holders of the Potential Bidder who will guarantee the obligations of the Potential Bidder, or such other form of financial disclosure and credit-quality support or enhancement acceptable to Delphi and its financial advisors; and

10.2.3 A preliminary (non-binding) written proposal regarding: (i) the purchase price range; (ii) any assets and/or equity interests expected to be excluded; (iii) the structure and financing of the transaction (including, but not limited to, the sources of financing for the purchase price and all requisite financial assurance); (iv) any anticipated regulatory approvals required to close the transaction, the anticipated time frame and any anticipated impediments for obtaining such approvals; (v) any conditions to closing that it may wish to impose in addition to those set forth in this Agreement; and (vi) the nature and extent of additional due diligence it may wish to conduct and the date by which such due diligence will be completed.

A Potential Bidder that delivers the documents described in the previous subparagraphs above and whose financial information and credit-quality support or enhancement demonstrate the financial capability of the Potential Bidder to consummate the Sale and perform post-Closing, if selected as a successful bidder, and that Delphi determines in its sole discretion is likely (based on availability of financing, experience and other considerations) to be able to consummate the Sale within the time frame provided by this Agreement will be deemed a **"Qualified Bidder"**. As promptly as practicable, after a Potential Bidder delivers all of the materials required above, Delphi will determine, and will notify the Potential Bidder, if such Potential Bidder is a Qualified Bidder. At the same time that Delphi notifies the Potential Bidder that it is a Qualified Bidder, Delphi will allow the Qualified Bidder to begin to conduct due diligence with respect to the Acquired Assets and the Business as provided in Section 10.4 below. Buyer will be deemed a Qualified Bidder for purposes of the Bidding Process.

10.3 Bid Deadline. A Qualified Bidder that desires to make a bid will deliver written copies of its bid to: Delphi Automotive Systems LLC, 5725 Delphi Drive, Troy, Michigan 48098 Attention: Steve Olsen, Director of Mergers & Acquisitions for Delphi Corporation, with copies to: (i) Delphi's counsel, Skadden, Arps, Slate, Meagher & Flom LLP, at 333 West Wacker Drive, Chicago, Illinois 60601-1285, Attention: Ron E. Meisler and Brian M. Fern; (ii) Delphi's in-house counsel, Delphi Corporation, 5725 Delphi Drive, Troy, Michigan 48098, Attn: Deputy General Counsel – Transactional & Restructuring; (iii) Delphi's financial advisor, KeyBanc Capital Markets, 127 Public Square, Cleveland, Ohio 44114, Attention: Jeffrey E. Johnston; (iii) counsel to the official committee of unsecured creditors appointed in the Bankruptcy Cases (the **"Committee"**), Latham & Watkins LLP, 885 Third Avenue, New York, New York 10022, Attention: Robert J. Rosenberg and Mark A. Broude; (iv) counsel for the agent under Delphi's postpetition credit facility, Davis Polk & Wardwell, 450 Lexington Avenue, New York, New York 10017, Attention: Donald S. Bernstein and Brian Resnick; so as to be received not later than 11:00 A.M. (EST), on February 11, 2008 (the **"Bid Deadline"**). Delphi may extend the Bid Deadline once or successively, but is not obligated to do so. If Delphi extends the Bid Deadline, it will promptly notify all Qualified Bidders of such extension. As soon as reasonably practicable following receipt of each Qualified Bid, Sellers will deliver complete copies of all items and information enumerated in the section below entitled "Bid Requirements" to counsel for the Official Committee of Equity Security Holders (the **"Equityholders' Committee"**). The Sellers also will provide the UAW with notice of all Qualified Bidders and their contact information. Qualified Bidders should note that Section 6.7 of the Agreement addresses, among other things, the terms and conditions of employment of UAW-represented employees, and these issues remain subject to the parties' rights and obligations related to bargaining with the UAW.

10.4 Due Diligence. Delphi will afford each Qualified Bidder due diligence access to the Acquired Assets and the Business. Due diligence access may include Management Presentations as may be scheduled by Delphi, access to Data Rooms, on site inspections and such other matters which a Qualified Bidder may request and as to which Delphi, in its sole discretion, may agree. Delphi will designate an employee or other representative to coordinate all reasonable requests for additional information and due diligence access from Qualified Bidders. Any additional due diligence will not continue after the Bid Deadline. Delphi may, in its discretion, coordinate diligence efforts such that multiple Qualified Bidders have simultaneous access to due diligence materials and/or simultaneous attendance at Management Presentations or site inspections. Neither Delphi nor any of its Affiliates (nor any of their respective representatives) will be obligated to furnish any information relating to Acquired Assets and the Business to any Person other than to Qualified Bidders who make an acceptable preliminary proposal.

10.5 Bid Requirements. All bids must include the following documents (the “Required Bid Documents”):

10.5.1 A letter stating that the bidder’s offer is irrevocable until two (2) Business Days after the Closing of the Sale of the Acquired Assets.

10.5.2 An executed copy of this Agreement, together with all Schedules and Exhibits (a “**Marked Agreement**”), marked to show those amendments and modifications to such agreement that the Qualified Bidder proposes, including the Purchase Price (as defined in this Agreement).

10.5.3 A good faith deposit (the “**Good Faith Deposit**”) in the form of a certified bank check from a U.S. bank or by wire transfer (or other form acceptable to Delphi in its sole discretion) payable to the order of Delphi (or such other party as Delphi may determine) in an amount equal Seven Hundred Fifty Thousand Dollars (\$750,000.00).

10.5.4 Written evidence of a commitment for financing or other evidence of ability to consummate the proposed transaction satisfactory to Delphi and its advisors.

10.6 Qualified Bids. A bid will be considered only if the bid:

10.6.1 Is not conditioned on obtaining financing or on the outcome of unperformed due diligence by the bidder.

10.6.2 Proposes a transaction on terms and conditions (other than the amount of the consideration and the particular liabilities being assumed) that Delphi determines, in its sole discretion, are similar to, and are not materially more burdensome or conditional than the terms of the Agreement and that has a value, either individually or, when evaluated in conjunction with any other Qualified Bid, greater than or equal to the sum of the Purchase Price plus the amount of the Break-Up Fee, plus the Expense Reimbursement, plus: Five Hundred Thousand Dollars (\$500,000.00) in the case of an initial Qualified Bid, plus Two Hundred Fifty Thousand Dollars (\$250,000.00) in the case of any subsequent Qualified Bids, over the immediately preceding highest Qualified Bid.

10.6.3 Is not conditioned upon any bid protections, such as a break-up fee, termination fee, expense reimbursement or similar type of payment.

10.6.4 Includes an acknowledgement and representation that the bidder: (i) has had an opportunity to conduct any and all due diligence regarding the Acquired Assets prior to making its offer; (ii) has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Acquired Assets in making its bid; and (iii) did not rely upon any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express, implied, by operation of law or otherwise, regarding the Acquired Assets, or the completeness of any information provided in connection therewith or the Auction, except as expressly stated in the Agreement or the Marked Agreement.

10.6.5 Includes a commitment to consummate the purchase of the Acquired Assets (including the receipt of any required Governmental Approvals) within not more than fifteen (15) days after entry of an order by the Bankruptcy Court approving such purchase, subject to the receipt of any Governmental Approvals which must be obtained within sixty (60) days after entry of such order.

10.6.6 Is received by the Bid Deadline.

A bid received from a Qualified Bidder will constitute a **"Qualified Bid"** only if it includes all of the Required Bid Documents and meets all of the above requirements; provided, however, that Delphi will have the right, in its sole discretion, to entertain bids for the Acquired Assets that do not conform to one or more of the requirements specified herein and deem such bids to be Qualified Bids. Notwithstanding the foregoing, Buyer will be deemed a Qualified Bidder, and the Agreement will be deemed a Qualified Bid, for all purposes in connection with the bidding process, the Auction, and the Sale. A Qualified Bid will be valued based upon factors such as the net value provided by such bid and the likelihood and timing of consummating such transaction. Each Qualified Bid other than that of Buyer is referred to as a **"Subsequent Bid"**. If Delphi does not receive any Qualified Bids other than the Agreement received from Buyer, Delphi will report the same to the Bankruptcy Court and will proceed with the Sale pursuant to the terms of this Agreement.

10.7 Bid Protection. Recognizing Buyer's expenditure of time, energy and resources, Delphi has agreed to provide certain bidding protections to Buyer. Specifically, Delphi has determined that the Agreement will further the goals of the Bidding Procedures by setting a floor that all other Potential Bids must exceed. As a result, Delphi has agreed that if Delphi does not close with Buyer because Delphi consummates an Alternative Transaction and Buyer is not in breach of the Agreement or the Bidding Procedures, Delphi will pay to Buyer the Break-Up Fee and the Expense Reimbursement to the extent required under Section 9.2.1 hereof. In the event the Agreement is terminated pursuant to Sections 9.1.2.A, 9.1.2.B, 9.1.2.D or 9.1.3 hereof, then in certain circumstances Delphi will be obligated to pay Buyer's Expense Reimbursement to the extent required under Section 9.2.2 of this Agreement. The payment of the Break-Up Fee or the Expense Reimbursement (as applicable) will be governed by the provisions of the Agreement and the order of the Bankruptcy Court approving the Bidding Procedures.

10.8 Auction, Bidding Increments and Bids Remaining Open. If Delphi receives at least one (1) Qualified Bid in addition to the Agreement, Delphi will conduct an auction (the **"Auction"**) of the Acquired Assets and the Business upon notice to all Qualified Bidders who have submitted Qualified Bids at 10:00 a.m. EST on February 13, 2008, at the offices of Skadden, Arps, Slate, Meagher & Flom LLP, 333 West Wacker Drive, Chicago, Illinois 60601-1285 or Four Times Square, New York, New York 10036 (at

Delphi's election) or such later time or other place as Delphi will notify all Qualified Bidders who have submitted Qualified Bids (but in no event later than the second (2nd) Business Day prior to the Sale Hearing), in accordance with the following procedures:

10.8.1 Only Delphi, Buyer, any representative of the Committee and the Equityholders' Committee, any representative of Delphi's secured lenders (and the legal and financial advisers to each of the foregoing), any representative of the UAW and any Qualified Bidder who has timely submitted a Qualified Bid will be entitled to attend the Auction, and only Buyer and the other Qualified Bidders will be entitled to make any subsequent Qualified Bids at the Auction.

10.8.2 At least one (1) Business Day prior to the Auction, each Qualified Bidder who has timely submitted a Qualified Bid must inform Delphi whether it intends to participate in the Auction and at least one (1) Business Day prior to the Auction, Delphi will provide copies of the Qualified Bid or combination of Qualified Bids which Delphi believes is the highest or otherwise best offer to all Qualified Bidders who have informed Delphi of their intent to participate in the Auction and the UAW.

10.8.3 All bidders who have submitted Qualified Bids will be entitled to be present for all Subsequent Bids with the understanding that the true identity of each bidder will be fully disclosed to all other bidders and that all material terms of each Subsequent Bid will be fully disclosed to all other bidders throughout the entire Auction.

10.8.4 Sellers may employ and announce at the Auction additional procedural rules that are reasonable under the circumstances (e.g., the amount of time allotted to make Subsequent Bids) for conducting the Auction, provided that such rules are not inconsistent with these Bidding Procedures, the Bankruptcy Code or any order of the Bankruptcy Court entered in connection herewith.

10.8.5 Bidding at the Auction will begin with the highest or otherwise best Qualified Bid or combination of Qualified Bids and continue in minimum increments of at least Two Hundred Fifty Thousand (\$250,000.00) higher than the previous bid or bids. The Auction will continue in one or more rounds of bidding and will conclude after each participating bidder has had the opportunity to submit an additional Subsequent Bid with full knowledge and written confirmation of the then-existing highest bid or bids. For the purpose of evaluating the value of the consideration provided by Subsequent Bids (including any Subsequent Bid by Buyer), Delphi shall give effect to any Break-Up Fee or Expense Reimbursement that may be payable to Buyer under the Agreement as well as any assets and/or equity interests to be retained by any Seller.

10.8.6 At the conclusion of the Auction, or as soon thereafter as practicable, Sellers, in consultation with its financial advisors, will: (i) review each Qualified Bid on the basis of financial and contractual terms and the factors relevant to the sale process, including those factors affecting the speed and certainty of consummating the sale; and (ii) identify the highest or otherwise best offer(s) for the Acquired Assets and the Business received at the Auction (the "**Successful Bid(s)**") the bidder(s) making such bid, the "**Successful Bidder(s)**").

10.9 Acceptance of Qualified Bids. Sellers will sell the Acquired Assets for the highest or otherwise best Qualified Bid, as determined by Delphi, upon the approval of such Qualified Bid by the Bankruptcy Court after the hearing (the "**Sale Hearing**"). If, after an

Auction in which Buyer: (i) will have bid an amount in excess of the consideration presently provided for in the Agreement with respect to the transactions contemplated under the Agreement; and (ii) is the Successful Bidder, it will, at the Closing under the Agreement, pay, in full satisfaction of the Successful Bid, an amount equal to: (a) the amount of the Successful Bid; less (b) the Break-Up Fee and Expense Reimbursement. Delphi's presentation of a particular Qualified Bid to the Bankruptcy Court for approval does not constitute Delphi's acceptance of the bid. Delphi will be deemed to have accepted a bid only when the bid has been approved by the Bankruptcy Court at the Sale Hearing.

10.10 Sale Hearing. The Sale Hearing will be held before the Honorable Judge Robert Drain on February 21, 2008 at 10:00 a.m. (prevailing Eastern Time) at the United States Bankruptcy Court for the Southern District of New York, located in New York, New York, but may be adjourned or rescheduled in Delphi's sole discretion, subject to Bankruptcy Court Approval, as necessary, without further notice by an announcement of the adjourned date at the Sale Hearing. If Delphi does not receive any Qualified Bids (other than the Qualified Bid of Buyer), Delphi will report the same to the Bankruptcy Court at the Sale Hearing and will proceed with a sale of the Acquired Assets to Buyer following entry of the Sale Order. If Delphi does receive additional Qualified Bids, then, at the Sale Hearing, Delphi will seek approval of the Successful Bid(s), as well as the second highest or best Qualified Bid(s) (the "**Alternate Bid(s)**" and such bidder(s), the "**Alternate Bidder(s)**"). Following approval of the sale to the Successful Bidder(s), if the Successful Bidder(s) fail(s) to consummate the sale because of: (i) failure of a condition precedent beyond the control of either Delphi or the Successful Bidder; or (ii) a breach or failure to perform on the part of such Successful Bidder(s), then the Alternate Bid(s) will be deemed to be the Successful Bid(s) and Delphi will be permitted to effectuate a sale to the Alternate Bidder(s) without further order of the Bankruptcy Court.

10.11 Return of Good Faith Deposit. The Good Faith Deposits of all Qualified Bidders (except for the Successful Bidder) will be held in an interest-bearing escrow account and all Qualified Bids will remain open (notwithstanding Bankruptcy Court approval of a sale pursuant to the terms of one or more Successful Bids by one or more Qualified Bidders), until two (2) Business Days following the Closing of the Sale (the "**Return Date**"). Notwithstanding the foregoing, the Good Faith Deposit, if any, submitted by the Successful Bidder(s), together with interest thereon, will be applied against the payment of the Purchase Price upon Closing of the Sale to the Successful Bidder(s). If a Successful Bidder breaches its obligations under the Bidding Procedures Order or any agreement entered into with respect to its Successful Bid or fails to consummate a sale because of a breach or failure to perform on the part of such Successful Bidder, Delphi will not have any obligation to return the Good Faith Deposit deposited by such Successful Bidder, and such Good Faith Deposit will irrevocably become property of Delphi. On the Return Date, Delphi will return the Good Faith Deposits of all other Qualified Bidders, together with the accrued interest thereon.

10.12 Reservation of Rights. Delphi, after consultation with the agents for its secured lenders and the Committee: (i) may determine, which Qualified Bid, if any, is the highest or otherwise best offer; and (ii) may reject at any time, any bid (other than Buyer's initial bid) that is: (a) inadequate or insufficient; (b) not in conformity with the requirements of the Bankruptcy Code, the Bidding Procedures or the terms and conditions of the Sale; or (c) contrary to the best interests of Sellers, its estate and creditors as determined by Delphi in its sole discretion.

11. LIABILITY, INDEMNIFICATION.

11.1 LIMITATIONS OF LIABILITY. NEITHER DELPHI NOR ANY OF THE OTHER SELLERS UNDERTAKES ANY LIABILITY FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, INDIRECT OR PUNITIVE DAMAGES; DELPHI WILL NOT BE LIABLE FOR ANY, AND BUYER ASSUMES LIABILITY FOR ALL, PERSONAL INJURY AND PROPERTY DAMAGE CONNECTED WITH BUYER'S INVESTIGATION AND EXAMINATION OF THE ACQUIRED ASSETS, THE HANDLING, TRANSPORTATION, POSSESSION, PROCESSING, FURTHER MANUFACTURE OR OTHER USE OR RESALE OF ANY OF THE ACQUIRED ASSETS AFTER THE CLOSING DATE, WHETHER SUCH ACQUIRED ASSETS ARE USED OR RESOLD ALONE OR IN COMBINATION WITH OTHER ASSETS OR MATERIALS; AND BUYER ACKNOWLEDGES THAT, EXCEPT AS OTHERWISE PROVIDED IN THIS AGREEMENT, THE ACQUIRED ASSETS ARE BEING SOLD IN THEIR PRESENT STATE AND CONDITION, "AS IS, WHERE IS," WITH ALL FAULTS, AND BUYER IS PURCHASING AND ACQUIRING SUCH ACQUIRED ASSETS ON THAT BASIS PURSUANT TO BUYER'S OWN INVESTIGATION AND EXAMINATION AFTER HAVING BEEN PROVIDED WITH AN ADEQUATE OPPORTUNITY AND ACCESS TO SUCH ACQUIRED ASSETS TO COMPLETE SUCH INVESTIGATION OR EXAMINATION.

11.2 Survival. Except with respect to (a) representations and warranties of the Sellers, which shall expire in accordance with Section 4.22, and (b) obligations set forth in Sections 2.2 (*Assumption of Liabilities*), 2.3 (*Future Liabilities*), 2.4 (*Retained Liabilities*), 2.5 (*Deferred Items*), 3.2 (*Purchase Price*), 3.6 (*Allocation of Purchase Price*), 6.5 (*Non-Competition*), 6.6 (*Tax Matters; Cooperation*), 6.7 (*Employees; Benefit Plans; Labor Matters*), 6.9 (*Technical Documentation*), 6.10 (*Books and Records and Litigation Assistance from and after Closing*), 6.11 (*Corporate Names*), 6.12 (*Intellectual Property Licenses*), 6.13 (*Post-Closing Obligations*), 6.15 (*Further Actions*), 6.16 (*Further Assurances*) 6.17 (*Shared Items Transferred to Buyer*), Article 11 (*Liability, Indemnification*) and Article 12 (*Miscellaneous*) (*and the definitions referenced in this Agreement used therein*), which provisions shall survive in accordance with their terms, the agreements of Sellers and Buyer in this Agreement will not survive Closing.

11.3 Indemnification. Except as may be expressly set forth in this Agreement or in an Ancillary Agreement, no Seller or Buyer will be required to indemnify any other party to any of such agreements.

11.3.1 Buyer's Indemnification of Delphi. From and after the Closing, Buyer will defend and hold harmless Sellers and their Affiliates and their respective directors, officers, employees, advisors, representatives and agents from and against all Losses actually incurred by Sellers and their Affiliates and their respective directors, officers, employees, advisors, representatives and agents, including in connection with any actions, suits, demands, assessments, judgments and settlements, in any such case reduced by the amount of insurance proceeds recovered from any Person or entity with respect thereto ("**Indemnifiable Losses**") relating to, resulting from or arising out of any (i) Assumed Liability; (ii) Future Liability; (iii) any employment rights of any of the Transferred Employees or any other person employed by Buyer on or after the Closing for any Claims relating to or arising from events occurring on or after the Closing; and (iv) Buyer's failure to comply with any of its obligations under Section 6.7 of this Agreement.

11.3.2 Sellers' Indemnification of Buyer. Subject to the limitations set forth in this Article 11, from and after the Closing, each Seller of Acquired Assets will, solely with respect to the Acquired Assets sold by such Seller and related Retained Liabilities and/or covenants, severally and not jointly indemnify, defend and hold harmless Buyer and its Affiliates and their respective directors, officers, employees, partners, advisors, representatives and agents from and against all Indemnifiable Losses relating to, resulting from or arising out of (i) any Retained Liability (including any Liabilities associated with Excluded Assets); (ii) any employment rights of any Transferred Employees or any other person employed by Sellers prior to the Closing for any Claims relating to or arising from events occurring prior to the Closing; or (iii) Sellers' breach of any representation, warranty or covenant provided under Articles 4 and 6 and Section 11.4.6 of this Agreement.

A. Seller's obligation to indemnify for Indemnifiable Losses shall apply only to those Claims which are notified to a Seller on or before the first (1st) anniversary of the Closing Date with the exception of any claims for indemnification made pursuant to Sections 11.4 or 11.5, which shall be notified to a Seller on or before the third (3rd) anniversary of the Closing Date.

B. Except as provided below, no Seller shall be liable for Indemnifiable Losses pursuant to this Section 11.3.2 until: (i) an individual claim or occurrence is greater than Ten Thousand Dollars (\$10,000.00) ("**Individual Claim Amount**"); and (ii) the amount of all Indemnifiable Losses (which exceeds the Individual Claim Amount) in the aggregate exceeds Two Hundred Thousand Dollars (\$200,000.00) ("**Deductible Amount**"), after which point Seller will be obligated to indemnify Buyer from and against Indemnifiable Losses exceeding the Individual Claim Amounts that are in excess of the Deductible Amount until the aggregate amount of Indemnifiable Losses indemnified by the combined Sellers reaches an amount equal to seven and one-half percent (7½%) of the Purchase Price, after which point Seller(s) will have no further obligation with respect to Indemnifiable Losses under this Agreement. The term "**Cap Amount**" refers to the maximum amount payable by a Seller or all Sellers as the case may be. Buyer agrees that, from and after the Closing, the indemnification provided in this Section 11.3.2 is the exclusive remedy for a breach by Seller of any agreement or covenant contained in this Agreement that, by its terms, is intended to be performed by Seller after the Closing Date or against Seller for any applicable Retained Liabilities or Excluded Assets, and that there shall be no remedy for any breach by Seller of a representation or warranty, or any breach of a covenant or agreement that, by its terms, is intended to be performed by such Seller on or prior to the Closing Date. Liabilities relating to, resulting from or arising out of any Retained Liability or Excluded Asset or breach of any covenant hereof shall not be subject to the Individual Claim Amount, Deductible Amount or the Cap Amount.

C. In calculating amounts payable hereunder, the amount of any Indemnifiable Losses shall be determined without duplication of any other Losses for which a Claim has been made by Buyer or could be made under any other representation, warranty, covenant or agreement included herein, i.e., an indemnified Party may not recover more than once for a particular identifiable Loss.

11.4 Environmental Matters; Exclusive Remedy.

11.4.1 Indemnification of Seller and Buyer.

A. Subject to the provisions of this Agreement, each Seller shall indemnify the appropriate Buyer for Environmental Damages, Environmental Claims and Liabilities arising from Pre-Closing Environmental Contamination and Pre-Closing Environmental Compliance Matters except to the extent exacerbated by the negligent actions of the other Party.

B. Subject to the provisions of this Agreement, Buyer shall indemnify Seller for Environmental Damages, Environmental Claims and Liabilities arising from Post-Closing Environmental Contamination and Post-Closing Environmental Compliance Matters except to the extent exacerbated by the negligent actions of the other Party.

C. Subject to the provisions of this Agreement, including, without limitation, the next sentence, for those Environmental Damages, Environmental Claims and Liabilities arising from circumstances that may be considered both: (i) Pre-Closing Environmental Contamination and Post-Closing Environmental Contamination; or (ii) Pre-Closing Environmental Compliance Matters and Post-Closing Environmental Compliance Matters, such Environmental Damages, Environmental Claims and Liabilities shall be allocated between the Parties in proportion to the extent that the Releases of or noncompliance underlying such Environmental Damages, Environmental Claims and Liabilities arose pre- or post-Closing, and each Party shall indemnify the other for its share as determined by such allocation.

D. Section 11.6 shall apply to any disputes between the Parties as to Environmental Claims, Pre-Closing Environmental Contamination, Pre-Closing Environmental Compliance Matters, Post-Closing Environmental Contaminations, and Post-Closing Environmental Compliance Matters (collectively, "Environmental Matters").

11.4.2 Limitations on Liability. Claims relating to Environmental Matters are subject to the limitations of this Section 11.4.2 and to the Deductible Amounts and Cap Amounts of Sections 11.3.2. Sellers shall not be liable under this Agreement for:

A. In the case of Environmental Claims arising from Pre-Closing Environmental Compliance Matters, unless written notice of such Claim has been served on the non-claiming Party on or before three (3) years following the Closing Date;

B. In the case of Environmental Claims arising from a Pre-Closing Environmental Contamination, unless written notice of such Claim has been served on the non-claiming Party on or before three (3) years following the Closing Date;

C. The incremental incurred cost and expense to meet a Remediation Standard under Environmental Law that is more stringent or

sensitive than that applicable to the type of use in effect at or before Closing (e.g., industrial use);

D. For the costs of any Remedial Work or Remedy undertaken by a claiming Party voluntarily which is not required by Law, Environmental Permit or Governmental Order;

E. In the case of an emergency, where a Party takes any action to avoid or mitigate any Environmental Contamination: (i) it shall for the avoidance of doubt not be in breach of this Agreement and shall not be precluded from recovering its Environmental Damages provided that the claiming Party notifies the other Party of such circumstances as soon as reasonably practicable and provided that such actions or steps are reasonably necessary to avert the emergency; and (ii) the reasonable costs and expenses of all steps taken pursuant to the duty to mitigate contained in this Section 11.4.2.E shall be deemed to be Environmental Damages;

F. Where, subject to Section G, below, and insofar as the Parties agree to treat all Pre-Closing investigations of the environmental condition of the Manufacturing Facility as confidential, for any Environmental Damages Claims to the extent that such Claims would not have arisen or were increased or made more costly as a result of the claiming Party or any of its respective employees, agents or contractors volunteering or disclosing such confidential information to any relevant Competent Authority or Third Party (other than to lenders providing financing to Buyer, or to potential future buyers in connection with any subsequent sale of the Acquired Assets) without the prior written consent of the non-claiming Party; and

G. The following shall not be deemed to be or to have been volunteering or disclosing or information for the purpose of Section F;

(i) Where the disclosure is required by any law (including any Environmental Law, Environmental Permit or Governmental Order);

(iii) Where the information is clearly in the public domain through no fault of the claiming Party; or

(iv) Where the non-claiming Party has given prior written approval to the disclosure.

11.4.3 Buyer Release of All Environmental Claims Against General Motors Corporation. Buyer on behalf of itself and its successors and assigns, agrees to waive and forever release, any and all claims it or they may have against the General Motors Corporation, and its successors and assignees, for any Environmental Claims, Environmental Contamination, Environmental Damages, Pre-Closing Environmental Contamination, Pre-Closing Environmental Compliance Matters, and any other claims under any Environmental Laws (including but not limited to the federal Comprehensive

Environmental Response, Compensation, and Liability Act of 1980 as amended thereafter and the rules promulgated and amended thereafter, and Ohio Revised Code Chapter 3746 and the rules promulgated thereunder and amended thereafter) associated with GM's prior ownership, use or operation of the Acquired Assets, including the Owned Real Property and Manufacturing Facility, and Sellers' ownership, use or operation of the Acquired Assets, including the Owned Real Property and Manufacturing Facility.

11.4.4 Exclusive Remedy. The sole remedy of the Parties for any Claim for damages relating to Environmental Matters resulting or arising in any manner from or with respect to any dispute arising from or related to this Agreement or the transactions contemplated hereby shall be a Claim made pursuant to, and subject to the limitations of, this Article 11.

11.4.5 Remediation of Environmental Damage.

A. Where an Environmental Damage arises out of Environmental Contamination, the non-claiming Party shall be responsible for Remedial Works or the redressing of an Environmental Compliance Matter for such Environmental Contamination ("**Remedy**") to no less but no more than the Remediation Standards allowed by applicable Environmental Laws; such Remedial Works may be determined, in compliance with applicable Environmental Laws and Remediation Standards using risk assessment and related risk evaluation methods. Remedial Work may be conducted using the most cost-effective and reasonable methods of investigation, corrective measures, remediation, abatement, and/or containment (including, to the extent reasonably necessary, the use of institutional and engineering controls or deed restrictions for use of the Owned Real Property for industrial purposes only, provided that such controls or restrictions do not unreasonably prevent or inhibit any uses of the Owned Real Property that occurred as of the Closing Date, including any construction or expansion for industrial use and operations.

B. The non-claiming Party shall, where a Remedy is required pursuant to this Agreement, conduct such Remedy in a reasonably expeditious manner.

C. The conduct of a Remedy shall be as follows:

(i) The non-claiming Party shall prepare appropriate work plans or scopes of work to satisfactorily undertake and complete the Remedy under this Agreement; such Party will provide the other Party with an opportunity to review and comment on such work plans or scopes of work, which comments the non-claiming Party shall adopt where such comments do not materially increase any cost or liability of the Remedy (unless such increase is necessary to comply with applicable Environmental Law);

(ii) When requested, the claiming Party shall reasonably cooperate with the non-claiming Party in any communications with the appropriate Competent Authority;

(iii) Where the Seller is the non-claiming Party, Seller will take all reasonable steps to avoid interfering with Buyer's operation or use of the Manufacturing Facility, and Buyer will reasonably cooperate with Seller including providing access to the Manufacturing Facility during normal business hours and the use of utilities, including reimbursement by Seller of Buyer's actual cost and expense for the utilities in the conduct of the Remedy, provided that Sellers shall promptly repair, restore or reimburse Buyer for any damages or other costs incurred by Buyer as a result of providing such access;

(iv) Where applicable the non-claiming Party shall provide copies of all relevant correspondence sent to and received from a Competent Authority, and keep the claiming Party reasonably apprised of the progress of the conduct of the Remedy;

(v) The claiming Party shall have the right to observe all Remedial Work and to take split samples at the claiming Party's cost and expenses; and

(vi) The conduct of the Remedy shall be deemed complete when, as the case may be:

(1) The non-claiming Party has fully implemented the legally required Remedy and has received subsequent written approval regarding the Remedy by a Competent Authority (except to the extent any reopeners contained in any such approval are triggered); or

(2) Where approval or other oversight by a Competent Authority is not required by Environmental Law and subject to Section 11.4.5.A of this Agreement, the legally required Remedy meets the Remediation Standards which are allowed by applicable Environmental Laws.

11.4.6 Remediation of Specific Recognized Environmental Conditions.

A. Seller agrees to retain responsibility for the "Specific Recognized Environmental Conditions" at the Manufacturing Facility as set forth herein. The Specific Recognized Environmental Conditions are:

(i) free product plume in the groundwater relating to the free product detected at the Former Water Production Well, which Well is depicted on Exhibit 11.4.6;

(ii) free product plume in the groundwater relating to the free product detected at the Former Quench Pit, which Pit is depicted on Exhibit 11.4.6; and

(iii) chlorinated solvent contamination plume relating to the chlorinated solvents detected in Monitoring Well No. MW -303, which Well is depicted on Exhibit 11.4.6.

B. Seller agrees to perform the following tasks to address the Specific Recognized Environmental Conditions: (i) for the Former Production Well and Former Quench Pit, to remove all free product to the extent technically feasible and technically practicable; and (ii) for the MW-303 chlorinated solvent compounds, to achieve risk-based remedial criteria based upon U.S. Environmental Protection Agency's Risk Assessment Guidance for Superfund commonly known as "RAGS" considering the continued industrial use of the Owned Real Property (collectively the "Specific Remedial Works") provided that a target lifetime cancer risk of 10^{-5} shall be applied to the risk assessment. For the purpose of Section 11.4.6, "free product" means non-aqueous phase liquid that exceeds one-eighth inch (1/8") in thickness.

C. The Specific Remedial Works for the Specific Recognized Environmental Conditions shall be conducted to comply with Section 11.4.6 and shall be: (i) with respect to 11.4.6.A(iii), determined using risk assessment and related risk evaluation methods provided by the U.S. Environmental Protection Agency consistent with RAGS provided that a target lifetime cancer risk of 10^{-5} shall be applied to the risk assessment; and (ii) conducted using the most cost-effective and reasonable methods of investigation, corrective measures, remediation, abatement, and/or containment (including, to the extent reasonably necessary, the use of institutional and engineering controls or deed restrictions for use of the Owned Real Property for industrial purposes only, provided that such controls or restrictions do not unreasonably prevent or inhibit any uses of the Owned Real Property that occurred as of the Closing Date, including any construction or expansion for industrial use and operations).

D. The Seller's obligation for the Specific Remedial Works for the Specific Recognized Environmental Conditions shall be deemed complete when Seller provides Buyer with a written certification by a competent environmental consultant that Seller has completed the Specific Remedial Works, subject to Buyer's review and approval of the certification which approval shall not be unreasonably withheld or delayed.

E. Seller agrees to conduct the Specific Remedial Works of the Specific Recognized Environmental Conditions in a reasonably expeditious manner, and the requirements of Section 11.4.5(C)(i)(ii)(iii)(iv) and (v) of this Agreement shall apply to the conduct of the Specific Remedial Works by Seller.

F. Buyer agrees that the Owned Real Property shall be subjected to a deed restriction that limits the Owned Real Property to industrial use and that all groundwater use shall be prohibited on the Owned Real Property.

G. Seller, at its sole cost and expense, shall perform a risk assessment at the Manufacturing Facility in accordance with RAGS (provided that a target lifetime cancer risk of 10^{-5} shall be applied) to determine if any of the areas of interest identified in the Field Investigation Report dated January 4, 2007, and the Field Investigation Report for Field Event #2, dated November 2, 2007, pose an unacceptable risk to human health. Seller's performance of this risk assessment shall have no effect on Seller's obligations under this Agreement.

H. Notwithstanding any other provision in this Agreement to the contrary, Seller's obligations under Section 11.4.6 shall not be subject to the limitations of Section 11.4.2 (except for 11.4.2.F), Section 11.4.5.A, 11.4.5.B., or 11.4.5.C(vi), or any of the limitations of 11.3.2, except for the Cap Amount.

11.5 Product Claims. Each Seller shall indemnify the appropriate Buyer for any Indemnifiable Losses with respect to any Product Claim, provided that notice of such Indemnifiable Loss is provided to Seller on or before the third anniversary of the Closing.

11.6 Indemnification Procedure. The obligations of any indemnifying Party to indemnify any indemnified Party under Sections 11.3.1, 11.3.2, 11.4.1 or 11.5 with respect to Indemnifiable Losses resulting from the assertion of liability by third parties (including Governmental Entities) (an "**Indemnification Claim**"), shall be subject to the following terms and conditions:

11.6.1 Any Party against whom any Indemnification Claim is asserted shall give the Party required to provide indemnity hereunder written notice of any such Indemnification Claim promptly after learning of such Indemnification Claim (with such notice satisfying the requirements of this Section 11.6.1), and the indemnifying Party may, at its option, undertake the defense thereof by representatives of its own choosing and shall provide written notice of any such undertaking to the indemnified Party. Failure to give prompt written notice of an Indemnification Claim hereunder shall not affect the indemnifying Party's obligations under this Article 11, except to the extent that the indemnifying Party is actually prejudiced by such failure to give prompt written notice. Any written notice delivered by the indemnified Party to the indemnifying Party seeking indemnification pursuant to this Agreement with respect to Indemnifiable Losses shall set forth, with as much specificity as is reasonably practicable, the basis of the claim for Indemnifiable Losses, the sections of this Agreement which form the basis for the claim, copies of all material written materials relating to such claim and, to the extent reasonably practicable, a reasonable estimate of the amount of the Losses that have been or may be sustained by the indemnified Party. The indemnified Party shall, and shall cause its employees and representatives to, cooperate with the indemnifying Party in connection with the settlement or defense of such Indemnification Claim and shall provide the indemnifying Party with all available information and documents concerning such Indemnification Claim. If the indemnifying Party, within ninety (90) days after written notice of any such Indemnification Claim, fails to assume the defense of such Indemnification Claim, the indemnified Party against whom such claim has been made shall (upon further written notice to the indemnifying Party) have the right to undertake the defense, compromise or settlement of such claim on behalf of and for the account and risk, and at the expense, of the indemnifying Party, subject to the right of the indemnifying Party to assume the defense of such Indemnification Claim at any time prior to settlement, compromise or final determination thereof upon written notice to the indemnified Party.

11.6.2 Anything in this Section 11.6 to the contrary notwithstanding: (i) the indemnified party shall not settle a claim for which it is indemnified without the prior written consent of the indemnifying party, which consent shall not be unreasonably withheld, conditioned or delayed; and (ii) the indemnifying party shall not enter into any settlement or compromise of any action, suit or proceeding, or consent to the entry of any judgment for relief other than monetary damages to be borne by the indemnifying

party, without the prior written consent of the indemnified party, which consent shall not be unreasonably withheld, conditioned or delayed.

11.6.3 Indemnification Payments. All payments under this Article 11 shall be treated as adjustments to the Purchase Price.

11.7 Mitigation. Notwithstanding any other provision of this Agreement, in no event shall a Party be entitled to indemnification pursuant to this Agreement to the extent any Losses were attributable to such Party's own gross negligence or willful misconduct or to the extent such Losses could have reasonably been avoided by an Indemnitee, or the damage to such Indemnitee from such Losses reasonably could have been mitigated.

11.8 Dispute Resolution. Seller and Buyer will, in the first instance, attempt to settle any and all claims or disputes arising in connection with this Agreement by good faith negotiations by senior management of each party. If the dispute is not resolved by senior management within thirty (30) days after delivery of a written request for such negotiation by either Party to the other, either Party may make a written demand for formal dispute resolution (the "**Notice**") and specify therein in reasonable detail the nature of the dispute. Within fifteen (15) business days after receipt of the Notice, the receiving Party shall submit to the other a written response (the "**Response**"). The Notice and the Response shall include: (i) a statement of the respective Party's position and a summary of arguments supporting that position; and (ii) the name and title of the executive who will represent that Party and of any other person who will accompany the executive to meetings of the Parties. Within fifteen (15) business days after such written notification, the executives (and others named in the Notice or Response) will meet at a mutually acceptable time and place, and thereafter as often as they reasonably deem necessary, to attempt to resolve the dispute. All reasonable requests for information made by one Party to the other will be honored promptly. All negotiations pursuant to this Section 11.8 are confidential and shall be treated as compromise and settlement negotiations for purposes of applicable rules of evidence.

12. MISCELLANEOUS.

12.1 Fees and Expenses. Except as set forth in Section 9.2.2 and except as otherwise provided in the Ancillary Agreements, Delphi, on behalf of Sellers, on the one hand, and Buyer, on the other hand, will each bear its own expenses and the expenses of its Affiliates in connection with the preparation and negotiation of this Agreement and the consummation of the transactions contemplated hereby, including their respective brokers' or finders' fees and all fees and expenses of their respective counsel, auditors, consultants and other representatives. Buyer will be solely responsible for all expenses in connection with its due diligence review of the Business, including, without limitation, surveys, title work, title inspections, title searches, environmental testing or inspections, building inspections, UCC lien and other searches. Buyer and Seller will split equally any cost in connection with notarization, registration or recording of this Agreement or an Ancillary Agreement required by applicable Law.

12.2 Bulk Sales Laws. Buyer waives compliance by Delphi and Sellers with any applicable bulk sales Law.

12.3 Payments in Dollars. Except as otherwise provided in this Agreement or an Ancillary Agreement, all payments pursuant hereto will be made by wire transfer in U.S. Dollars in same day or immediately available funds.

12.4 Amendment. This Agreement may not be amended, modified or supplemented except upon the execution and delivery of a written agreement executed by the duly authorized representative or officer of the Parties.

12.5 Assignment. This Agreement will be binding on and inure to the benefit of the successors and assigns of each Party, provided, that no assignment of any rights or obligations hereunder will be made by any Seller or Buyer without the written consent of the other Party, except (i) the assignment of this Agreement by a Filing Affiliate to a succeeding entity following such Filing Affiliate's emergence from Chapter 11 (which assignment will not require the other Party's consent) and (ii) the assignment of this Agreement by Buyer to any of its Affiliates, any lender of the Buyer or any purchaser of all or substantially all of the assets of the Business.

12.6 Waiver. Any waiver by Sellers or Buyer of any breach or of a failure to comply with any provision of this Agreement: (i) will be valid only if set forth in a written instrument signed by the Party to be bound; and (ii) will not constitute, or be construed as, a continuing waiver of such provision, or a waiver of any other breach of, or failure to comply with, any provision of this Agreement. At any time prior to the Closing Date, the Parties may: (a) extend the time for the performance of any of the obligations or other acts of the other Parties; (b) waive any inaccuracies in the representations and warranties contained in this Agreement or in any document delivered pursuant hereto; and (c) waive compliance with any of the agreements or conditions contained herein. Except as otherwise expressly provided in this Agreement, any agreement on the part of a Party to any such extension or waiver will be valid only if set forth in an instrument in writing signed on behalf of such Party.

12.7 Notices. Any notice, request, consent or other communication required or permitted to be given under this Agreement will be in writing and will be deemed to have been sufficiently given or served for all purposes: (i) when personally delivered; (ii) on the first (1st) Business Day after sent by a nationally or internationally recognized overnight courier service with signature to the recipient at the address below indicated; (iii) on the third (3rd) Business Day after sent by registered or certified mail, return receipt requested, postage prepaid; or (iv) when sent if sent by facsimile with confirmation of receipt:

12.8 Entire Agreement. 12.10 Publicity. Except as required by Law (and then only after prior consultation with the other Party) or in connection with the Bankruptcy Cases, neither Party (nor any of the other Buyer and Sellers) will issue any press release or make any public announcement concerning this Agreement or the transactions contemplated hereby without obtaining the prior written approval of the other Party (not to be unreasonably withheld, delayed or conditioned).

12.12 Severability. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable: (i) a suitable and equitable provision will be substituted therefore in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision; and (ii) the remainder of this Agreement and the application of such provision to other Persons or circumstances will not be affected by such invalidity or unenforceability, nor will such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

12.13 Third Parties. Nothing expressed or implied in this Agreement is intended or will be construed to confer upon or give to any Person, other than the Parties, their Affiliates and their respective permitted successors or assigns, any Claims, rights or remedies under or by reason of this Agreement.

12.14 Governing Law. This Agreement will in all respects be governed by and construed in accordance with the laws of the State of New York, and to the extent applicable the Bankruptcy Code, without giving effect to rules governing the conflict of laws.

12.15 Venue and Retention of Jurisdiction. The Parties irrevocably and unconditionally submit to the jurisdiction of the Bankruptcy Court for any litigation arising out of or relating to this Agreement and the transactions contemplated hereby (and agree not to commence any litigation relating thereto, during such time period, except in the Bankruptcy Court).

12.16 No Right of Setoff. Neither Party nor any of its Affiliates may deduct from, set off, holdback or otherwise reduce in any manner whatsoever any amount owed to it under this Agreement or any Ancillary Agreement against any amounts owed under this Agreement or any Ancillary Agreement by such Person to the other Party or any of such other Party's Affiliates.

12.17 Risk of Loss. Prior to the Closing, all risk of loss, damage or destruction to all or any part of the Acquired Assets or the Business will be borne exclusively by Sellers.

12.18 Enforcement of Agreement. The Parties agree that irreparable damage would occur in the event that any provision of this Agreement was not performed in accordance with its specific terms or were otherwise breached. It is accordingly agreed that the Parties will be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, this being in addition to all other remedies available at law or in equity.

12.19 Bankruptcy Court Approval. Except for those sections of the Agreement expressly approved under the Bidding Procedures Order, the Parties' obligations hereunder are expressly subject to entry of the Sale Approval Order.

Upon the motion, dated January 15, 2008 (the "Motion"), of Delphi Corporation ("Delphi") and certain of its subsidiaries and affiliates, debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors"), for orders pursuant to 11 U.S.C. §§ 363, 365, and 1146 and Fed. P. 2002, 6004, 6006, and 9014 (a) (i) approving the bidding procedures, (ii) granting certain bid protections, (iii) approving the form and manner of sale notices, and (iv) setting a sale hearing date (the "Sale Hearing") and (b) authorizing and approving (i) the sale (the "Sale") of certain of the Debtors' assets (the "Acquired Assets") comprising substantially all the assets that comprise the Debtors' global bearings business (the "Bearings Business"), free and clear of liens, claims, encumbrances, and interests to ND Acquisition Corp. (the "Buyer") pursuant to the Sale and Purchase Agreement, dated January 15, 2008 (such Sale Purchase Agreement, including all schedules, exhibits, and related agreements

and documents, the "Agreement," a copy of which is attached hereto as Exhibit A), by and between certain affiliated Debtors of Delphi as set forth in the Agreement (the "Selling Debtor Entities"),¹ and the Buyer or to the party submitting the highest or otherwise best bid (the "Successful Bidder"), (ii) the assumption and assignment of certain prepetition executory contracts and unexpired leases (the "Assumed Contracts") and the assignment of certain postpetition executory contracts and unexpired leases (the "Postpetition Contracts," and collectively with the Assumed Contracts, the "Assigned Contracts") to the Buyer or the Successful Bidder, and (iii) the assumption of certain liabilities (the "Assumed Liabilities") by the Buyer or the Successful Bidder; and the Court having entered an order on January [●], 2008 (the "Bidding Procedures Order") (Docket No. _____) (a) approving bidding procedures, (b) granting certain bid protections, (c) approving the form and manner of sale notices, and (d) setting the Sale Hearing; and the Sale Hearing having been held on February 21, 2008, at which time all interested parties were offered an opportunity to be heard with respect to the Motion; and the Court having reviewed and considered the Motion and the arguments of counsel made, and the evidence proffered or adduced, at the Sale Hearing; and it appearing that the relief requested in the Motion is in the best interests of the Selling Debtor Entities, their estates, their stakeholders, and all other parties-in-interest; and after due deliberation thereon, and sufficient cause appearing therefor,

IT IS HEREBY FOUND AND DETERMINED THAT:²

¹ Under the Agreement, the Selling Debtor Entities are comprised of Delphi Automotive Systems LLC and Delphi Technologies, Inc.

² Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact when appropriate. See Fed. R. Bankr. P. 7052.

A. The Court has jurisdiction over the Motion and the transactions contemplated by the Agreement pursuant to 28 U.S.C. §§ 157 and 1334, and this matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A) and (N). Venue of these cases and the Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409.

B. The statutory predicates for the relief sought in the Motion are sections 363, 365, and 1146 of 11 U.S.C. §§ 101-1330, as amended and in effect on October 8, 2005 (the "Bankruptcy Code"), and Fed. R. Bankr. P. 2002, 6004, 6006, and 9014.

C. As evidenced by the affidavits of service previously filed with the Court, and based on the representations of counsel at the Sale Hearing, (i) proper, timely, adequate, and sufficient notice of the Motion, the Sale Hearing, the Sale, the Bid Deadline, the Auction, and the assumption and assignment of the Assumed Contracts, and the Cure Amounts as approved herein has been provided in accordance with 11 U.S.C. §§ 102(l), 363, and 365 and Fed. R. Bankr. P. 2002, 6004, 6006, and 9014, (ii) such notice was good, sufficient, and appropriate under the circumstances, and (iii) no other or further notice of the Motion, the Sale Hearing, the Sale, the Bid Deadline, the Auction, or the assumption and assignment of the Assumed Contracts or assignment of the Postpetition Contracts as provided herein is necessary or shall be required.

D. As demonstrated by (i) the testimony and other evidence proffered or adduced at the Sale Hearing and (ii) the representations of counsel made on the record at the Sale Hearing, the Selling Debtor Entities have marketed the Acquired Assets and conducted the sale process in compliance with the Bidding Procedures Order and in a manner that afforded a full, fair, and reasonable opportunity for any entity to make a higher or better offer to purchase the Acquired Assets.

E. The Selling Debtor Entities (i) have full power and authority to execute the Agreement and all other applicable documents contemplated thereby, and the transfer and conveyance of the Acquired Assets by the Selling Debtor Entities has been duly and validly authorized by all necessary action of the Selling Debtor Entities, (ii) have all of the power and authority necessary to consummate the transactions contemplated by the Agreement, and (iii) have taken all action necessary to authorize and approve the Agreement and to consummate the transactions contemplated thereby, and no consents or approvals, other than those expressly provided for in the Agreement, are required for the Selling Debtor Entities to consummate such transactions.

F. The Selling Debtor Entities have demonstrated (i) good, sufficient, and sound business purposes and justification for the Sale because, among other things, the Selling Debtor Entities and their advisors diligently and in good faith analyzed all other available options in connection with the disposition of the Acquired Assets and determined that (a) the terms and conditions set forth in the Agreement, (b) the transfer to Buyer of the Acquired Assets pursuant thereto, and (c) the Purchase Price agreed to as reflected in the Agreement are all fair and reasonable and together constitute the highest or otherwise best value obtainable for the Acquired Assets and (ii) that compelling circumstances for the Sale pursuant to 11 U.S.C. § 363(b) prior to, and outside of, a plan of reorganization exist because, among other things, absent the Sale the value of the Acquired Assets will be substantially diminished.

G. A reasonable opportunity to object or be heard with respect to the Motion and the relief requested therein has been afforded to all interested persons and entities, including without limitation: (i) the Office of the United States Trustee for the Southern District of New York, (ii) counsel for the Buyer, (iii) counsel for the official committee of unsecured creditors

appointed in these chapter 11 cases, (iv) counsel for the official committee of equity security holders appointed in these chapter 11 cases, (v) all entities known to have expressed an interest in a transaction with respect to the Acquired Assets during the past six months, (vi) all entities known to have asserted any Interests and/or Claims (as defined below) in or upon the Acquired Assets, (vii) all federal, state, and local regulatory or taxing authorities or recording offices, including but not limited to environmental regulatory authorities, which have a reasonably known interest in the relief requested by the Motion, (viii) all parties to Assigned Contracts, (ix) the United States Attorney's office, (x) the United States Department of Justice, (xi) the Securities and Exchange Commission, (xii) the Internal Revenue Service, (xiii) all entities on the Master Service List (as defined by the Supplemental Order Under 11 U.S.C. §§ 102(1) And 105 And Fed. R. Bankr. P. 2002(m), 9006, 9007, And 9014 Establishing Omnibus Hearing Dates And Certain Notice, Case Management, And Administrative Procedures (Docket No. 2883) (the "Supplemental Case Management Order")), and (xiv) such other entities as are required to be served with notices under the Supplemental Case Management Order.

H. The Buyer is not an "insider" of any of the Debtors as that term is defined in 11 U.S.C. § 101(31).

I. The Agreement was negotiated, proposed, and entered into by the Selling Debtor Entities and the Buyer without collusion, in good faith, and from arm's-length bargaining positions. Neither the Selling Debtor Entities nor the Buyer has engaged in any conduct that would cause or permit the Sale or any part of the transactions contemplated by the Agreement to be avoidable under 11 U.S.C. § 363(n).

J. The Buyer is a good faith purchaser under 11 U.S.C. § 363(m) and, as such, is entitled to all of the protections afforded thereby. The Buyer will be acting in good faith

within the meaning of 11 U.S.C. § 363(m) in closing the transactions contemplated by the Agreement at all times after the entry of this order.

K. The consideration provided by the Buyer for the Acquired Assets pursuant to the Agreement (i) is fair and reasonable, (ii) is the highest or otherwise best offer for the Acquired Assets, (iii) will provide a greater recovery for the Selling Debtor Entities' stakeholders than would be provided by any other practical available alternative, and (iv) constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia.

L. The Sale must be approved and consummated promptly to preserve the viability of the Bearings Business as a going concern. The Sale is in contemplation of, and a necessary condition precedent to, a reorganization plan for the Debtors and, accordingly, constitutes a transfer to which section 1146(c) of the Bankruptcy Code applies.

M. The transfer of the Acquired Assets to the Buyer will be a legal, valid, and effective transfer of the Acquired Assets and shall vest the Buyer with all right, title, and interest of the Selling Debtor Entities to the Acquired Assets free and clear of any and all liens, claims, interests, and encumbrances (including, without limitation, Encumbrances as defined in the Agreement) of any type whatsoever (whether known or unknown, secured or unsecured or in the nature of setoff or recoupment, choate or inchoate, filed or unfiled, scheduled or unscheduled, noticed or unnoticed, recorded or unrecorded, perfected or unperfected, allowed or disallowed, contingent or non-contingent, liquidated or unliquidated, matured or unmatured, material or non-material, disputed or undisputed, whether arising prior to or subsequent to the commencement of the chapter 11 cases, and whether imposed by agreement, understanding, law, equity, or otherwise, including claims otherwise arising under doctrines of successor liability), including

but not limited to those (i) that purport to give to any party a right or option to effect any forfeiture, modification, right of first refusal, or termination of the Selling Debtor Entities' or the Purchaser's interest in the Acquired Assets, or any similar rights, and (ii) relating to taxes arising under or out of, in connection with, or in any way relating to the operation of the Bearings Business prior to the Closing Date, including the transfer of the Acquired Assets to the Buyer (all such liens, claims, interests, and encumbrances listed herein, the "Interests and/or Claims").

N. If the Sale of the Acquired Assets with respect to the Selling Debtor Entities were not free and clear of all Interests and/or Claims as set forth in the Agreement and this order, or if the Buyer would, or in the future could, be liable for any of the Interests and/or Claims as set forth in the Agreement and this order, the Buyer would not have entered into the Agreement and would not consummate the Sale or the transactions contemplated by the Agreement, thus adversely affecting the Selling Debtor Entities, their estates, and their stakeholders.

O. The Selling Debtor Entities may sell their interests in the Acquired Assets free and clear of all Interests and/or Claims because, in each case, one or more of the standards set forth in 11 U.S.C. § 363(f)(1)-(5) has been satisfied. All holders of Interests and/or Claims who did not object, or withdrew their objections to the Sale, are deemed to have consented to the Sale pursuant to 11 U.S.C. § 363(f)(2). Those holders of Interests and/or Claims who did object fall under one or more of the other subsections of 11 U.S.C. § 363(f), and all holders of Interests and/or Claims are adequately protected by having their Interests and/or Claims, if any, attach to the cash proceeds of the Sale ultimately attributable to the property against or in which they claim an Interest and/or Claim with the same priority, validity, force, and effect as they attached to such property immediately before the closing of the Sale.

P. Except as expressly provided in the Agreement, the (i) transfer of the Acquired Assets to the Buyer and (ii) assumption and/or assignment to the Buyer of the Assigned Contracts and Assumed Liabilities will not subject the Buyer to any liability whatsoever with respect to the operation of the Bearings Business prior to the Closing of the Sale, or by reason of such transfer under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia based, in whole or in part, directly or indirectly, on any theory of law or equity including, without limitation, any theory of equitable law, antitrust, or successor or transferee liability.

Q. The Selling Debtor Entities have demonstrated that it is an exercise of their sound business judgment to assume and/or assign the Assigned Contracts as applicable to the Buyer in connection with the consummation of the Sale, and the assumption and/or assignment of the Assigned Contracts is in the best interests of the Selling Debtor Entities, their estates, and their creditors. The Assigned Contracts being assigned to, and the liabilities being assumed by, the Buyer are an integral part of the Acquired Assets being purchased by the Buyer and, accordingly, such assumption and/or assignment of Assigned Contracts and liabilities is reasonable and enhances the value of the Selling Debtor Entities' estates.

R. The Selling Debtor Entities have (i) cured, or have provided adequate assurance of cure of, any default existing prior to the Closing of the Sale under all of the Assumed Contracts, within the meaning of 11 U.S.C. § 365(b)(1)(A), by payment of the amounts provided on Schedule 1 hereto and (ii) provided compensation or adequate assurance of compensation to any party for any actual pecuniary loss to such party resulting from a default prior to the date hereof under any of the Assumed Contracts, within the meaning of 11 U.S.C. § 365(b)(1)(B). The Buyer has provided adequate assurance of its future performance of and

under the Assumed Contracts, within the meaning of 11 U.S.C. §§ 365(b)(1)(C) and 365(f)(2)(B). Pursuant to 11 U.S.C. § 365(f), the Assumed Contracts to be assumed and assigned under the Agreement shall be assigned and transferred to, and remain in full force and effect for the benefit of, the Buyer notwithstanding any provision in the contracts or other restrictions prohibiting their assignment or transfer.

S. Approval of the Agreement and consummation of the Sale of the Acquired Assets and assignment of the Assigned Contracts at this time are in the best interests of the Selling Debtor Entities, their stakeholders, their estates, and other parties-in-interest.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND
DECREED THAT:

General Provisions

1. The Motion is GRANTED.

Approval Of The Agreement

2. Pursuant to 11 U.S.C. § 363(b), the Agreement and all of the terms and conditions thereof are hereby approved.
3. Pursuant to 11 U.S.C. § 363(b), the Selling Debtor Entities are authorized, but not directed, to perform their obligations under the Agreement and comply with the terms thereof and consummate the Sale in accordance with and subject to the terms and conditions of the Agreement.
4. Each of the signatories to the Agreement is authorized, but not directed, to take all actions necessary or appropriate to effectuate the terms of this order.

5. The Selling Debtor Entities are authorized, but not directed, to execute and deliver, and empowered to perform under, consummate, and implement, the Agreement, together with all additional instruments and documents as may be reasonably necessary or desirable to implement the Agreement, and to take all further actions as may be requested by the Buyer for the purpose of assigning, transferring, granting, conveying, and conferring to the Buyer or reducing to possession the Acquired Assets and the Assigned Contracts, or as may be necessary or appropriate to the performance of the obligations as contemplated by the Agreement.

6. This order and the Agreement shall be binding in all respects upon all stakeholders (whether known or unknown) of the Debtors, the Buyer, all successors and assigns of the Buyer and the Selling Debtor Entities, all affiliates and subsidiaries of the Buyer and the Selling Debtor Entities, and any subsequent trustees appointed in the Debtors' chapter 11 cases or upon a conversion to chapter 7 under the Bankruptcy Code, and shall not be subject to rejection. To the extent that any provision of this order is inconsistent with the terms of the Agreement, this order shall govern.

7. The Agreement and any related agreements, documents, or other instruments may be modified, amended, or supplemented by the parties thereto in accordance with the terms thereof without further order of the Court; provided that any such modification, amendment, or supplement is not material.

Sale And Transfer Of The Acquired Assets

8. Except as expressly permitted or otherwise specifically provided for in the Agreement or this order, pursuant to 11 U.S.C. §§ 363(b) and 363(f), upon the consummation of the Agreement, the Selling Debtor Entities' right, title, and interest in the Acquired Assets shall

be transferred to the Buyer free and clear of all Interests and/or Claims, with all such Interests and/or Claims to attach to the cash proceeds of the Sale in the order of their priority, with the same validity, force, and effect which they had as against the Acquired Assets immediately before such transfer, subject to any claims and defenses the Selling Debtor Entities may possess with respect thereto.

9. The transfer of the Acquired Assets to the Buyer pursuant to the Agreement constitutes a legal, valid, and effective transfer of the Acquired Assets, and shall vest the Buyer with all right, title, and interest of the Selling Debtor Entities in and to the Acquired Assets free and clear of all Interests and/or Claims of any kind or nature whatsoever.

10. If any person or entity which has filed financing statements, mortgages, mechanic's liens, lis pendens, or other documents or agreements evidencing Interests and/or Claims against or in the Acquired Assets shall not have delivered to the Selling Debtor Entities prior to the Closing of the Sale, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all Interests and/or Claims that the person or entity has with respect to the Acquired Assets, or otherwise, then (a) the Selling Debtor Entities are hereby authorized to execute and file such statements, instruments, releases, and other documents on behalf of the person or entity with respect to the Acquired Assets and (b) the Buyer is hereby authorized to file, register, or otherwise record a certified copy of this order which, once filed, registered, or otherwise recorded, shall constitute conclusive evidence of the release of all Interests and/or Claims in the Acquired Assets of any kind or nature whatsoever.

11. This order (a) shall be effective as a determination that, upon the Closing of the Sale, all Interests and/or Claims of any kind or nature whatsoever existing as to the Selling

Debtor Entities or the Acquired Assets prior to the Closing of the Sale have been unconditionally released, discharged, and terminated (other than any surviving obligations), and that the conveyances described herein have been effected and (b) shall be binding upon and shall govern the acts of all entities including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Acquired Assets.

12. All persons and entities, including, but not limited to, all debt security holders, equity security holders, governmental, tax, and regulatory authorities, lenders, trade creditors, and other stakeholders, holding Interests and/or Claims of any kind or nature whatsoever against or in the Selling Debtor Entities or the Acquired Assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, senior or subordinated), arising under or out of, in connection with, or in any way relating to, the Bearings Business, the Acquired Assets, the operation of the Bearings Business by the Selling Debtor Entities prior to the Closing of the Sale, or the transfer of the Acquired Assets to the Buyer, hereby are forever barred, estopped, and permanently enjoined from asserting against the Buyer, its successors or assigns, their property, or the Acquired Assets, such persons' or entities' Interests and/or Claims. Nothing in this order or the Agreement releases or nullifies any Liability to a governmental agency under any environmental laws and regulations that any entity would be subject to as owner or operator of any Acquired Assets after the date of entry of this

order. Nothing in this order or the Agreement bars, estops, or enjoins any governmental agency from asserting or enforcing, outside the Court, any Liability described in the preceding sentence. Notwithstanding the above, nothing herein shall be construed to permit a governmental agency to obtain penalties from the Buyer for the Selling Debtor Entities' violation of environmental laws and regulations prior to Closing.

13. All persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Selling Debtor Entities to sell and transfer the Acquired Assets to the Buyer, in each case in accordance with the terms of the Agreement or this order.

Assumption And Assignment To The Purchaser Of The Assumed Contracts

14. Pursuant to 11 U.S.C. §§ 105(a) and 365, and subject to and conditioned upon the Closing of the Sale, the Selling Debtor Entities' assumption and assignment to the Buyer, and the Buyer' assumption on the terms set forth in the Agreement, of the Assumed Contracts is hereby approved, and the requirements of 11 U.S.C. §§ 365(b)(1) and 365(f) with respect thereto are hereby deemed satisfied.

15. The Selling Debtor Entities are hereby authorized in accordance with 11 U.S.C. §§ 105(a), 363, and 365 to (a) assume and/or assign to the Buyer, effective upon the Closing of the Sale, the Assigned Contracts free and clear of all Interests and/or Claims of any kind or nature whatsoever and (b) execute and deliver to the Buyer such documents or other instruments as may be necessary to assign and transfer the Assigned Contracts and Assumed Liabilities to the Buyer.

16. The Assumed Contracts shall be transferred to, and remain in full force and effect for the benefit of, the Buyer in accordance with their respective terms, notwithstanding any provision in any such Assumed Contract (including those of the type described in sections 365(b)(2) and (f) of the Bankruptcy Code) that prohibits, restricts, or conditions such assignment or transfer and, pursuant to 11 U.S.C. § 365(k), the Selling Debtor Entities shall be relieved from any further liability with respect to the Assumed Contracts after such assignment to and assumption of such contracts by the Buyer.

17. All defaults or other obligations of the Selling Debtor Entities under the Assumed Contracts arising or accruing prior to the Closing of the Sale (without giving effect to any acceleration clauses or any default provisions of the kind specified in section 365(b)(2) of the Bankruptcy Code) shall be cured by the Selling Debtor Entities in accordance with the terms of the Agreement, and the Buyer shall have no liability or obligation arising or accruing prior to the date of the Closing of the Sale, except as otherwise expressly provided in the Agreement. Each non-debtor party to any Assumed Contracts shall be deemed to have consented to the assumption and assignment of the Assumed Contracts to the Buyer and shall be forever barred, estopped, and permanently enjoined from asserting against the Selling Debtor Entities or the Buyer, or the property of any of them, any default existing, arising, or accruing as of the date of the Closing or any purported written or oral modification to the Assumed Contracts. Each non-debtor party to any Assumed Contract shall be forever barred, estopped, and permanently enjoined from asserting against the Buyer (or its property, including the Acquired Assets) any claim, counterclaim, defense, breach, condition, setoff asserted or assertable against the Debtors. The failure of the Debtors or the Buyer to enforce prior to the Closing of the Sale one or more terms or conditions of any Assumed Contracts shall not be a waiver of such terms or conditions

or of the Debtors' or Buyer's rights to enforce every term and condition of any such Assumed Contracts. There shall be no rent accelerations, assignment fees, increases (including of rates), or any other fees charged to the Buyer as a result of the assumption and assignment of the Assumed Contracts.

Additional Provisions

18. The transactions contemplated by the Agreement, and the execution, delivery, and/or recordation of any and all documents or instruments necessary or desirable to consummate the transactions contemplated by the Agreement shall be, and hereby are, exempt from the imposition and payment of all stamp taxes or any other similar taxes pursuant to section 1146(c) of the Bankruptcy Code.

19. The consideration provided by the Buyer for the Acquired Assets under the Agreement is hereby deemed to constitute reasonably equivalent value and fair consideration under the Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act, and under the laws of the United States, and any state, territory, or possession thereof, or the District of Columbia.

20. Upon the Closing of the Sale, this order shall be construed as and shall constitute for any and all purposes a full and complete general assignment, conveyance, and transfer of all of the Acquired Assets and the Assigned Contracts or a bill of sale transferring good and marketable title in such Acquired Assets and Assigned Contracts to the Buyer pursuant to the terms of the Agreement.

21. Upon the Closing of the Sale, each of the Selling Debtor Entities' creditors is authorized and directed to execute such documents and take all other such actions as may be

necessary to release their respective Interests and/or Claims against the Acquired Assets, if any, as such Interests and/or Claims may have been recorded or may otherwise exist.

22. Each and every federal, state, and governmental agency or department, and any other person or entity, is hereby directed to accept any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Agreement.

23. All entities which are currently, or as of the Closing of the Sale may be, in possession of some or all of the Acquired Assets to be sold, transferred, or conveyed pursuant to the Agreement are hereby directed to surrender possession of the Acquired Assets to the Buyer upon the Closing of the Sale.

24. All entities holding Interests and/or Claims against or in the Selling Debtor Entities or the Acquired Assets of any kind or nature whatsoever shall be, and hereby are, forever barred, estopped, and permanently enjoined from asserting, prosecuting, or otherwise pursuing such Interests and/or Claims of any kind or nature whatsoever against the Buyer, its property, its successors and assigns, or the Acquired Assets with respect to any Interest and/or Claim of any kind or nature whatsoever which such person or entity had, has, or may have against or in the Selling Debtor Entities, their estates, their officers, their directors, their shareholders, or the Acquired Assets. Following the Closing of the Sale, no holder of an Interest and/or Claim in or against the Selling Debtor Entities shall interfere with the Buyer's title to or use and enjoyment of the Acquired Assets based on or related to such Interest and/or Claim or any actions that the Selling Debtor Entities may take, or have taken, in their chapter 11 cases.

25. The transactions contemplated by the Agreement are undertaken by the Buyer in good faith, as that term is used in section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the sale of the Acquired Assets shall not affect the validity of the Sale to the Buyer, unless such authorization is duly stayed pending such appeal. The Buyer is a purchaser in good faith of the Acquired Assets pursuant to section 363(m) of the Bankruptcy Code, and is entitled to all of the protections afforded by section 363(m) of the Bankruptcy Code.

26. The consideration provided by the Buyer for the Acquired Assets under the Agreement is fair and reasonable and the Sale may not be avoided under section 363(n) of the Bankruptcy Code.

27. The Selling Debtor Entities, including, but not limited to, their officers, employees, and agents, are hereby authorized to execute such documents and do such acts as are necessary or desirable to carry out the transactions contemplated by the terms and conditions of the Agreement and this order. The Selling Debtor Entities shall be, and they hereby are, authorized to take all such actions as may be necessary to effectuate the terms of this order.

28. The terms and provisions of the Agreement and this order shall be binding in all respects upon the Selling Debtor Entities, their estates, and their stakeholders, the Buyer and its affiliates, successors, and assigns, and any affected third parties, including, but not limited to, all entities asserting an Interest and/or Claim against or in the Acquired Assets to be sold to the Buyer pursuant to the Agreement, notwithstanding any subsequent appointment of any trustee or other fiduciary under any section of any chapter of the Bankruptcy Code, as to which trustee or other fiduciary such terms and provisions likewise shall be binding, and shall

inure to the benefit of the Selling Debtor Entities and the Buyer and their affiliates, successors, and assigns.

29. Notwithstanding anything contained herein to the contrary, the term "Acquired Assets" as defined herein does not include property that is not property of the Selling Debtor Entities' estates or of the other Sellers, such as funds that are trust funds under any applicable state lien laws.

30. To the extent permitted by section 525 of the Bankruptcy Code, no governmental unit may revoke or suspend any permit or license relating to the operation of the Acquired Assets sold, transferred, or conveyed to the Buyer on account of the filing or pendency of these chapter 11 cases or the consummation of the Sale.

31. The failure specifically to include or to reference any particular provision of the Agreement in this order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Agreement be authorized and approved in its entirety.

32. The Agreement and any related agreements, documents, or other instruments may be modified, amended, or supplemented by the parties thereto in accordance with the terms thereof without further order of the Court, provided that any such modification, amendment, or supplement does not have a material adverse effect on the Selling Debtor Entities' estates.

33. No bulk sales law or any similar law of any state or other jurisdiction applies in any way to the Sale.

34. To the extent that any chapter 11 plan confirmed in these cases or any order confirming any such plan or in any other order in these cases (including any order entered after any conversion of these cases to cases under chapter 7 of the Bankruptcy Code) alters, conflicts with, or derogates from the provisions of the Agreement and this order, the provisions of this order shall control. The Selling Debtor Entities' obligations under this order and Agreement (including all Exhibits, Schedules, and Ancillary Agreements) shall survive confirmation of any plan of reorganization or discharge of claims thereunder and shall be binding upon the Selling Debtor Entities and the reorganized or reconstituted debtors, as the case may be, after the effective date of the confirmed plan or plans in the Debtors' cases.

35. This Court retains exclusive jurisdiction to interpret, construe, enforce, and implement the terms and provisions of this order, the Agreement, all amendments thereto, any waivers and consents thereunder, and of each of the agreements executed in connection therewith in all respects, including, but not limited to, retaining jurisdiction to (a) compel delivery of the Acquired Assets to the Buyer, (b) compel delivery of the purchase price or performance of other obligations owed to the Selling Debtor Entities pursuant to the Agreement, (c) resolve any disputes arising under or related to the Agreement, except as otherwise provided therein, (d) interpret, implement, and enforce the provisions of this order, (e) protect the Buyer against any Interests and/or Claims against or in the Selling Debtor Entities or the Acquired Assets, of any kind or nature whatsoever, attaching to the proceeds of the Sale, and (f) determine all disputes among the Selling Debtor Entities, the Buyer, and any non-Debtor parties to any Assigned Contracts concerning, inter alia, the Selling Debtor Entities' assumption and/or assignment of any Assigned Contract to the Purchaser under the Agreement.

36. The requirement under Rule 9013-1(b) of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York for the service and filing of a separate memorandum of law is deemed satisfied by the Motion.

The assets proposed to be sold include substantially all of the assets primarily used in the Bearings Business (the "Acquired Assets").

"As Is, Where Is"

The sale of the Acquired Assets will be on an "as is, where is" basis and without representations or warranties of any kind, nature, or description by the Sellers, their agents, or estates, except, with respect to the Buyer, to the extent set forth in the Agreement and, with respect to a Successful Bidder, to the extent set forth in the relevant purchase agreement of such Successful Bidder approved by the Bankruptcy Court.

A Potential Bidder who delivers the documents described in the foregoing subparagraphs and whose financial information and credit-quality support or enhancement demonstrate the financial capability of such Potential Bidder to consummate the Sale if selected as a Successful Bidder, and who the Sellers determine in their sole discretion is likely (based on availability of financing, experience, and other considerations) to be able to consummate the Sale within the time frame provided by the Agreement, will be deemed a "Qualified Bidder." Notwithstanding the foregoing, the Buyer will be deemed a Qualified Bidder for purposes of the Bidding Process. As promptly as reasonably practicable after a Potential Bidder delivers all of the materials required above, the Selling Debtor Entities will determine, and will notify the Potential Bidder, whether such Potential Bidder is a Qualified Bidder. At the same time when the Selling Debtor Entities notify the Potential Bidder that it is a Qualified Bidder, the Selling Debtor Entities will allow the Qualified Bidder to commence due diligence with respect to the Acquired Assets and the Bearings Business as described below.

The Sellers will afford each Qualified Bidder due diligence access to the Acquired Assets and the Bearings Businesses. Due diligence access may include such management presentations as may be scheduled by the Selling Debtor Entities, access to data rooms, on site inspections, and such other matters which a Qualified Bidder may request and as to which the Sellers, in their sole discretion, may agree. The Sellers will designate an employee or other representative to coordinate all reasonable requests for additional information and due diligence access from Qualified Bidders. Any additional diligence access or information grant to any Qualified Bidder other than the Buyer will be promptly made available to the Buyer. Any additional due diligence will not continue after the Bid Deadline. The Sellers may, in their discretion, coordinate diligence efforts such that multiple Qualified Bidders have simultaneous access to due diligence materials and/or simultaneous attendance at management presentations or site inspections. Neither the Sellers nor any of their Affiliates (or any of their respective representatives) will be obligated to furnish any information relating to Acquired Assets and the Bearings Business to any Person other than to Qualified Bidders who make an acceptable preliminary proposal.

- (b) Proposes a transaction on terms and conditions (other than the amount of the consideration and the particular liabilities being assumed) that the Selling Debtor Entities determine, in their sole discretion, are similar to, and are not materially more burdensome or conditional than, the terms of the Agreement and that has a value, either individually

or, when evaluated in conjunction with any other Qualified Bid, greater than or equal to the sum of the Purchase Price plus the amount of the Break-Up Fee and the Expense Reimbursement, plus \$250,000 in the case of an initial Qualified Bid, plus \$250,000 in the case of any subsequent Qualified Bids over the immediately preceding highest Qualified Bid.

(c) Is not conditioned upon any bid protections, such as a break-up fee, termination fee, expense reimbursement, or similar type of payment.

(d) Includes an acknowledgement and representation that the bidder: (i) has had an opportunity to conduct any and all due diligence regarding the Acquired Assets prior to making its offer, (ii) has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Acquired Assets in making its bid, and (iii) did not rely upon any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express, implied, by operation of law, or otherwise, regarding the Acquired Assets, or the completeness of any information provided in connection therewith or the Auction, except as expressly stated in the Agreement or the Marked Agreement.

(e) Includes a commitment to consummate the purchase of the Acquired Assets (including the receipt of any required Governmental Approvals) within not more than 45 days after entry of an order by the Bankruptcy Court approving such purchase, subject to the receipt of any Governmental Approvals, which must be obtained within 60 days after entry of such order.

(f) Is received by the Bid Deadline.

A bid received from a Qualified Bidder will constitute a "Qualified Bid" only if it includes all of the Required Bid Documents and meets all of the above requirements; provided, however, that the Selling Debtor Entities will have the right, in their sole discretion, to entertain bids for the Acquired Assets that do not conform to one or more of the requirements specified herein and may deem such bids to be Qualified Bids. Notwithstanding the foregoing, the Buyers will be deemed a Qualified Bidder, and the Agreement will be deemed a Qualified Bid, for all purposes in connection with the Bidding Process, the Auction, and the Sale. A Qualified Bid will be valued based upon factors such as the net value provided by such bid and the likelihood and timing of consummating such transaction. Each Qualified Bid other than that of the Buyers is referred to as a "Subsequent Bid."

If the Selling Debtor Entities do not receive any Qualified Bids other than the Agreement received from the Buyers, the Selling Debtor Entities will report the same to the Bankruptcy Court and will proceed with the Sale pursuant to the terms of the Agreement.

Bid Protection

Recognizing the Buyers' expenditure of time, energy, and resources, the Selling Debtor Entities have agreed to provide certain bidding protections to the Buyers. Specifically, the Selling Debtor Entities have determined that the Agreement furthers the goals of the Bidding Procedures by setting a floor which all other Qualified Bids must exceed. As a result, the Selling

Debtor Entities have agreed that if the Buyers are not the Successful Bidder, the Selling Debtor Entities will, in certain circumstances, pay to the Buyers a Break-Up Fee. The payment of the Break-Up Fee or the Expense Reimbursement (as applicable) will be governed by the provisions of the Agreement and the Bidding Procedures Order.

Auction

If the Selling Debtor Entities receive one or more Qualified Bids in addition to the Agreement, the Selling Debtor Entities will conduct an auction (the "Auction") of the Acquired Assets and the Bearings Business upon notice to all Qualified Bidders who have submitted Qualified Bids at 10:00 a.m. (prevailing Eastern time) on February 13, 2008, at the offices of Skadden, Arps, Slate, Meagher & Flom LLP, Four Times Square, New York, New York 10036 or 333 West Wacker Drive, Chicago, Illinois 60606 (at the Selling Debtor Entities' election) or such later time or other place as the Selling Debtor Entities notify all Qualified Bidders who have submitted Qualified Bids (but in no event later than the second Business Day prior to the Sale Hearing), in accordance with the following procedures:

- (a) Only the Sellers, the Buyers, any representative of the Creditors' Committee and the Equityholders' Committee, any representative of the Selling Debtor Entities' secured lenders under their postpetition credit facility (and the legal and financial advisers to each of the foregoing), any representative of the UAW, and any Qualified Bidder who has timely submitted a Qualified Bid will be entitled to attend the Auction, and only the Buyers and Qualified Bidders will be entitled to make any subsequent Qualified Bids at the Auction.
- (b) At least one Business Day prior to the Auction, each Qualified Bidder who has timely submitted a Qualified Bid must inform the Selling Debtor Entities whether it intends to participate in the Auction and at least one Business Day prior to the Auction, the Selling Debtor Entities will provide copies of the Qualified Bid or combination of Qualified Bids which the Selling Debtor Entities believe is the highest or otherwise best offer to the UAW and all Qualified Bidders who have informed the Selling Debtor Entities of their intent to participate in the Auction.
- (c) All Qualified Bidders who have submitted Qualified Bids will be entitled to be present for all Subsequent Bids with the understanding that the true identity of each bidder will be fully disclosed to all other bidders and that all material terms of each Subsequent Bid will be fully disclosed to all other bidders throughout the entire Auction.
- (d) The Selling Debtor Entities may employ and announce at the Auction additional procedural rules that are reasonable under the circumstances (e.g., the amount of time allotted to make Subsequent Bids) for conducting the Auction, provided that such rules are not inconsistent with these Bidding Procedures, the Bankruptcy Code, or any order of the Bankruptcy Court entered in connection herewith.
- (e) Bidding at the Auction will begin with the highest or otherwise best Qualified Bid or combination of Qualified Bids and continue in minimum increments of at least \$250,000 higher than the previous bid or bids. The Auction will continue in one or more rounds of bidding and will conclude after each Qualified Bidder has had the opportunity

to submit one or more additional Subsequent Bids with full knowledge and written confirmation of the then-existing highest bid or bids. For the purpose of evaluating the value of the consideration provided by Subsequent Bids (including any Subsequent Bid by Buyer), the Selling Debtor Entities may give effect to any Break-Up Fee or Expense Reimbursement that may be payable to the Buyer under the Agreement as well as any assets and/or equity interests to be retained by any Selling Debtor Entity.

Selection Of Successful Bid

At the conclusion of the foregoing steps in the Auction, or as soon thereafter as practicable, the Sellers, in consultation with their financial advisors, will: (i) review each Qualified Bid on the basis of financial and contractual terms and the factors relevant to the sale process, including those factors affecting the speed and certainty of consummating the sale; and (ii) identify the highest or otherwise best offer for the Acquired Assets and the Bearings Business received at the Auction (the "Successful Bid(s)," and the bidder(s) making such bid, the "Successful Bidder(s)").

The Selling Debtor Entities will sell the Acquired Assets for the highest or otherwise best Qualified Bid to the Successful Bidder(s), upon the approval of such Qualified Bid by the Bankruptcy Court after the Sale Hearing. If, after an Auction in which the Buyer: (i) will have bid an amount in excess of the consideration presently provided for in the Agreement with respect to the transactions contemplated under the Agreement, and (ii) is the Successful Bidder, it will, at the Closing under the Agreement, pay, in full satisfaction of the Successful Bid, an amount equal to: (a) the amount of the Successful Bid, less (b) the Break-Up Fee.

The Selling Debtor Entities' presentation of a particular Qualified Bid to the Court for approval does not constitute the Selling Debtor Entities' acceptance of the bid. The Selling Debtor Entities will be deemed to have accepted a bid only when the bid has been approved by the Bankruptcy Court at the Sale Hearing.

The Sale Hearing

The Sale Hearing will be held before the Honorable Judge Robert Drain on February 21, 2008 at 10:00 a.m. (prevailing Eastern Time) in the United States Bankruptcy Court for the Southern District of New York, One Bowling Green, Room 610, New York, New York 10004, but may be adjourned or rescheduled in Delphi's sole discretion, subject to Bankruptcy Court approval, as necessary, without further notice by an announcement of the adjourned date at the Sale Hearing. If the Selling Debtor Entities do not receive any Qualified Bids (other than the Qualified Bid of Buyer), the Selling Debtor Entities will report the same to the Bankruptcy Court at the Sale Hearing and will proceed with a sale of the Acquired Assets to the Buyer following entry of the Sale Approval Order. If the Selling Debtor Entities do not receive additional Qualified Bids, then, at the Sale Hearing, the Selling Debtor Entities will seek approval of the Successful Bid, as well as the second highest or best Qualified Bid (the "Alternate Bid" and such bidder, the "Alternate Bidder"). Following approval of the sale to the Successful Bidder, if the Successful Bidder fails to consummate the sale because of: (i) failure of a condition precedent beyond the control of either the Selling Debtor Entities or the Successful Bidder, or (ii) a breach or failure to perform on the part of such Successful Bidder, then the Alternate Bid will be

deemed to be the Successful Bid and the Selling Debtor Entities will be authorized, but not directed, to effectuate a sale to the Alternate Bidder subject to the terms of the Alternate Bid without further order of the Bankruptcy Court.

Return Of Good Faith Deposits

Good Faith Deposits of all Qualified Bidders (except for the Successful Bidder) will be held in an interest-bearing escrow account and all Qualified Bids will remain open (notwithstanding Bankruptcy Court approval of a sale pursuant to the terms of one or more Successful Bids by one or more Qualified Bidders), until two Business Days following the closing of the Sale (the "Return Date"). Notwithstanding the foregoing, the Good Faith Deposit, if any, submitted by the Successful Bidder, together with interest thereon, will be applied against the payment of the Purchase Price upon closing of the Sale to the Successful Bidder. If a Successful Bidder breaches its obligations under the Bidding Procedures Order or any agreement entered into with respect to its Successful Bid or fails to consummate a sale because of a breach or failure to perform on the part of such Successful Bidder, the Selling Debtor Entities will not have any obligation to return the Good Faith Deposit deposited by such Successful Bidder, and such Good Faith Deposit will irrevocably become property of the Selling Debtor Entities. On the Return Date, the Selling Debtor Entities will return the Good Faith Deposits of all other Qualified Bidders, together with the accrued interest thereon.

Reservations Of Rights

The Selling Debtor Entities, after consultation with the agents for their secured lenders and the Committee: (i) may determine which Qualified Bid, if any, is the highest or otherwise best offer and (ii) may reject at any time any bid (other than the Buyers' bid) that is (a) inadequate or insufficient, (b) not in conformity with the requirements of the Bankruptcy Code, the Bidding Procedures, or the terms and conditions of the Sale, or (c) contrary to the best interests of the Selling Debtor Entities, their estates, and stakeholders as determined by Selling Debtor Entities in their sole discretion.

ORDER UNDER 11 U.S.C. § 363 AND FED. R. BANKR. P. 2002 AND 9014 (I)
APPROVING BIDDING PROCEDURES, (II) GRANTING CERTAIN BID
PROTECTIONS, (III) APPROVING FORM AND MANNER OF SALE
NOTICES, AND (IV) SETTING SALE HEARING DATE IN CONNECTION
WITH SALE OF DEBTORS' BEARINGS BUSINESS

("BEARINGS BIDDING PROCEDURES ORDER")

Upon the expedited motion, dated January 15, 2008 (the "Motion"), of Delphi Corporation ("Delphi") and certain of its subsidiaries and affiliates, debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors"), for orders pursuant to 11 U.S.C. §§ 363, 365, and 1146 and Fed. R. Bankr. P. 2002, 6004, 6006, and 9014 (a)(i) approving the bidding procedures set forth herein and attached hereto as Exhibit 1 (the "Bidding Procedures"), (ii) granting certain bid protections, (iii) approving the form and manner of sale notices, and (iv) setting a sale hearing date (the "Sale Hearing") and (b) authorizing and approving (i) the sale (the "Sale") of substantially all of the non-cash assets (the "Acquired Assets") primarily used in the Debtors' global bearings business, free and clear of liens, claims, encumbrances, and interests to ND Acquisition Corp. (the "Buyer") pursuant to the Sale And Purchase Agreement, dated January 15, 2008, by and between certain affiliated chapter 11 Debtors

as set forth in the Agreement (the "Selling Debtor Entities")¹ and the Buyer (the "Agreement")² or to the Successful Bidder (as hereinafter defined) submitting a higher or otherwise better bid, (ii) the assumption and assignment of certain prepetition executory contracts and unexpired leases (the "Assumed Contracts") and the assignment of certain postpetition executory contracts and unexpired leases (the "Postpetition Contracts," and collectively with the Assumed Contracts, the "Assigned Contracts") to the Buyer or the Successful Bidder, and (iii) the assumption of certain liabilities (the "Assumed Liabilities") by the Buyer or the Successful Bidder; and upon the record of the hearing held on January 25, 2008 with respect to the Motion (the "Bidding Procedures Hearing"); and after due deliberation thereon, and sufficient cause appearing therefor,

IT IS HEREBY FOUND AND DETERMINED THAT:³

A. The Court has jurisdiction over this matter and over the property of the Debtors and their respective bankruptcy estates pursuant to 28 U.S.C. §§ 157(a) and 1334.

B. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A), (N), and (O).

C. The relief requested in the Motion as granted herein is in the best interests of the Selling Debtor Entities, their estates, their stakeholders, and other parties-in-interest.

¹ Under the Agreement, the Selling Debtor Entities are comprised of Delphi Automotive Systems LLC and Delphi Technologies, Inc.

² Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Agreement.

³ Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact when appropriate. See Fed. R. Bankr. P. 7052.

D. The notice of the Motion and the Bidding Procedures Hearing given by the Selling Debtor Entities constitutes due, sufficient, and timely notice thereof.

E. The Selling Debtor Entities have articulated good and sufficient reasons for the Court to (i) approve the Bidding Procedures, (ii) grant certain bid protections as provided in the Agreement and in this order, (iii) approve the manner of notice of the Motion, the Sale Hearing, and the assumption and/or assignment of the Assigned Contracts, (iv) approve the form of notice of the Motion and the Sale Hearing to be distributed to stakeholders and other parties-in-interest, including prospective bidders, (v) approve the form of notice of the assumption and assignment of the Assumed Contracts to be filed with the Court and served on parties to each Assumed Contract, and (vi) set the Sale Hearing.

F. The Break-Up Fee and the Expense Reimbursement may be paid in accordance with the terms, conditions, and limitations of the Agreement, as modified by this order (together, the "Bid Protections"), (i) if triggered, shall be deemed an actual and necessary cost and expense of preserving the Selling Debtor Entities' estates, within the meaning of sections 503 and 507(b) of the Bankruptcy Code, (ii) are of substantial benefit to the Selling Debtor Entities' estates, (iii) are reasonable and appropriate, including in light of the size and nature of the Sale and the efforts that have been and will be expended by the Buyer notwithstanding that the proposed Sale is subject to higher or better offers for the Acquired Assets, (iv) were negotiated by the parties at arms' length and in good faith, and (v) are necessary to ensure that the Buyer will continue to pursue their proposed acquisition of the Acquired Assets. The Bid Protections were a material inducement for, and condition of, the Buyer's entry into the Agreement. The Buyer is

unwilling to commit to hold open its offer to purchase the Acquired Assets under the terms of the Agreement unless they are assured of payment of the Bid Protections. Thus, assurance to the Buyer of payment of the Bid Protections promoted more competitive bidding by inducing the Buyer to hold its bid open. Without the Bid Protections, other bidding would have been limited. Further, because the Bid Protections induced the Buyer to research the value of the Acquired Assets and to submit a bid that will serve as a minimum or floor bid on which other bidders can rely, the Buyer has provided a benefit to the Selling Debtor Entities' estates by increasing the likelihood that the price at which the Acquired Assets are sold will reflect their true worth. Finally, absent authorization of the Bid Protections, the Selling Debtor Entities may lose the opportunity to obtain the highest or otherwise best available offer for the Acquired Assets.

G. The Bidding Procedures are reasonable and appropriate and represent the best method for maximizing the realizable value of the Acquired Assets.

THEREFORE, IT IS ORDERED, ADJUDGED, AND DECREED THAT:

Bidding Procedures

1. The Bidding Procedures, as set forth on Exhibit 1 attached hereto and incorporated herein by reference as if fully set forth herein, are hereby approved and shall govern all proceedings relating to the Agreement and any subsequent bids for the Acquired Assets in these cases, and the Auction, if applicable.

2. The Selling Debtor Entities may: (i) determine, in their business judgment, which Qualified Bid is the highest or otherwise best offer, (ii) consult with the representative of any official committee or significant constituent in connection with the Bidding Procedures, and (iii) reject at any time before entry of an order of the Court

approving a Qualified Bid any bid (other than the Buyer's bid) which, in the Selling Debtor Entities' sole discretion, is (a) inadequate or insufficient, (b) not in conformity with the requirements of the Bankruptcy Code or the Bidding Procedures, or (c) contrary to the best interests of the Selling Debtor Entities, their estates, and their stakeholders. The Selling Debtor Entities are authorized (x) to terminate the Bidding Process or the Auction at any time if they determine, in their business judgment, that the Bidding Process will not maximize the value of the Acquired Assets to be realized by the Selling Debtor Entities' estates and (y) to seek Bankruptcy Court approval of the Agreement with the Buyers.

Sale Hearing

3. The Court shall hold a Sale Hearing on February 21, 2008 at 10:00 a.m. (prevailing Eastern time) in the United States Bankruptcy Court for the Southern District of New York, One Bowling Green, Room 610, New York, New York 10004, at which time the Court shall consider the remainder of the Motion not approved by this Order, approve the Successful Bidder, and confirm the results of the Auction, if any. Objections to the Motion, if any, shall be filed and served no later than 4:00 p.m. (prevailing Eastern time) on February 14, 2008 (the "Objection Deadline").

4. The failure of any objecting person or entity to timely file and serve its objection by the Objection Deadline shall be a bar to the assertion, at the Sale Hearing or thereafter, of any objection to the Motion, the Sale, or the Selling Debtor Entities' consummation and performance of the Agreement (including the transfer of the Acquired Assets and Assigned Contracts free and clear of liens, claims, interests, encumbrances (and in the case of Assumed Contracts, defenses)), with the exception of

any objection to the conduct of the Auction or the Selling Debtor Entities' selection of the Successful Bidder, which may be made at the Sale Hearing.

5. The Sale Hearing, or any portion thereof, such as with respect to the proposed assumption and assignment of a particular executory contract, may be adjourned by the Debtors from time to time without further notice to creditors or parties-in-interest other than by announcement of the adjournment in open court or on the Court's calendar on the date scheduled for the Sale Hearing or any adjourned date.

Bid Protections

6. The Bid Protections, as modified by this order, are hereby approved, and any and all objections to the Bid Protections that were not consensually resolved at or before the Hearing are hereby overruled. Notwithstanding anything to the contrary in Section 9.2 of the Agreement, (i) the Buyer's right to seek an Expense Reimbursement shall be capped at \$1 million and (ii) if a Qualified Bid is received on or before the Bid Deadline, the Buyer shall not be eligible to receive the Break-Up Fee or Expense Reimbursement or to participate in the Auction unless, prior to or at the Auction, it has waived the financing contingency set forth in Section 7.2.5 of the Agreement, provided, however that item (ii) does not apply if no Qualified Bids exist as of the Bid Deadline. Notwithstanding anything to the contrary in the Bid Procedures, a bid is not qualified if it is conditioned on the bidder obtaining financing.

7. The Selling Debtor Entities' obligation to pay the Bid Protections, as provided by the Agreement and modified by this order, shall survive termination of the Agreement and, until paid in accordance with the Agreement, shall constitute a superpriority administrative expense claim in favor of the Buyer. The Selling Debtor

Entities shall be authorized to pay the Bid Protections to the Buyer in accordance with the terms of the Agreement without further order of the Court.

Notice

8. Notice of (i) the Motion, including the proposed Sale of the Acquired Assets to the Buyer, (ii) the Sale Hearing, the Bid Deadline, and the Auction, and (iii) the proposed assumption and assignment of the Assumed Contracts to the Buyer pursuant to the Agreement or to a Successful Bidder (and any deadlines for objections associated therewith) shall be good, sufficient, and timely notice, and no other or further notice shall be required, if notice is given as follows:

(a) Notice Of Sale Hearing. Within five days after entry of this order (the "Mailing Date"), the Debtors (or their agent) shall serve the Motion, the Agreement, the proposed Sale Approval Order, the Bidding Procedures, and a copy of the Bidding Procedures Order by first-class mail, postage prepaid, upon (i) the Office of the United States Trustee for the Southern District of New York, (ii) counsel for the Buyers, (iii) counsel for the official committee of unsecured creditors appointed in these chapter 11 cases, (iv) counsel for the official committee of equity security holders appointed in these chapter 11 cases, (v) counsel for the agent under the Debtors' postpetition credit facility, (vi) all entities known to have expressed an interest in a transaction with respect to the Acquired Assets during the past six months, (vii) all entities known to have asserted any lien, claim, interest or encumbrance in or upon the Acquired Assets, (viii) all federal, state, and local regulatory or taxing authorities or recording offices, including but not limited to environmental regulatory authorities, which have a reasonably known interest in the relief requested by the Motion, (ix) all parties to Assigned Contracts, (x) the United States Attorney's office, (xi) the United States Department of Justice, (xii) the Securities and Exchange Commission, (xiii) the Internal Revenue Service, and (xiv) all entities on the Master Service List (as defined by the Supplemental Order Under 11 U.S.C. §§ 102(1) And 105 And Fed. R. Bankr. P. 2002(M), 9006, 9007, And 9014 Establishing Omnibus Hearing Dates And Certain Notice, Case Management, And Administrative Procedures (Docket No. 2883) (the "Supplemental Case Management Order")).

(b) Assumption/Assignment Notice For Buyer. At least 20 days prior to the Sale Hearing, the Selling Debtor Entities shall file with the Court and serve on all non-Debtor parties to the Assigned Contracts a notice (the "Buyer Assumption/Assignment Notice"), substantially in the form of the notice attached hereto as Exhibit 2, identifying the Buyer as the party which will be assigned all of the Selling Debtor

Entities' right, title, and interest in the Assigned Contracts, subject to completion of the bidding process provided under the Bidding Procedures. The non-Debtor party to an Assumed Contract shall have ten days from the service of the Buyer Assumption/Assignment Notice to object to the proposed assumption and assignment to the Buyer and shall state in its objection, with specificity, the legal and factual basis of its objection. If no objection is timely received, the non-Debtor party to the Assumed Contract shall be deemed to have consented to the assumption and assignment of the Assumed Contract to the Buyer and shall be forever barred from asserting any objection with regard to the assumption and assignment.

(c) Assumption/Assignment Notice For Qualified Bidders. At least 20 days prior to the Sale Hearing or on the business day following the Bid Deadline, whichever is later, the Selling Debtor Entities shall cause a notice (the "Qualified Bidder Assumption/Assignment Notice"), substantially in the form of the notice attached hereto as Exhibit 3, to be sent to each non-Debtor party to an Assigned Contract identifying all Qualified Bidders (except the Buyer, which notice shall be governed by the Buyer Assumption/Assignment Notice set forth above). The non-Debtor party to an Assumed Contract shall have ten days from the service of the Qualified Bidder Assumption/Assignment Notice to object to the proposed assumption and assignment to any Qualified Bidder and shall state in its objection, with specificity, the legal and factual basis of its objection. If no objection is timely received, the non-Debtor party to the Assumed Contract shall be deemed to have consented to the assumption and assignment of the Assumed Contract to any Qualified Bidder and shall be forever barred from asserting any objection with regard to the assumption and assignment.

(d) Publication Notice. On or before the Mailing Date, or as soon thereafter as is practicable, the Debtors shall cause notice substantially in the form of the notice attached hereto as Exhibit 4 to be published in the Wall Street Journal (International Edition), the New York Times, and the Sandusky Register.

9. To the extent that any chapter 11 plan confirmed in these cases or any order confirming any such plan or in any other order in these cases (including any order entered after any conversion of these cases to cases under chapter 7 of the Bankruptcy Code) alters, conflicts with, or derogates from the provisions of this order, the provisions of this order shall control. The Debtors' obligations under this order and the portions of the Agreement pertaining to the Bid Protections shall survive confirmation of any plan of reorganization or discharge of claims thereunder and shall be binding upon Debtors, and the reorganized or reconstituted debtors, as the case may be, after the effective date of the confirmed plan or plans in the Debtors' cases.

10. Notwithstanding rules 6004(h), 6006(d), 7062, or 9014 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") or any other Bankruptcy Rule or rule 62(a) of the Federal Rules of Civil Procedure, this order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution of this order.

11. This Court shall retain jurisdiction to hear and determine all matters arising from the implementation of this order.

12. The requirement under Rule 9013-1(b) of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York for the service and filing of a separate memorandum of law is deemed satisfied by the Motion.
